3. Rates Levied for the 2015/2016 Financial Year currently total \$32,084,782. Of this amount, \$31,209,070 has been collected as at 31 March 2016. This represents a collection rate of 96.24% compared to 96.64% at this time last year. A total of 22,834 Rate Notices were sent on 13 July 2015. The slight reduction in collection of rates is attributed to the stop placed on debt recovery until the proposed Shire Debt Collection Policy is approved. It is proposed to be brought to Council in May 2016 for endorsement.
4. Three additional services have been introduced to better assist ratepayers in paying their amounts due. These are:
 - A Smarter Way to Pay – to date 788 ratepayers have signed up.
 - eRates – To date there are 1088 properties signed up for electronic delivery.
 - BPay View – To date 156 ratepayers have signed up for this service.
5. A total of 8,934 ratepayers have taken up an instalment option. Of these, 1,583 have taken up the option to pay by two instalments and 7,351 have taken up the option to pay by four instalments. A total of 12,457 have paid in full.

-
6. The raising of Interim Rates for the 2015/2016 financial year is proceeding with \$191,740 raised so far.

DETAILS

Debt Recovery

7. There are nine claims outstanding from the 2012/2013 and 2013/2014 rates. Five of these have had rates outstanding for three years and over and are waiting for a Property Seizure and Sales Order (PSSO). One ratepayer has since entered into an arrangement. The remaining four properties have been passed on to the Shire's legal representatives for processing.
8. The Shire has issued 246 General Procedure Claims (GPC) through the courts for outstanding 2014/2015 rates and services charges. Of these, 214 have been closed due to payment being received.
9. Of the remaining 32 properties with an active default judgement, two are being defended. The defended properties have been to a pre-trial conference with judgement being awarded to the Shire with costs. 27 have received a PSSO.
10. Debt recovery for the 2015/2016 rates commenced on 11 September 2015 with final notices sent to 1894 ratepayers, of which 948 have either paid in full or entered into a payment arrangement. Letters of Demand have been sent to 946 ratepayers who did not take appropriate action following the Final Notice. Of these, 631 either paid in full or entered into a direct debit arrangement. For 21 ratepayers a payment was made which has taken them beneath the Shire's legal action threshold of \$500; these will be followed-up internally by the Shire.
11. Of the remaining 294 accounts, 263 were sent to the Shire's lawyers for a GPC to be issued. Once confirmation has been received that all claims have been serviced, the Shire has the option of continuing with recovery action. Accounts that are not paid in full, or on a Direct Debit Arrangement, will be re-assessed. The remaining 31 properties were forwarded to the Shire's lawyers for a rental order under S6.60 of the *Local Government Act 1995*, to be issued on the tenants which will require them to make any rent payments to the Shire to pay off the outstanding rates. Follow up and further action will be considered for GPC and rental order accounts in due course.
12. The debt recovery process is on hold pending the approval of the Debt Recovery Policy and Procedure currently under review and to be brought to Council for consideration in May 2016.

PURPOSE

1. To consider a proposed overarching name for the redeveloped playing space currently known as Kostera Oval and Hedley Jorgensen Oval.

BACKGROUND

2. At the December 2015 Kostera Oval Advisory Committee meeting there was a discussion regarding a proposal for a new overarching name for the redeveloped site.
3. The Committee endorsed the proposal that there should be an overarching name for the site and further unanimously supported the proposed name of "Kalamunda Sporting Precinct."
4. The Committee also recognised that the historical names of Kostera Oval and Hedley Jorgensen Oval should be retained under the umbrella of the overarching name.
5. This matter was then presented to Council with the following supporting rationale:

The main reasons as to why an overarching name for the playing fields should be considered were as follows:

1. The playing fields are now all on the same level, with no distinction or barrier between the main oval and smaller fields adjacent to the school.
2. The inclusion of "Kalamunda" and "Sporting" in the name will provide a clear and easily understood description of the location and purpose of the site.
3. This is an opportunity to identify the new Sporting Area as belonging to the broader Kalamunda Community.
4. Adoption of an overarching sporting area name will enable this description to be included in the new shared licence agreement between the Shire of Kalamunda and the Education Department, which details responsibilities of each party for the shared site. The licence agreement is proposed to be considered by Council in February 2016.

The Kalamunda Senior High School representative advised that the proposal would still retain the cultural and historical names of Kostera and Hedley Jorgensen to identify the main oval and the smaller fields adjacent to Cotherstone Road.

6. The following resolution was carried by Council at the December 2015 OCM:

That Council

1. *Seeks public comment for a period of 42 days:*
 - a. *That there be an overarching name for the new sporting area;*
 - b. *That the proposed name be "Kalamunda Sporting Precinct"; and*
 - c. *That the current historical names of Kostera Oval and Hedley Jorgensen Oval be retained to identify the sporting fields adjoining Recreation Road and Cotherstone Road respectively*

7. A period of public comment commenced in January 2016 and concluded on 01 March 2016

DETAILS

8. Public comment was sought through the Shire of Kalamunda Website, Social Media and Print Media, with the following questions being asked:

Do you support :

- A. There being an overarching name for the new sporting area?
- B. That the proposed name be "Kalamunda Sporting Precinct"?
- C. That the current historical names of Kostera Oval and Hedley Jorgensen Oval be retained?
- D. Other comments

9. There were a total of 13 responses received from the community during the public comment period, refer Attachment 1.

10. Although only a very limited response was received, there was broad support for an overarching name and the retention of the historical names 'Kostera Oval' and 'Hedley Jorgensen Oval'.

11. Apart from the three respondents who supported the name " Kalamunda Sporting Precinct", two of these being from the Kostera family, there was no other common theme from the six respondents that provided alternative suggestions as below:

Kalamunda Ovals
Kostera Oval
The Ovals Kalamunda
Kalamunda Sporting Arena
Eastern Hills Sporting Precinct
Kalamunda Recreation Grounds
Darling Range Recreation Reserve
Zig Zag Recreation Reserve
Beluu Recreation Reserve
Escarpment Recreation Reserve

STATUTORY AND LEGAL CONSIDERATIONS

12. Nil.

POLICY CONSIDERATIONS

13. Refer to Policy FAC14 - Naming of Parks, Reserves and Facilities

14. Key points within Council policy in regards to the naming of Parks and Reserves to be considered are as follows:

- Priority will be given to the naming of parks and reserves after the locality of an adjacent street or feature to maximise the identification of that park or reserve with an area.
- Proposals to name parks or reserves should include evidence of community support for the name.
- Names chosen for parks and reserves are expected to be permanent and renaming is discouraged.
- Evidence of substantial community support for a change of name must be provided.

COMMUNITY ENGAGEMENT REQUIREMENTS

15. Following the Kostera Oval Advisory Committee recommendation and Council resolution, the matter was put out for public comment for a period of 42 days. Social media, print media and the Shire of Kalamunda website were used to gain responses.

RISK MANAGEMENT CONSIDERATIONS

Risk	Likelihood	Consequence	Rating	Action/Strategy
Community concern with any change of name considering the cultural and historic nature of the reserve.	Possible	Minor	Medium	Advise community of the 42 day public comment opportunity afforded to all in regards to proposed name.
Loss of overall historical significance through use of overarching name.	Possible	Major	High	Ensure that both current names are retained below the overarching name.

OFFICER COMMENT

22. The Kostera Oval Advisory Committee made a recommendation to Council to consider a proposed overarching name for the newly redeveloped site in Kalamunda.

The Committee voted unanimously to support the proposed name of "Kalamunda Sporting Precinct" as the overarching name.

23. The Kostera Oval Advisory Committee also recommended to retain the current names of Kostera Oval and Hedley Jorgensen Oval below the overarching name.

24. Kalamunda Senior High School representative initiated the original proposal for an overarching name for the redeveloped site, recognising the opportunity to identify the new sporting area to the broader community. The suggestion was that an overarching name utilising the words "Kalamunda" and "Sporting" be developed with the historic names of Kostera Oval and Hedley Jorgensen Oval also being retained.

25. Based on the level of interest shown by the public and that the only common support for a name was "Kalamunda Sporting Precinct", the administration have supported the Kostera Oval Advisor Committee recommendation and Kostera family preference for this overarching name, with the historic names also being retained .

Voting Requirements: Simple Majority

OFFICER RECOMMENDATION (C&C 17/2016)

That Council:

1. Approve the overarching name "Kalamunda Sporting Precinct" and the retention of the current names of Kostera Oval and Hedley Jorgensen Oval to identify the sporting fields adjoining Recreation Road and Cotherstone Road respectively.
2. Notes that the installation of signage will occur and be funded from the Kostera Oval Redevelopment project budget.

George Taylor	No	No	Yes	Also, change the name of Bickley back to its original name of Heidelberg, instead of trying to anglicize place names. History is history, and it should remain that way.
Terry Shuker	Yes	No	No	Kalamunda Sporting Precinct is too much of a mouthful, and too boring & stuffy. Just call it Kalamunda Ovals or something straightforward. Or call the whole area Kostera Oval since that what everybody already knows it as - and they will doubtless continue to call it that anyway.
Alan James	Yes	No	No	Kalamunda Sporting Precinct is a DREADFUL name ...and a misleading name as it implies all sorts of sports will be played there Best name is "The Ovals, Kalamunda" (NOT "The Kalamunda Ovals") ... the picturesque word "Ovals" correctly tells what sports are played there, and Kalamunda tells where ...
Lincoln Dunstan	Yes	No	Yes	Kalamunda Sporting Precinct; Is TOO boring and generic as to be some what meaningless. perhaps a name which geographically locates it ie Eastern Hills
Mike Burbridge	Yes	No	Yes	Don't think you can call it a sporting precinct as it doesn't include the pool or the BMX/skate park, or the tennis courts, bibbulmun track etc. I've no bright ideas but what about Kalamunda Sporting ARENA? Not terribly inspiring I know. I just don't want people to think the oval is all we've got!
Jamie	Yes	No	Yes	
Ivan Adriano	Yes	No	Yes	"Precinct" sounds American to me. I think the ovals should be well signposted to protect the historical names. At this stage I can't offer a better option for an overarching name. Maybe a logo could be designed for the final name.
Robin Hunt (nee Kostera)	Yes	Yes	Yes	As a member of the Kostera Family, it is important to me that the oval adjoining Recreation Road retains the name "Kostera Oval". My late family worked tirelessly for the Kalamunda Community. Use Kalamunda Sporting Precinct as an overarching name, but please keep Kostera Oval visibly named. Thank you
Nicholas Britton	Yes	No		Can we see the other options please?
Chris Jenny Lewis	Yes	Yes	Yes	Kalamunda Sporting Precinct sounds fine for the area. Glad to see historic names will be retained for the ovals.
Brian Kostera	Yes	Yes	Yes	I don't mind the whole area being called Kalamunda Sporting Precinct, but I believe strongly the individual names of the ovals should be retained and have visual signs representing the family history of the Kalamunda area. The work the families did for Kalamunda must be acknowledged and recognised.

7. As per the current Licence Agreement, the details have largely remained the same i.e.
 - KSHS will continue to have access of the shared facilities during school hours (8 am-4 pm) excluding school holidays and public holidays.

- SoK will continue to have access to the shared facilities at all times other than the times specified above
 - Community access to the shared facilities will remain the same.

Attachment 1	Draft Perth Hills Trails Loop Concept Design Report
Attachment 2	Report Appendices

PURPOSE

1. To consider the Draft Perth Hills Trails Loop Concept Design Report (Draft Report) for the purpose of seeking public comment (Attachment 1).

BACKGROUND

2. In 2012, the Shire of Kalamunda (SoK), in conjunction with the Shire of Mundaring (SoM) and the Department of Parks and Wildlife (DPAW) undertook the development of a Perth Hills Trails Master Plan (2013) to guide future trails provision across the Perth Hills.

3. The following resolution was carried by Council at the August 2013 OCM:

That Council:

Endorses the Perth Hills Trails Master Plan (Attachment 1);

Considers allocating \$25,000 in the 2014/2015 budget to undertake a detailed trails design for the development of the following trails:

- *Loop trail from Kalamunda, Bickley and Pickering Brook*
- *Link from Kalamunda to the Regional Reserves Heritage Trail*

Notes capital projects identified within the Perth Hills Trails Master Plan will be submitted to Council for determination of priorities for inclusion within the Long term Financial Plan and subsequent annual budget deliberation process.

4. The loop and link trails identified in the Draft Report will:
 - Create a link through the western end of the Helena Valley between the northern area of Kalamunda and the Mundaring Railway Reserve Heritage Trail, to enable a complete Mundaring to Kalamunda Loop Trail
 - Improve the link from Kalamunda to Bickley to Pickering Brook for walkers and cyclists
5. To assist in developing the above loop and link trail designs, the partnership between the SoM and DPAW was re-established and the SoK was successful in receiving Lotterywest funding of \$15,000 as well as receiving funding contributions from the SoM and DPAW.

-
6. Tredwell Consultants were subsequently engaged to develop the Draft Report and a presentation was given to Councillors on Monday the 15 February 2016. The Draft Report is now presented to Council to be received for the purpose of seeking public comment.

DETAILS

7. The research for a trail loop design which would link the two main towns and various localities, involved consideration of the following:
- Route development
 - Location and interpretative signage
 - Community and agency consultation
 - Construction costs and cost analysis
 - Trail construction standards
 - Classification and usage requirements
 - Management and maintenance plan
8. The key objective of the Draft Report was to improve the trail link between Kalamunda, Bickley and Pickering Brook areas and provide a link between Kalamunda and the Mundaring Railway Reserve Heritage Trail. By completing these links, new strategic loop trails would be developed, creating a unique trails experience in the Perth Hills.
9. The key challenges identified within the Draft Report that need to be addressed to ensure the continued sustainability of the trails network included:
- Unsustainability of some sections of the existing trails network;
 - Limited availability of trail information and in particular appropriate/standardised trail classifications to assist users in understanding the difficulty rating of certain trails;
 - Increasing popularity of recreational trail pursuits, particularly mountain biking, placing pressure on the existing trails network;
 - Increasing population growth within the Shires of Kalamunda and Mundaring and adjacent metropolitan Perth suburbs;
 - Clear gaps in the authorised network of existing trails, resulting in the development of unauthorised/informal network of trails;
 - Network of unsanctioned mountain bike trails developing in parallel with existing authorised trails network;
 - Inadequate provision of cycling facilities connecting important community facilities;
 - Inadequate provision of safe walking/cycling routes (on and off-road) connecting Kalamunda town centre and surrounding settlements;
 - Lack of management and maintenance plans to ensure trails are managed in a sustainable manner;
 - Recognition that there is also a need to protect environmental and cultural assets.

-
10. In response to the above challenges, the Draft Report suggested the following:
 - Strengthen the link between the Kalamunda Rail Heritage Trail and the Mundaring Rail Heritage Trail
 - Rationalise and strengthen the Mountain Bike trails between Kalamunda town centre and the existing Mountain Bike circuit (Kalamunda Circuit)
 - Rationalise and strengthen the trail link between Kalamunda Rail Heritage Trail and Pickering Brook
 - Rationalise and strengthen the trail link between Pickering Brook and the Munda Biddi Trail
 - Consider the realignment and rationalisation of sections of the Munda Biddi trail
 11. These development proposals are explained in more detail in Section 7 of the Draft Report.
 12. Prior to developing the above linkages, a number of land management and environmental approvals will be required and agreements put in place that clearly outline each of the land manager's responsibilities.
 13. Some of these responsibilities and approvals will include:
 - Trails development and maintenance
 - Signage and mapping
 - Environmental assessments
 - Trail management and risk assessment
 - Access to Public Drinking Water Supply Area (PDWSA)
 - Realignment of the Munda Biddi Trail
 14. The Department of Water (DoW) - Operational Policy 13: *Recreation within Public Drinking Water Source Areas on Crown Land*, was revised in 2012 and has major implications on the provision of trails within a significant portion of the Perth Hills Region. The policy outlines the following key conditions:
 - The recreation types and levels currently approved in the PDWSA's outer catchments are supported to continue
 - Existing recreational areas can be maintained or improved
 - New recreation facilities and recreation types will be located outside proclaimed PDWSA's. Noting that the "recreation types" in Policy 13 are subject to review at five yearly intervals along with the Policy
 15. The proposed link trail from Kalamunda to the Mundaring Rail Heritage Trail is outside of the PDWSA area and therefore does not require DoW approval. The remaining proposed link trails are all partially or fully inside the PDWSA area and will therefore be subject to an approval process.
 16. Although the proposed link between Kalamunda town and the existing Mountain Bike circuit is within the PDWSA, there is in principle support from the DoW and DPAW that this link trail needs to be sanctioned, to reduce the amount of informal trails in this area.
-

STATUTORY AND LEGAL CONSIDERATIONS

17. *Local Government Act 1995* Section 3.18 (c) - Effective Management of Local Government Services & Facilities.

POLICY CONSIDERATIONS

18. Department of Water - Operational Policy 13: Recreation within Public Drinking Water Source Areas on Crown Land.

COMMUNITY ENGAGEMENT REQUIREMENTS

19. A significant amount of community consultation was undertaken during the development of the Draft Report, including discussions being held with a variety of stakeholders and interest groups including;
- DoW
 - SoM
 - DPAW
 - Water Corporation
 - Bibbulmun Track Foundation
 - Munda Biddi Trail Foundation
 - Kalamunda Mountain Bike Collective
 - Darlington Residents and Rate payers Association
20. An on-line survey was also established, which received 391 responses. This was a very positive response and could be seen as an indication of the level of interest within the community for trails development.
21. The survey process identified the following four key issues with a rating of below average;
- The linkages between trails
 - The lack of amenities
 - Lack of security
 - Poor signage

FINANCIAL CONSIDERATION

22. The overall cost of implementing the Shire of Kalamunda's proposed trail developments and improvements outlined within the Draft Report is estimated between \$454,000 – \$605,000.
23. The Council's 10 year LTFP has an indicative amount of \$250,000 in 2016/17 however, it is proposed that any supported capital improvements shall be subject to further consideration as part of the annual budget deliberation process.
24. The Draft Report provides a staged approach for the project implementation that will be based upon priority trail development needs. These sections will be further refined as design details are progressed.

25. The priority for SoM is the link between Kalamunda and the Mundaring Rail Heritage Trail. The proposal is to develop a trailhead at Boya and a link trail through to Gooseberry Hill, which will require a bridge crossing over the Helena River. The estimated costs for these developments is between \$100,000 - \$140,000.

26.

Priority	Trail Sections	Cost Estimates
1.	Jorgensen Park Trailhead to Kalamunda Circuit	\$80,000 - \$110,000
2.	Zig Zag Cultural Centre to Jorgensen Park Trailhead	\$80,000 - \$100,000
3.	Gooseberry Hill Trailhead to Zig Zag Cultural Centre	\$80,000 - \$110,000
4.	Zig Zag Cultural Centre Trailhead to Kawina Road	\$35,000 - \$ 55,000
5.	Kawina Road to Pickering Brook Trailhead	\$90,000 - \$130,000
6.	Pickering Brook Trailhead to Lockwood Road	\$80,000 - \$100,000

27. The following external funding options have been identified to assist the Shire with implementing the priority sections of the trail designs:

- Lotterywest/Department of Sport and Recreation; – up to \$100,000 applications can be submitted all year round and a cash contribution is required.
- Tourism Western Australia; – Tourism Demand Infrastructure Program. Up to \$500,000 one funding round per year, matching cash contribution required.
- Regional Development Australia – Commonwealth grant program, up to \$10m with matching cash contribution required.

28. As the Perth Hills are considered to be the premier destination in WA for specific classes of trail users i.e. Mountain Biking, it is likely that this project will attract State and Federal funding and therefore should be considered to be part of the Shires funding advocacy programme.

29. There may be an opportunity to submit joint funding application with Mundaring Shire and DPAW where funding partners are encouraged, or it is a requirement of the funding body.

30. The Kalamunda Mountain Bike Collective (KMBC) have indicated they are willing to contribute towards the projects both financially and in-kind. The KMBC have a very strong volunteer base with over 700 active members, of which over 100 are registered with DPAW and responsible for trails maintenance.

31. The KMBC currently provide their own funds to maintain the existing Mountain Bike trail network connected to the Kalamunda Circuit, they are also very active in attracting grant funds for trails construction, planning and rehabilitation.

STRATEGIC COMMUNITY PLAN

Strategic Planning Alignment

32. *Kalamunda Advancing: Strategic Community Plan to 2023*

Strategy 2.3.3 Plan for the improvement and expansion of the existing shared pathways network to ensure a high quality and consistent network is provided for walking, cycling and recreational hiking.

SUSTAINABILITY

Social Implications

33. The provision of high quality and well maintained trails is essential in fostering a positive sense of community health and wellbeing.

Economic Implications

34. The positioning of the Perth Hills Region as the premier trails destination in Western Australia, has the potential to benefit the local economy through increased visitation and visitor spend.
35. Daytrip visitors to the region spend an average of \$107 per person with overnight visitors averaging \$233 per person.
36. By providing mountain bike riders with a connection to retail activity centres there is a greater likelihood of them and their families spending in the local economy as genuine daytrip visitors. The addition of 50,000 spending daytrip visitors would provide a total economic benefit to the local economy of \$8.27 million which would be an increase of 9.2% in tourism output and provide an additional 29 local jobs.

Environmental Implications

37. In recommending future trails development, the study has taken into consideration all PDWSA areas outlined within the DoW Policy 13. Where necessary, the relevant approvals and advice will be sought from the key stakeholders including the DPAW and DoW, to ensure that development only occur in accordance with their policies and guidelines.

RISK MANAGEMENT CONSIDERATIONS

The Draft Report may raise community expectations for trail development that may not be affordable in the near future.	Possible	Minor	Medium	Ensure the community is made aware that any new trail development will be subject to funding and budget availability.
Lack of adequate funding to complete the recommendations in the Draft Report.	Possible	Major	High	Ensure the project is staged and adequate planning is completed to ensure internal and external funding can be sourced.
The proposed trail linkages and rationalisation does not proceed and the current informal development and access to prohibited areas continues.	Possible	Major	High	Continue to lobby for the proposed trail developments in order to reduce the current risks from usage of unsanctioned trails.

OFFICER COMMENT

39. The Perth Hills Trails Master Plan (2013) vision is *"The Perth Hills will remain as a premier Trails destination in Western Australia through the provision of high quality, sustainable, well designed, diverse, and accessible and appropriately located trail networks"*.
40. Kalamunda is well recognised as the premier destination for mountain biking, the trails form the largest network of purpose built bike tracks in WA. Located in close proximity to Perth, they are frequently used by all level of riders, from children to professional competitors.
41. In the last decade, mountain biking has seen a rapid rise in popularity, over 50,000 riders have ridden the 30+ trails in the Kalamunda circuit network over a twelve month period. The sport is a healthy and sociable activity and its popularity has brought added benefits to the local community through retail spending and tourism.

-
42. The priorities identified in the Draft Report for Kalamunda and Mundaring Shire's are aimed to take advantage of the tourism and visitor spend by allowing trail users to stay and recreate for a few days on the trails. The maps and interpretations information placed in strategic locations, will direct visitors to the towns amenities and businesses.
43. The first priority for the SoK is the Kalamunda Circular Loop – (Link connecting Kalamunda town and Jorgensen Park with the Kalamunda Circuit). The reasons for this trail being the number one priority for the Shire of Kalamunda are as follows:
1. The key stakeholders all agree that this trail is a high priority
 2. The Kalamunda Mountain Bike Precinct or circuit, is a well-established trail network used extensively by Mountain Bikers of all ability levels.
 3. The establishment of a "sanctioned trail" linking Kalamunda town to the precinct will enable unsustainable and unsanctioned trails to be closed and rehabilitated.
 4. The new link trail would allow mountain bike riders to park their vehicles in Kalamunda Town Centre and ride to the precinct and back.
 5. The use of Kalamunda for the starting point for this trail would reduce the load on parking and on the facilities within the precinct eg: the Camel Farm.
44. This link will also provide us with what the report calls the "Kalamunda Circular Loop", linking Kalamunda - Pickering Brook - Munda Bidli – Kalamunda Circuit, then back to Kalamunda town centre.
45. In implementing the outcome of the report it is suggested that the following approvals be progressed as a high priority:
- DoW/Ministerial approval – formalisation/consolidation of existing trails within PDWSA
 - DPAW – upgrade of existing trails/tracks and new signage (environmental assessments)
46. In order to ensure the Draft Report meets the needs of the broader community, it is recommended the Draft Report be provided for a six week period of public consultation. This will include newspapers, social media, website and the SoK newsletter. The results of the public comment period will then be presented to Council for final consideration.

11.0 QUESTIONS BY MEMBERS WITHOUT NOTICE

12.0 QUESTIONS BY MEMBERS OF WHICH DUE NOTICE HAS BEEN GIVEN

12.1 Cr Dylan O'Connor – Travel Insurance Card from C&C 14 December 2015

Q. May I have an update on the decision regarding travel insurance being offered to elected members?

A. Advice from LGIS has confirmed that the Leisure Travel Insurance for Elected Members and their families can be removed and the policy amended at the time of policy renewal (30 June 2016). During the interim period the Shire may elect to discontinue the benefit at its request. It is recommended that the Shire of Kalamunda elect not to claim the travel insurance benefit for Elected Members and their families undertaking personal travel for the remainder of this financial year. In addition, the Shire will inform LGIS to remove the provisions relating to the Corporate Travel Insurance benefits for future years.

12.2 Cr Sue Bilich – Excessive hard copies

Q. Why is there so much printed paperwork on our desks in Chambers this evening? My understanding was Councillors received iPads in order to minimise having hard copies, and what will this additional paperwork cost?

A. The Chief Executive Officer noted the inclusion of Minutes to previous meetings alongside the Agendas this evening due to a request by a Councillor at the Audit & Risk Committee Meeting the previous week. Hard copies of Agendas had started to be supplied as a number of Councillors requested these.

The Chief Executive Officer has provided a break-down of these costs to Councillors.

John Stone said he is pleased with the way the modifications are working out and traffic flow is improved. 8.3 Enabling WIFI Access for Community Library Users

After discussion with the Shire IT department WIFI will not be installed for the community at Lesmurdie Community Library.

Two specific outcomes came out of the AER, by 30 June 2016 the SLWA van service must cease. There will be a 5% reduction and no CPI increase included in the 2016/17 and 2017/2018 allocations relating to non-digital material.
