

Candidate Details

Ballot paper name	CANNON, Mary
Candidate name	Mary CANNON
District	City of Kalamunda
Nominating for	Councillor for South West Ward
Election type	Ordinary
Enrolment status	CANNON, Mary is eligible to stand for election as a resident of the City of Kalamunda.

My name is Mary Cannon. My husband and I, along with our teenage children, have lived in Wattle Grove for nearly 20 years. I have proudly served as your local councilor for the last 4 years representing you in the South West Ward.

It has been a steep learning curve, which I have enjoyed immensely as I continue to learn and find ways to implement changes.

The relocation of Forrestfield Library has vastly improved access and connectedness for local residents. With increased memberships and warm and fresh environment, it is pleasing to see the community to come together and enjoy this space.

There are still challenges that need addressing in the ward. Wattle Grove and Forrestfield residents have faced challenges linked to the Hale Rd and Tonkin Hwy upgrades and ensuring that local residents are listened to, not mistreated or ignored is a strong focus for me. I have shown that I represent residents with confidence, passion and perseverance. Please support me so I can continue supporting you.

My name is Mary Cannon. My husband and I, along with our teenage children, have lived in Wattle Grove for nearly 20 years. I have proudly served as your local councilor for the last 4 years representing you in the South West Ward.

It has been a steep learning curve, one which I have enjoyed immensely as I continue to learn and find ways to implement changes that ultimately improve the lives of all residents living in the ward. I have worked tirelessly to drive the implementation of the Hartfield Park Masterplan. These much-needed upgrades will very soon see state of the art improvements to facilities across the Hartfield Sporting Precinct.

The relocation of Forrestfield Library has vastly improved access and connectedness for local residents. With increased memberships and warm and fresh environment, it is pleasing to see the community to come together and enjoy this space. I also am proud of my efforts in advocating for a multi-purpose all abilities outdoor space at Magnolia Way Reserve behind the forum shopping centre, which connects park users with the surrounding natural environment and offers contemporary facilities for all park users. Access and inclusion for all people in our community is a passion for me.

There are still challenges that need addressing in the ward and my work is not done. Wattle Grove and Forrestfield residents have faced challenges linked to the Hale Rd and Tonkin Hwy upgrades and ensuring that local residents are listened to, not mistreated or ignored is a strong focus for me. I have shown that I represent residents with confidence, passion and perseverance. I love this community. I love what it is and what might become in the future. Please support me so I can continue supporting you.
