<b>TITLE:</b>	<b>NOTES</b>	
STRIP SURVEY 15 HUMMERSTON ROAD PIESSE BROOK	<p>This drawing has been prepared for the purposes of designing new construction on the land and should not be used for any other purpose.</p> <p>The boundaries shown here are those as marked at the time of survey and it is the responsibility of the client to ensure that they are correct. The client should be advised that the survey is only as good as the data provided to the surveyor. Only visible boundaries have been shown. Prior to any demolition or construction, an excavation to determine the location of the boundaries should be carried out for the location of all services.</p> <p>The position of service lines shown is indicative only and Water Authority or a competent person should be referred to prior to design.</p> <p>This site forms an integral part of the plan.</p>
