Commemorative Tree Planting

Do you have a New Born Baby?

The birth of the Shire's newest residents is commemorated by the planting of special trees within the Shire each July. Planting is in keeping with Council's policy of improving the environment and greening the Shire. It is also a fitting celebration for the birth of the babies.

Parents are invited to assist with the plantings and each young tree has a plaque giving the child's name, date of birth, and a short inscription.

Application forms can be obtained from the Shire Administration Building, Libraries and Child Health Centres.

For babies born between February 2009 and April 2010 to parents who reside within the Shire of Kalamunda

Parent's Name: _____

Address: _____

Suburb: _____ **Phone Number:** _____
