

Seniors Week 2009

THE SHIRE OF KALAMUNDA PRESENTS

The purpose of Seniors Week is:

To promote celebratory and informative activities for older people and their families to share and enjoy

To promote the involvement of people of all ages and backgrounds

To promote positive attitudes to ageing and older people in the community

To promote public awareness of the contributions, achievements and ambitions of seniors

To provide Seniors with opportunities to celebrate life and seniority.

The Shire of Kalamunda would like to take this opportunity to thank ALL sponsors. Without your generous contribution the events presented during Seniors Week would not be as successful as they are.
