Our Vision and Our Values

Our Vision

The Shire will have a diversity of lifestyle and people. It will take pride in caring for the natural, social, cultural and built environments and provide opportunities for people of all ages.

Our Core Values

Service – We deliver excellent service by actively engaging and listening to each other.

Respect – We trust and respect each other by valuing our difference, communicating openly and showing integrity in all we do.

Diversity – We challenge ourselves by keeping our minds open and looking for all possibilities and opportunities.

Ethics – We provide honest, open, equitable and responsive leadership by demonstrating high standards of ethical behavior.

Our Aspirational Values

Prosperity – We will ensure our Shire has a robust economy through a mixture of industrial and commercial development.

Harmony – We will retain our natural assets in balance with our built environment.

Courage – We take risks that are calculated to lead us to a bold new future.

Creativity – We create and innovate to improve all we do.

Attachment 1	Summary of Outstanding Rates for the period ended 28 February 2017

EXECUTIVE SUMMARY

1. This report is provided to Councillors under the requirement of the *Local Government Act 1995 & Local Government (Financial Management) Regulations 1996*.

BACKGROUND

2. Rates notices were issued on 11 July 2016 with the following payment options:-

Options	Payment Dates			
Full Payment	16 August 2016			
Two Instalments	16 August 2016	16 December 2016		
Four Instalments	16 August 2016	17 October 2016	16 December 2016	17 February 2017

3. A total of 23,571 Rate Notices were sent on 11 July 2016. Rates Levied & Collectable for the 2016/2017 financial year currently total \$32,229,348. Of this amount, \$30,557,255 has been collected as at 28 February 2017. This represents a collection rate of 92.70% which is below the collection rate on 95.47% in the 2015/16 financial year. The current lower collection rate is mainly due to the increased number of ratepayers opting for either the instalment or direct debit payment options. While the difference between the collection rates has been reduced in the last month, it is anticipated that the collection rate will continue to equalise by the end of March 2017.
4. A total of 9,242 ratepayers have taken up an instalment option so far. Of these, 1,924 took up the option to pay by two instalments and 7,318 took up the option to pay by four instalments.
5. Three additional services are available to better assist ratepayers in paying their amounts due. These are:
 - A Smarter Way to Pay – to date approximately 558 ratepayers have signed up.
 - eRates – to date there are 1,949 properties signed up for electronic delivery. This represents approx. 8% of the rates database;
 - BPay View – to date 158 ratepayers have signed up for this service.

6. Raising of Interim Rates for the 2016/17 financial year has begun with \$344,657 being raised to date. Interims will continue to be raised throughout the year.

DETAILS

7. There were ninety seven (97) properties with outstanding claims for the 2015/16 period and previous years that were put on hold pending the approval of the Debt Recovery Policy which was finalised in May 2016. Of these, forty seven (47) properties have now entered into a payment arrangement and the balance has been included in the Final Notice run and will be absorbed into the 2016/17 Debt Recovery process.
8. The Shire has begun debt recovery with the sending of a Final Notice to all accounts with a balance owing of more than \$300 where the account is not paying by instalments or a Direct Debit or other arrangement. The Final Notices were sent on 11 November and fell due on 25 November. While the response has been good, a Letter of Demand will be sent to those accounts not satisfactorily up to date on 10 March 2017.
9. There are now only two properties in the Shire with arrears since 2012/13 that are still outstanding. One property has been sent to the lawyers for a Property Seizure and Sales Order (PSSO) re-issued on the Land in line with the Council Debt Collection Policy. The other was contacted in January 2017 to request contact as a last effort before the PSSO-Land is issued. An amount of \$2,000 was paid towards the debt but further repayments and an attempt to come to a debt recovery arrangement have failed. The debt will now go through as a default and the collection process will resume. Councillors will be briefed before the bailiff places the properties on auction.

STATUTORY AND LEGAL CONSIDERATIONS

10. The Shire collects its rates debts in accordance with the *Local Government Act (1995) Division 6 – Rates and Service Charges under the requirements of subdivision 5 – Recovery of unpaid rates and service charges.*

POLICY CONSIDERATIONS

11. Nil.

COMMUNITY ENGAGEMENT REQUIREMENTS

Internal Referrals

12. Nil.

External Referrals

13. Nil.

FINANCIAL CONSIDERATIONS

14. The early raising of rates in July has allowed the Shires operations to commence without delays in addition to earning additional interest income.

STRATEGIC COMMUNITY PLAN

Strategic Planning Alignment

15. *Kalamunda Advancing: Strategic Community Plan to 2023*

OBJECTIVE 6.8 – To ensure financial sustainability through the implementation of effective financial management, systems and plans.

Strategy 6.8.4 Provide effective financial services to support the Shire's operations and to meet sustainability planning, reporting and accountability requirements.

SUSTAINABILITY

Social Implications

16. Debt collection can have implications upon those ratepayers facing hardship and the Shire must ensure equity in its debt collection policy and processes.
17. The Shire introduced "a smarter way to pay" to ease the financial hardship.

Economic Implications

18. Effective collection of all outstanding debtors leads to enhanced financial sustainability for the Shire.

Environmental Implications

19. The increase in eRates will contribute to lower carbon emissions as there is no printing and postage involved.

RISK MANAGEMENT CONSIDERATIONS

20.

Risk	Likelihood	Consequence	Rating	Action/Strategy
The Shire is exposed to the potential risk of the ratepayer failing to make payments which it is obligated to do. This will result in the disruption of cash flows and increased collection costs.	Possible	Significant	High	Ensure debt collections is rigorously managed.

OFFICER COMMENT

21. The Shire's debt collection strategy has proven to be very effective with a 97.79% collection rate in the 2015/16 financial year. While it is noted that the February 2017 collection is lower than last year's comparative rate, it is hoped that there will be a catch up by end March 2017 with the finalisation of Direct Debits and Debt Recovery Letters.

Voting Requirements: Simple Majority

OFFICER RECOMMENDATION (C&C 18/2017)

EXECUTIVE SUMMARY

1. The Shire of Kalamunda has three applications to consider as part of the Department of Sport and Recreation's (DSR) Community Sport and Recreation Facilities Fund (CSRFF) Small Grants (winter round).
2. The highest priority is an internal funding application for the development of a Master Plan for Maida Vale Reserve, located on Ridge Hill Road, Maida Vale.
3. The second and third priority projects are external funding applications from the Forrestfield & Districts Bowling Club, to replace one existing grass bowling greens with a synthetic surface, and the Range View Park Tennis Club to upgrade existing tennis courts.
4. It is recommended Council support the prioritisation of the three applications for funding through the DSR's CSRFF program.

BACKGROUND

5. Through the CSRFF program, the State Government provides financial assistance to community groups and local government authorities to develop basic infrastructure for sport and recreation. The program aims to increase participation in sport and recreation with an emphasis on increasing physical activity through the provision of well-planned facilities.
6. All applications for the 2017/2018 Small Grants round are to be received by DSR by 31 March 2017 for assessment.
7. Successful applicants will be advised in May 2017, with funds to be expended by 30 June 2018.
8. The maximum CSRFF grant will be no greater than one third of the total estimated project cost.
9. There is no obligation on the local government authority to make any contribution to a project.

DETAILS

10. **Maida Vale Reserve Master Plan (MVMP)**

The key factors providing the catalyst for the development of a Master Plan for Maida Vale Reserve include:

- a. An increasing number of requests from user groups to improve, upgrade or build facilities and improve the lighting.
- b. Increasing usage demands on the reserve, which can negatively impact the standard of the playing surfaces.
- c. The need to undertake a coordinated approach towards any future developments within Maida Vale Reserve.
- d. A need to investigate potential options to maximise the efficient usage of the existing grounds/facilities and unused outdoor netball courts.

11. The MVMP will aim to provide strategic direction and guidance, together with a detailed concept design for the future development of Maida Vale Reserve over the next 10-20 years.

12. In particular the MVMP will:

- a. Identify the overall usage and future capacity of the entire site
- b. Identify any power, water supply and environmental constraints
- c. Provide a detailed needs and feasibility study
- d. Provide design/layout features of potential upgrades with cost estimates
- e. Identify sports lighting and car parking requirements.

13. The proposed cost contributions are as follows:

Organisation	Contributions ex GST
CSRFF	\$16,666
Shire of Kalamunda	\$33,334
Total Project Cost	\$50,000

14. **Forrestfield & Districts Bowling Club (FDBC)**

FDBC have submitted an application requesting financial assistance through the CSRFF funding program for the replacement of one grass bowling green with a synthetic green.

15. The synthetic surface will ensure FDBC is meeting the same facility standards as other bowling clubs and therefore put them in a more competitive market by meeting the current bowling industry trends.

16. FDBC membership numbers over the past three years are as follows:

2014/15	105	2015/16	110	2016/17	118
----------------	-----	----------------	-----	----------------	-----

17. The synthetic surface will assist FDBC in remaining viable in the longer term by:
- Reducing general maintenance time for volunteers (currently spending numerous hours maintaining two grass greens)
 - Significantly reducing watering costs (68 KI per week/green, approx. \$7,000 p/a)
 - Significantly reducing use of fertilisers, oils, pesticides/fungicides
 - Reducing equipment costs – repairs, servicing, replacement costs, hire of contractor costs
 - Extending the life of existing Green B
18. A synthetic green would help ensure FDBC is a sustainable, competitive club, reducing environmental impact, providing all year round access and providing the club with an appealing facility for members and the overall community.
19. The proposed cost contribution is as follows:

Organisation	Contributions ex GST
CSRFF	\$61,016
Shire of Kalamunda	\$61,016
Forrestfield & Districts Bowling Club	\$61,016
Total Project Cost	\$183,048

20. **Range View Park Tennis Club (RVTC)**
RVTC have submitted an application through the CSRFF funding program to resurface all four tennis courts, complete exterior fencing and install a concrete barrier under the fence line.
21. All four courts at RVTC were last resurfaced in 2005 with the club completely financing the project following an unsuccessful CSRFF application. Two of the courts were then resurfaced in 2011, with the club again financing the project.
- The courts are now cracking and in need of resurfacing, the club has recently financed some fencing upgrades and wishes to complete the fencing and resurfacing of the 4 courts to improve safety for players. The resurfacing works will include treatment to fill the cracks with acrylic mortar and/or polyurethane, followed by a fibreglass membrane and fibreglass filler.
22. RVTC membership numbers over the past three years are as follows:
- | | | | | | |
|----------------|----|----------------|----|----------------|----|
| 2014/15 | 64 | 2015/16 | 82 | 2016/17 | 90 |
|----------------|----|----------------|----|----------------|----|
23. The project will also allow the club to remain competitive within the sporting market by providing an updated facility that will attract both new members and casual members to the courts

24. The proposed cost contribution is as follows:
Note: The additional RVTC contribution of \$1,833 is for donated materials.

Organisation	Contributions ex GST
CSRFF	\$12,460
Shire of Kalamunda	\$12,460
Range View Park Tennis Club	\$14,293
Total Project Cost	\$39,213

External Referrals

28. The Shire has received numerous comments from user groups located at Maida Vale Reserve, specifically regarding the lack of a future direction for the site. A further forum was held with representatives from two of the major user groups whereby issues were discussed and a request made for a long term planning approach at Maida Vale Reserve.
29. Should any of the CSRFF funding applications be successful, the Shire would engage all the relevant user groups and other relevant stakeholders as part of the consultation process.

FINANCIAL CONSIDERATIONS

30. The Shire's contribution towards the proposed projects will be dependent on the outcome of the CSRFF applications and are to be considered as part of the 2017/2018 annual budget.
31. The MVMP is the only project identified in the Long Term Financial Plan (LTFP), with \$60,000 currently identified for the 2019/20 financial year.
32. The FDBC and RVTC projects have not yet been considered for inclusion in the LTFP.
33. In the event Council is not in a position to support a successful external CSRFF funding application, the clubs will have the option to increase their contribution.

34. A summary of the three applications proposed financial contributions (Ex GST) is shown in the table below:

	MVMP	FDBC	RVTC
SoK	\$33,334	\$61,016	\$12,460
CLUB	N/A	\$61,016	\$14,923
CSRFF	\$16,666	\$61,016	\$12,460
TOTAL	\$50,000	\$183,048	\$39,213

OFFICER COMMENT

42. DSR requires all CSRFF applications to be assessed by each local government authority and then ranked according to the local government's priority. It should be noted, there is no obligation on the Shire to support a project.
43. A summary of each application in relation to the proposed projects is now provided in priority order.
44. **Maida Vale Reserve Master Plan**
The development of a Master Plan for Maida Vale Reserve has been ranked as the first and highest priority.
45. The need to undertake the development of a Master Plan for Maida Vale Reserve has been raised in various discussions with the user groups. The discussions highlighted the need to improve the existing facilities and take a coordinated, long term approach to future upgrades and developments at the reserve.
46. It should be noted the Community Facilities Plan supported the need for a Master Plan for the redevelopment of Maida Vale Reserve to a District Level Sporting Ground as the reserve increasingly caters to a much wider population catchment.
47. The importance of Master Plans in determining the future needs and feasibility of capital infrastructure cannot be overstated. In addition to providing the Shire with a long term strategic approach to capital investment they also:
- Identify multi-use and co-location opportunities
 - Identify participation/usage trends and access/inclusion issues
 - Identify levels of community benefit (health & wellbeing)
 - Determine the adequacy and availability of existing and surrounding facilities
 - Provide a sound basis for obtaining external funding opportunities
48. The development of a Master Plan was deemed the highest priority due to the broad community benefits and sustainability implications of developing a long term Master Plans.

-
49. **Forrestfield & Districts Bowling Club**
FDBC are keen to meet the current bowling trends and upgrade one existing green to a synthetic surface. The new surface will ensure the Club is meeting the same facility standards as other bowling clubs and therefore put them in a more competitive market.
50. The synthetic surface will assist the club in remaining viable in the longer term by extending usage times all year round.
51. Installing a synthetic green will assist in:
- Reducing general maintenance time for volunteers, who currently spend numerous hours maintaining both grass greens
 - Significantly reducing watering costs by 68Kl per week for each green
 - Significantly reducing use of electricity, fertilisers, oils, pesticides/fungicides
- Together, these reductions will considerably reduce the environmental footprint.
52. **Range View Park Tennis Club**
RVTC has seen a significant increase in membership over the last five years with combined junior and senior membership increasing by 45% over this period. The need to provide quality and useable facilities is of great importance and will assist with the ongoing sustainability and membership growth.
53. RVTC is the only tennis club serving the High Wycombe community, the next closest club is based in Maida Vale. High Wycombe is a high growth area with the current population at just over 13,000 and the suburb predicted to grow by 10% over the next 20 years.
54. RVTC has recently financed fencing upgrades to the amount of \$19,492 with the club now wishing to complete the remaining work to improve safety for players.
55. In conclusion, the MVMP was selected as the first and highest priority as it is the only project identified within the LTFP and due to the need for a coordinated long term planning approach for multiple user groups located at the reserve. Having a Master Plan will reduce the likelihood of a piecemeal approach to future facility and reserve development.
56. The FDBC project was chosen as the second priority due to the environmental and economic benefits of replacing a grass green with a low maintenance alternative that will enable the club to remain competitive. The new green will also increase participation and provide additional operational revenue to help offset the future replacement costs of the synthetic surface.
57. The RVTC application was ranked third, as resurfacing sports surfaces are considered by DSR as a low priority for funding, as it is expected that clubs will budget for this cost over 6 to 10 years.
-

58. It is intended that a new policy shall be developed to guide future Capital Grants to Clubs and Community Groups which will include the following key principles:
- All Capital funding requests will be required to be prioritised through the Long Term Financial Plan and budget planning cycle
 - Capital funding will not be provided outside of this process or within the financial year that the application was made.
- The policy will also include a focus upon key priorities such as:
- Shared Use
 - Strategic Alignment
 - Community Benefit
 - Other Funding
- At the time of preparing this report the new policy is yet to be completed and the current CSRFF applications have been reviewed using the existing evaluation process.

OFFICER RECOMMENDATION (C&C 20/2017)

That Council:

1. Endorses the following internal and external applications for the Department of Sport and Recreation's 2017/2018 Community Sport and Recreation Facilities Small Grant Fund, in the following priority order:
 1. Maida Vale Reserve Master Plan
 2. Forrestfield Bowling Club
 3. Range View Club Tennis Club
2. Notes in the event of a successful Community Sport and Recreation Facilities Fund application, the following cost contributions (Ex GST) will be required to be considered as part of the 2017/2018 annual budget deliberation process:

	SoK	CLUB	CSRFF
MVMP	\$33,334	N/A	\$16,666
FDBC	\$61,016	\$61,016	\$61,016
RVTC	\$12,460	\$14,293	\$12,460
TOTAL	\$106,810	\$75,309	\$90,142
3. Request the CEO to develop a new policy that will guide future Capital Grants to Clubs and Community Groups.

Attachment 1 Revised Terms of Reference

EXECUTIVE SUMMARY

1. To consider proposed amendments to the Terms of Reference for the Disability and Carers Advisory Committee (DACAC) and to appoint new members to the committee.
2. The Shire of Kalamunda has a DACAC whose purpose is:

‘To advise and make recommendations to Council, on a range of strategic issues which affect the quality of life of people with a disability, their families and carers living in, and visiting, the Shire of Kalamunda.
3. **Amendments to Terms of Reference**
 - (i) **Objectives**

As the Shire of Kalamunda is no longer providing services to WA National Disability Insurance Scheme (NDIS) consumers, it is recommended to remove current 3.1.4 and replace it with a broader objective with respect to disability and improvement of access.
 - (ii) **Membership**

The membership criteria has been very prescriptive and consequently it has been difficult to attract suitable nominees to the committee. This report recommends:
 - A more flexible approach to the membership criteria to enable a broader representation of people with a disability, or people who have experience and interest in access and inclusion of people with a disability, to nominate for membership on the DACAC.
 - A senior staff member attends the meeting to provide advice and guidance to the committee, however in order to avoid any conflict of interest, that officer should not have a voting right.
4. The proposed revised Terms of Reference provides for:
 - Up to five community representatives with a disability or who have an interest in and passion for, access and inclusion of people with a disability to apply for membership on the committee
 - Up to two organisations providing services to people with a disability

5. **Appointment of new Members**
Current members of the committee have sourced the following nominations from suitably experienced people to apply for membership:
- Michael Serjeant - parent and carer of a person with disability, member of Peer-to-Peer Network and Valued Lives
 - Peter Bolden – parent and carer of a person with disability
 - Evan Williams, Regional Manager South Therapy Focus – Organisation providing services to people with a disability
6. This report recommends Council endorse the revised Terms of Reference as per Attachment 1 and approves the appointment of the new members.

BACKGROUND

7. At the Ordinary Council Meeting held 23 May 2016, Council approved changes to Terms of Reference for Disability and Carers Advisory Committee (DACAC) and appointed a new member to the DACAC.
8. The current Terms of Reference allow for a total membership of nine, comprising:
- One Councillor
 - One Shire of Kalamunda staff member
 - Up to two community members living with disability
 - Up to two community members that are carers of people with a disability
 - Up to three representatives from local organisations providing services to people with a disability within the Shire of Kalamunda

DETAILS

9. **Amendments to Terms of Reference**
(i) Objectives
- As the Shire of Kalamunda is no longer providing services to WA National Disability Insurance Scheme (NDIS) consumers, it is recommended to remove 3.1.4 which reads:
- 'Considering issues relevant to supporting and promoting WA National Disability Insurance Scheme (NDIS) and other support services that assist people to achieve the goals of their lifestyle plan.'*
10. Replace 3.1.4 with the following objective:
- Provide advice and recommendations to Council in respect to disability, disability services and improvement of access.*
11. **(ii) Membership**
- The Shire of Kalamunda has advertised widely to fill the vacant positions on the committee but has not been able to do so as prescribed within the current terms of reference.

12. A change to the membership requirements would allow a wider representation of people who have personal experience of disability or who are passionate about the area of disability to be represented on the committee.
13. The Shire staff member on the committee currently has voting rights, however it is proposed that the staff member allocated to the committee should no longer be granted voting rights in order to avoid conflict of interest. This change would allow an extra community member to join the committee.
14. The proposed revised Terms of Reference provides for:
 - Up to five community representatives with a disability or who have an interest in and passion for, access and inclusion of people with a disability to apply for membership on the committee
 - Up to two organisations providing services to people with a disability
15. **Appointment of new Members**

Appointment of Michael Serjeant, Peter Bolden and Evan Williams would fill all vacancies on the committee.

EXECUTIVE SUMMARY

1. The Shire is required under the West Australia Disability Services Act to develop and implement a Disability Access and Inclusion Plan (DAIP) to ensure people with disability have equal access to its facilities and services.
2. The Shire's DAIP is updated every five years, and is reviewed and reported annually to the Disability Services Commission (DSC).
3. The Shire's current DAIP covers the period from 2012/2017 and therefore during 2016/2017 a review was undertaken in consultation with key stakeholders to draft a new plan to guide further improvements to access and inclusion.
4. This report requests Council to endorse the draft DAIP 2017/2022 being:
 - Presented to the DSC for preliminary assessment
 - Made available for a period of public comment.
5. Following the 21 day public comment period Council will be requested to endorse the DAIP 2017/2022 so the plan can be lodged with DSC by July 2017.

BACKGROUND

6. As members of our community, people with disability and their families and carers have the same rights as other people to access buildings, facilities, services and information within the community. These rights are built into State and Commonwealth legislation which make it unlawful to discriminate against a person with disability.
7. Public authorities in Western Australia have been required to have Disability Service Plans (DSPs) as part of the *Disability Services Act (1993)*. DSPs have been in place since that time, and a great deal of progress has been made by state and local governments towards ensuring their services, buildings, and information are accessible to people with disability.

8. The Disability Services Act (1993) was amended in December 2004, and now requires public authorities to develop and implement DAIPs. The requirements of DAIPs build on those of DSPs, so people with disability can access services provided by public authorities in WA in a way that promotes their independence, opportunities and participation in the community.
9. The Western Australia Disability Services Act requires all Local Governments to develop and implement a DAIP to ensure people with disability have equal access to its facilities and services.
10. The Shire's DAIP is updated every five years. The plan is reviewed annually and a report is submitted to the DSC.
11. In 2016/2017 the Shire undertook a review of the DAIP 2012/2017 in consultation with key stakeholders to draft a new DAIP which will guide further improvements to access and inclusion.
12. The process included a review of the DAIP 2012/2017 (to identify achievements, gaps and areas which require ongoing development), other documentation and current legislation, as well as developing trends and best practice in access and inclusion.
13. During the five year period of the current DAIP 2012/2017 achievements included:
 - Access improvements to Shire facilities, buildings, parks and playgrounds
 - Installation or improvement of public accessible toilets
 - Installation of accessible ramps
 - Upgrade of footpaths
 - Improvement of access to Kalamunda Arts and Craft Wagon
 - Delivery of disability awareness training to Shire Councillors, management and staff
 - Annual review of DAIP and submission of report to Disability Services Commission
 - Improvement of ACROD parking facilities
 - Review of Disability Access and Inclusion Advisory Committee resulting in change of name to Disability and Carers Advisory Committee and changes to the terms of reference to increase representation on the committee
 - Improvement of access at Kalamunda Water Park
 - Celebration of International Day of People with Disability and Disability Awareness Week
 - Disability awareness workshops for young people, followed by an Inclusive Picnic in the Park where young volunteers put their new-found skills into practice
 - Partnerships with Kalamunda Education Support Centre (Senior & Primary) including an environmental volunteering project to enable students to participate in Duke of Edinburgh award programmes
 - Development of accessible website
 - Raising awareness of people with disability
 - Participation in You're Welcome WA Access Project
 - Registration as partner in the Companion Card Scheme

DETAILS

14. The DAIP must contain seven outcomes which are prescribed by Disability Services Act.
- **Outcome 1:** People with disability have the same opportunities as other people to access the services of, and any events organised by, the Shire of Kalamunda
 - **Outcome 2:** People with disability have the same opportunities as other people to access the buildings and other facilities of the Shire of Kalamunda
 - **Outcome 3:** People with disability receive information from the Shire of Kalamunda in a format that will enable them to access the information as readily as other people are able to access it.
 - **Outcome 4:** People with disability receive the same level and quality of service from the staff of the Shire of Kalamunda
 - **Outcome 5:** People with disability have the same opportunities as other people to make complaints to the Shire of Kalamunda
 - **Outcome 6:** People with disability have the same opportunities as other people to participate in any public consultation by the Shire of Kalamunda
 - **Outcome 7:** People with disability have the same opportunities as other people to obtain and maintain employment with the Shire of Kalamunda
15. Strategies arising from review and consultation are included in the plan under each outcome. An internal working action plan will be developed to assist staff to implement the plan.
16. Implementation of the DAIP is the responsibility of all areas of the Shire. The *Disability Services Act (1993)* requires public authorities to take all practical measures to ensure that the DAIP is implemented by its officers, employees, agents and contractors.
17. The term 'people with disability' is prescribed for the seven (7) DAIP outcome statements in the *Disability Services Act 1993* (amended 2004). The Shire has retained this language throughout the DAIP for consistency, however, the Shire recognises that some people have preferences for other language such as 'people living with disability' or 'people with disabilities'.

STATUTORY AND LEGAL CONSIDERATIONS

18. The following State and Federal legislation is applicable to disability access and inclusion:
- The Disability Services Act (Fed) 1986
 - The Disability Services Act (WA) 1993 – amended 2004
 - The Disability Services Amendment Act (WA) 1999
 - The Disability Services Amendment Act (WA) 2004
 - The Disability Discrimination Act 1992
 - The Equal Opportunities Act (WA) 1984

COMMUNITY ENGAGEMENT REQUIREMENTS

Internal Referrals

20. Discussions undertaken with specific Shire business units and staff in relation to DAIP consultation, development and implementation.

External Referrals

21. Consultation with Councillors, professionals, staff, consumers and the wider community.
22. The following research and consultation methods were used:
- Desk top review of current best practice
 - Promotion of review on the website inviting comment
 - Surveys in hard copy and electronic versions allowing community members to comment were made available for a period of eight weeks
 - Consultation with Councillors, staff and community members
 - Newspaper advertising in Kalamunda Reporter and Hills Gazette on 15 November 2016 and 16 December 2016
 - Targeted consultation with Peter Anderton Centre consumers through one to one interviews
 - WA Access and Inclusion network (representatives from local governments and the DSC)
23. The draft DAIP was also presented to the Disability and Carers Advisory Committee (DACAC) at an extraordinary meeting on 28 February. The DACAC accepted the draft with a number of minor amendments.

FINANCIAL CONSIDERATIONS

24. Council allocates \$20,000 annually to support access improvement projects.
- Larger projects arising from the DAIP will require assessment during future budget planning processes.

| The draft DAIP is ineffective | Unlikely | Moderate | Low | DAIP subject to community consultation |

OFFICER COMMENT

32. Subject to Council endorsement, the draft DAIP 2017/2022 will be available for public comment for a period of 21 days.
33. The draft DAIP 2017/2022 will also be submitted to the DSC for comment and approval during this time.
34. The final plan will take into account and address feedback from both of the above prior to being presented to Council again for final endorsement.
35. The final DAIP 2017/2022 must be submitted to DSC before the 30 July 2017.
36. The DAIP will be supported internally by an action plan to assist staff with prioritisation of work to improve access in the Shire. Progress will be reported through the DACAC twice yearly, and to the Disability Services Commission annually.
37. Considering the level of consultation undertaken when developing the draft DAIP, officers are recommending a public comment period of 28 days.

Disability Access and Inclusion Plan - Survey Findings (January 2017)

In 2016 the Shire of Kalamunda invited the Disability and Carers Advisory Committee, staff and wider community to complete a survey to indicate their satisfaction levels under the seven outcomes prescribed by the Disability Services Commission for inclusion in Disability Access and Inclusion Plans. The surveys were available to the community for a period of 10 weeks and included questions on the following areas:

Outcome 1: People with disability have the same opportunities as other people to access the services of, and any events organised by, the Shire of Kalamunda
[Services, events, information sessions or workshops, activities, transport, sport and recreation activities](#)

Outcome 2: People with disability have the same opportunities as other people to access the buildings and other facilities of the Shire of Kalamunda

Data Analysis

Feedback was received from a total of 41 people. This included 26 people completing surveys, 13 being interviewed face to face and two making comment through email.

All data was entered using Survey Monkey, extracted into Excel for analysis and the following figures highlight the main issues raised. It should be noted that as the sample size is relatively small, the percentages should be cross-referenced with the number of responses to give a more accurate picture.

Figure 1. Percentage of responses of people's satisfaction with the condition and accessibility of footpaths within the Shire of Kalamunda. Very Satisfied 0 (0%), Not Satisfied 14 (82%), Neutral/Not sure 1 (6%), Not Rated (No contact) 2 (12%).

Figure 1. This shows there is a significant level of dissatisfaction with the condition and accessibility of footpaths. Nobody reported they were satisfied and 18% were neutral or made no comment. Uneven footpaths or pathways littered with honkey nuts are a recognised trip hazard.

Figure 2. Percentage of responses of people's satisfaction with ramps providing access for gophers or wheelchairs into the Shire's buildings, facilities or from pathways to the road. Very Satisfied 1 (5%), Not Satisfied 5 (26%), Neutral/Not sure 6 (32%), Not Rated (No contact) 7 (37%).

Figure 2. Shows that 26% of people surveyed were not satisfied with ramps providing access for gophers or wheelchairs into the Shire's buildings, facilities or from pathways to the road. The majority were neutral or made no comment so may not use a gopher or wheelchair or have experience.

Figure 3. Percentage of responses of people's satisfaction with toilets and accessible changing rooms for people with disability. Very Satisfied 2 (12%), Not Satisfied 10 (59%), Neutral/Not sure 3 (17%), Not Rated (No contact) 2 (12%).

Figure 3. Shows that the majority of people were not satisfied with toilets and accessible changing facilities for people with disability and that this is an area for improvement.

Figure 4. Percentage of responses of people's satisfaction with access to buildings. Very Satisfied 7 (39%), Not Satisfied 7 (39%), Neutral/Not sure 2 (11%), Not Rated (No contact) 2 (11%).

Figure 4. Shows an even spread of responses between very satisfied and not satisfied. Comments will reflect personal experience of the individual who may have limited exposure to buildings depending upon the area in which they live and what their interests may be. Access to Shire buildings and facilities has been gradually upgraded and will be an ongoing process.

Figure 5. Percentage of responses of people's satisfaction with parking for people with disability. Very Satisfied 6 (35%), Not Satisfied 6 (35%), Neutral/Not sure 2 (12%), Not Rated (No contact) 3 (18%).

Figure 5. Shows an even spread of responses between very satisfied and not satisfied. Comments will reflect personal experience of the individual depending upon the area in which they live and what their interests may be.

Figure 6. Percentage of responses of people's satisfaction with transportation. Very Satisfied 5 (29%), Not Satisfied 3 (18%), Neutral/Not sure 2 (12%), Not Rated (No contact) 7 (41%).

Figure 6. The somewhat mixed response to this question could be due in part to the inclusion of all types of transportation, including public transport and transport which is provided through Community Care or other providers. The high percentage selecting neutral or making no comment may indicate that they have not had the need to access transport services.

Figure 7. Percentage of responses of people's satisfaction with the accessibility of the Shire's website. Very Satisfied 9 (53%), Not Satisfied 5 (29%), Neutral/Not sure 1 (6%), Not Rated (No contact) 2 (12%).

Figure 7. Shows a reasonably high level of satisfaction with the Shire's website, however there is still clearly room for improvement and further feedback as to specific issues may be helpful.

Figure 8. Percentage of responses of people's satisfaction with information received from or presented by the Shire. Very Satisfied 10 (59%), Not Satisfied 4 (23%), Neutral/Not sure 1 (6%), Not Rated (No contact) 2 (12%).

Figure 8. Shows a reasonably high level of satisfaction with information received from or presented by Shire of Kalamunda which may indicate the involvement of the PR department in most publicly presented information is having a positive impact.

Figure 9. Percentage of responses of people's satisfaction with the service they received from Shire staff. Very Satisfied 10 (59%), Not Satisfied 0 (0%), Neutral/Not sure 4 (23%), Not Rated (No contact) 3 (18%).

Figure 9. Shows a reasonably high level of satisfaction with the service they received from Shire staff. No one reported that they were not satisfied. Shire staff and Councillors have been presented with opportunities to participate in Disability Awareness Training to improve skills and confidence when interacting with people who have a disability. Training will be ongoing.

EXECUTIVE SUMMARY

1. This report provides information to enable Council to consider progressing towards the development of a Reconciliation Action Plan (RAP).
2. A RAP is recognised as a significant commitment towards building better awareness, understanding and relationships between the wider Australian community and Aboriginal and Torres Strait Islander people for the benefit of all Australians.
3. A key aspect of developing a RAP is involving the Aboriginal and Torres Strait Islander community in decision-making and activities.
4. As the current level of knowledge and engagement with the local Aboriginal and Torres Strait Islander community is limited, this process would require a degree of preliminary work before progressing to the development of a RAP.
5. This report recommends including a resource allocation in the 2017/2018 budget deliberations for an external consultant to undertake a programme of structured research and engagement for reconciliation action planning which would inform future decisions regarding the potential need for, and development of, a RAP for the Shire of Kalamunda.

BACKGROUND

6. Reconciliation Australia is an independent, national not-for-profit organisation promoting reconciliation by building relationships, respect and trust between the wider Australian community and Aboriginal and Torres Strait Islander people.
7. Since 2006 Reconciliation Australia has managed a RAP program to assist organisations develop plans to help them build better relationships between the wider Australian community and Aboriginal and Torres Strait Islander people for the benefit of all.
8. Eleven WA local governments now have RAPs (Bassendean, Belmont, Cockburn, Greater Geraldton, Mandurah, Melville, Narrogin, Port Hedland, Rockingham, Stirling and Wanneroo). Source: www.reconciliation.org.au

The Western Australian Local Government Association (WALGA) is also currently working towards developing a RAP.

9. In January 2015, the Shire undertook preliminary research into the RAP process but, with local government reform pending, any further action was deferred as it was anticipated that Kalamunda would be incorporated into the City of Belmont's existing RAP.

Since the State Government abandoned local government reforms in 2016, the Shire is now reviewing the opportunity to recognise the Aboriginal and Torres Strait Islander people in our community and further build positive relationships.

10. Council was provided with an initial overview of Reconciliation Action Planning at an informal briefing in November 2016.
11. More recently in February 2017, Council endorsed the Hartfield Park Redevelopment Project, inclusive of an Aboriginal Cultural Heritage Management Plan requiring the Shire to enter into a Reconciliation Action Plan with the Whadjuk Noongar people and other Noongar consultants.

DETAILS

12. Based on the 2011 Australian Bureau of Statistics Census, the demographic profile for the Shire of Kalamunda identifies an Aboriginal and Torres Strait Islander population of 923 which equates to 1.7% of the total population. The average for Greater Perth is 1.6% and for Western Australia it is 3.1%.

The distribution by suburb is as follows:

Suburb	ATSI population (number)	ATSI population (%)
Forrestfield	338	2.9%
High Wycombe	294	2.5%
Lesmurdie	78	1.0%
Wattle Grove	65	1.6%
Maida Vale	55	1.2%
Kalamunda	46	0.7%
Rural East	32	1.0%
Gooseberry Hill	15	0.4%
Total	923	1.7%

Source: ABS, Census of Population and Housing 2011. Compiled and presented in profile.id by .id

13. A RAP is a business plan that documents what will be done by an organisation to contribute to reconciliation in Australia. It formalises a contribution by identifying actions, timelines, responsibilities and targets in three areas:
- Relationships
 - Respect
 - Opportunities

14. There are a number of 'minimum' elements that must be completed by an organisation in order for their RAP to be endorsed by Reconciliation Australia. These vary depending on which of the four levels aimed for (Reflect, Innovate, Stretch and Elevate), but all include:

- Establishment of a working group or Committee under the Local Government Act (with Aboriginal and Torres Strait Islander membership)
- Use of the RAP template
- A vision for Reconciliation
- Minimum elements and types of actions
- Timelines and targets for each action
- Commitment to annual reporting

There are also formal tracking/reporting requirements such as endorsement, launch, reporting annually to Reconciliation Australia and refreshing the RAP every two years.

STATUTORY AND LEGAL CONSIDERATIONS

15. There are currently no legal requirements for an organisation to have a RAP.

POLICY CONSIDERATIONS

16. Nil.

COMMUNITY ENGAGEMENT REQUIREMENTS

Internal Referrals

17. Council received an informal briefing on RAP in November 2016.

External Referrals

18. The process of developing a RAP will involve extensive community consultation with a range of community representatives and relevant service providers and partners.

FINANCIAL CONSIDERATIONS

19. Securing an external service provider to undertake the preliminary research and engagement outlined in this report is estimated to cost \$20,000.
20. Any subsequent development of a RAP, implementation, ongoing committee administration and reporting requirements would be additional to this, and would also need to include an allocation for staff time and external support.

STRATEGIC COMMUNITY PLAN

Strategic Planning Alignment

21. *Kalamunda Advancing: Strategic Community Plan to 2023*

OBJECTIVE 2.1: To stimulate active participation of the broader community in artistic practice through collaborative cultural development.

Strategy 2.1.3 Support existing cultural activities and provide opportunities to establish new initiatives for community cultural activities in partnerships with community groups, arts groups and networks.

SUSTAINABILITY

Social Implications

22. Connecting to the local Aboriginal community will create opportunities for greater participation in Shire initiatives, operations and employment as well as encouraging harmonious relationships between Aboriginal and Torres Strait Islander people and the wider community.
23. The development of a RAP will recognise the importance of meaningful engagement, mutual respect, creating trust and utilising culturally appropriate practices and protocols to fully understand the needs of local communities and to develop positive outcomes.

Economic Implications

24. Establishing a working group including the local Aboriginal community and developing a RAP will assist with consultation requirements for major development projects and with Section 18 Aboriginal heritage clearances.

Environmental Implications

25. Nil.

RISK MANAGEMENT CONSIDERATIONS

- 26.
- | Risk | Likelihood | Consequence | Rating | Action/Strategy |
|---|------------|-------------|--------|--|
| A Reconciliation Action Plan is not progressed and the Shire does not have a strategic direction in relation to our aboriginal community. | Possible | Moderate | Medium | Review and revise actions in line with Council's preferred direction |

OFFICER COMMENT

27. A key aspect of any form of reconciliation action planning, formal or otherwise, is involving the Aboriginal and Torres Strait Islander community in decision-making and activities. A willingness by this community to participate in the process is therefore essential from the outset.
28. As organisations can choose whether or not they commit to a formal RAP, identifying the level of appetite or perceived need amongst the wider community may also be helpful in identifying appropriate levels of activity.
29. Many positive actions (primarily relating to recognition and celebration) contributing towards reconciliation, are possible with, or without, a formal RAP and there are good examples of both in a local government context.
30. It is possible that, without a formal RAP or similar level of engagement or good relations with the local Aboriginal and Torres Strait Islander community, some things may become more difficult in future:
 - Seeking Section 18 aboriginal heritage clearances
 - Completing aboriginal consultation processes for major projects such as Forrestfield North, Hartfield Park redevelopments etc.
31. With regard to the degree of administration and obligations involved, a formal RAP process is similar to that of other local government commitments, such as Disability Access and Inclusion planning.
32. The Shire has relatively little in-house expertise or experience in this field and therefore engaging an external service provider is regarded as essential before undertaking any activity in preparation for, or associated with, reconciliation action planning.
33. Discussion with other local governments supports the view that reconciliation action planning will take time (18-24 months), as without first building knowledge, mutual trust and respect between partners, it will not have the authentic community involvement required to achieve meaningful outcomes.

Voting Requirements: Simple Majority

OFFICER RECOMMENDATION (C&C 23/2017)

That Council:

1. Considers a resource allocation as part of the 2017/2018 budget deliberations to enable an external consultant to be contracted to undertake a programme of structured research and engagement for reconciliation action planning, including but not limited to:
 - Initial engagement with representatives from the local Aboriginal and Torres Strait Islander community
 - Determination of this community's willingness to participate in reconciliation action planning processes
 - Development of a project scope and recommended actions
2. Subject to the outcome of those budget deliberations, takes these findings into consideration in future decision-making about progressing the development of a formally recognised Reconciliation Action Plan for the Shire of Kalamunda.

EXECUTIVE SUMMARY

1. To consider and endorse the Chief Executive Officer of the Shire of Kalamunda to attend the Australian Mayoral Aviation Council 2017 Annual Conference.

BACKGROUND

2. The Australian Mayoral Aviation Council (AMAC) was established in 1982 and has become the umbrella organisation representing the community views on aviation issues throughout Australia.
3. The Shire of Kalamunda is a representative Council on the Perth Airports Municipalities Group. The Group's local focus is to engage stakeholders in effective dialogue to raise mutual awareness of the impacts of airport operations and developments on the local community and vice versa and, where possible, seek acceptable outcomes which foster the co-existence of communities and airports.
4. The AMAC has advocated with government to become a recognised umbrella organisation representing community views on aviation issues throughout Australia. The organisation has established avenues for input into the legislative process, aviation policy development and operational requirements which have an effect on community well-being.
5. The Australian Mayoral Aviation Council Conference is designed to provide delegates with the opportunity to meet and discuss issues, to hear and examine speakers on a wide variety of subjects and to determine the future of the organisation through the forum of the Annual General Meeting.

DETAILS

6. The Australian Mayoral Aviation Council 2017 Annual Conference will be held from 3 to 5 May 2015 at the The Novotel Sydney Brighton Beach in Sydney.

7. The Australian Mayoral Aviation Council 2017 Annual Conference program is designed to provide delegates with the opportunity to gain unprecedented insight into the operations of one of the country's major airports and to hear from, and interact with, a diverse range of speakers.
8. A report on the Conference will be presented to Council at the Ordinary Council Meeting on 24 July 2017.

Attachment 1	Draft Kalamunda Advancing – Strategic Community Plan to 2027
Attachment 2	Strategic Community Plan Review – Feedback Report

EXECUTIVE SUMMARY

1. To endorse the Draft Kalamunda Advancing - Strategic Community Plan to 2027 for release for public comment.
2. The Draft Kalamunda Advancing - Strategic Community Plan to 2027 will be advertised and available for a period of 30 working days or 6 weeks.
3. Public comment will be widely sought from the community by the use of local newspapers, the Shire of Kalamunda's website, social media platforms and advertising at Shire libraries and other facilities.

BACKGROUND

4. The *Local Government (Administration) Regulations 1996* requires each local government to adopt a Strategic Community Plan.
5. A successful integrated planning and reporting process will deliver the following outcomes: a Strategic Community Plan that clearly links the community's aspirations with the Council's vision and long term strategy a Corporate Business Plan that integrates resourcing plans and specific council plans with the Strategic Community Plan, and clearly stated vision for the future viability of the local government area.
6. The Integrated Planning and Reporting Framework and Guidelines has been developed as part of the State Government's Local Government Reform Program. They reflect a nationally consistent approach to integrated planning as expressed by the Council of Australian Governments' Local Government Planning Ministers' Council.
7. A local government is required to undertake reviews of its Strategic Community Plan every four years. The Shire adopted *Kalamunda Advancing – Community Strategic Plan to 2023* in 2013 and hence is due for updating by 2017.

-
8. The Framework and Guideline have been developed to:
- Ensure community input is explicitly and reliably generated.
 - Provide the capacity for location specific planning where appropriate.
 - Update long term objectives with these inputs.
 - Identify the resourcing required to deliver long term objectives.
 - Clearly convey long term financial implications and strategies.
9. The minimum requirement to meet the intent of the Framework is the development and review of:
- A Strategic Community Plan.
 - A Corporate Business Plan.
 - A Long Term Financial Plan.
- Other key informing strategies suggested by the DLGC include but is not limited to:
- Community Engagement Strategy.
 - Asset Management Strategy and Plans.
 - Workforce Plan.
 - Information Technology Strategy.
10. The Shire of Kalamunda has developed a strategic community plan entitled *Kalamunda Advancing – Strategic Community Plan to 2023* which has served to shape the priorities for the Shire over the past three years.

DETAILS

11. Over the past few years the Shire has been undertaking intensive planning and community engagement in order to bring together a suite of informing strategies and plans that have created the blueprint for future planning and service delivery. The Strategic Community Plan links these informing strategies into an overarching Plan.
12. The Plan responds to five questions put to the community and the local government:
- What are we now?
 - What do we want to be in the future?
- These questions deal with our vision, image, status and brand.
- Where are we now?
 - Where do we want to be?
 - How do we get there?
- These questions deal with our current state achievements and future objectives.

13. The plan also prioritises community aspirations, giving consideration to:
 - Social objectives.
 - Economic objectives.
 - Environmental objectives.
 - Factors such as changing demographics and land use.
 - Good governance of the district.
14. The revised version of *Kalamunda Advancing – Strategic Community Plan to 2027* contains four areas of strategic priority:
 1. **Kalamunda Cares and Interacts** – which provides for the Shire's social objectives to be achieved.
 2. **Kalamunda Develops** – provides for economic development and the built environment
 3. **Kalamunda Clean and Green** – focuses on environmental objectives
 4. **Kalamunda leads** – provides for objectives that seek to enhance governance, leadership and administrative capacity of the Shire.
15. The engagement and consultation processes has included surveys and workshops and has been used to shape the vision and the aspirations of the Shire's community. A report on the feedback received through the consultative process is *shown as Attachment 2*.
16. The culmination of desktop review, research and community consultation was encapsulated into a high level summary document titled Critical Shifts and Key Considerations *shown as Attachment 3* enabled the draft strategic community plan to be updated.

STATUTORY AND LEGAL IMPLICATIONS

17. All local governments are required to produce a Plan for the future under S5.56 (1) of the *Local Government Act 1995*. The *Local Government (Administration) Regulations 1996* requires each local government to adopt a Strategic Community Plan.
18. Any projects developed from the Plan will be implemented on a case by case basis following the appropriate budgetary allocations and all Building or Planning Statutory and Legal requirements.

POLICY IMPLICATIONS

19. The review of the Strategic Community Plan aligns to the Shire's Governance and Policy Framework.

Section 3.1 of the Governance and Policy Framework states:-

Planning for the development and wellbeing of the community is a critical role for Council. The Act requires Councils to implement the Integrated Planning Framework requiring the Shire to develop and adopt a "10 year strategic community plan" which sets overall directions for the CEO through long-term planning.

Figure above – Integrated Planning framework

COMMUNITY ENGAGEMENT REQUIREMENTS

20. Community engagement was undertaken in 2016. This consisted of community forums, consultation with a variety of community groups and surveys and was guided by the Shire's Community Engagement Strategy 2013.

FINANCIAL CONSIDERATIONS

21. The cost of advertising the Draft Kalamunda Advancing - Strategic Community Plan to 2027 will be met by funds allocated within the Shire's 2016/2016 Municipal Budget as adopted.

STRATEGIC COMMUNITY PLAN

Strategic Planning Alignment

22. *Kalamunda Advancing: Strategic Community Plan to 2023*
- OBJECTIVE 6.1: To ensure a highly effective and strategic thinking Council sets direction and works for the greater good of the community at all times.
23. The local government operates within a legislative framework and within the context of Federal and State Government Policy frameworks.
- The Plan has taken these into consideration and ensures many of the strategic initiatives being pursued are aligned with broader strategic priorities that impact on the local community.
- The Shire's Governance and Policy Framework Section 5.1 outlines Principle One:, Vision, Integrated Planning and Culture:

There is a clear vision and strategic community plan that is produced through a comprehensive and inclusive process, which is owned by all sectors of the local government.

The Shire has complied with its responsibility to ensure it has strategic appropriate plans in place as prescribed by the State's Integrated Planning Framework.

There is a positive culture that promotes openness and honesty, in which constructive and respectful questioning is encouraged and accountability is clear. The culture is enhanced and protected through appropriate policies such as the Code of Conduct.

SUSTAINABILITY

Social Implications

24. The Strategic Community Plan deals with social outcomes seeking to be pursued over the next decade.

Economic Implications

25. The Strategic Community Plan deals with land use, development, infrastructure and Economic development over the next decade.

Environmental Implications

26. The Strategic Community Plan deals with environmental challenges over the next decade.

RISK MANAGEMENT CONSIDERATIONS

27.

Risk	Likelihood	Consequence	Rating	Action/Strategy
Non-compliance with Regulations	Rare	Moderate	Low	Ensure a Strategic Community Plan is reviewed within required timeframes

OFFICER COMMENT

28. The Draft Kalamunda Advancing – Strategic Community Plan to 2027 is the highest level Plan that sets overarching direction. It does not prescribe actions nor allocate resources because that is the purpose of the Corporate Business Plan and the Long Term Financial Plan.

Voting Requirements: Simple Majority

OFFICER RECOMMENDATION (C&C 25/2017)

That Council:

1. Endorses the Draft Kalamunda Advancing - Strategic Community Plan to 2027 for the purpose of advertising for public comment for a period of 30 working days or six weeks.
2. Notes the public comment period will be from 1 April 2017 and conclude on 12 May 2017.

EXECUTIVE SUMMARY

1. To receive the Draft Monthly Statutory Financial Statements for the period to 28 February 2017, which comprises:
 - Statement of Financial Activity (Nature or Type) for the eight months period ended 28 February 2017
 - Statement of Financial Activity (Statutory Reporting Program) for the eight months period ended 28 February 2017
 - Net Current Funding Position, note to financial statement as of 28 February 2017.
2. To provide Council with statutory financial reports on the activity of the Shire of Kalamunda with comparison of the year's performance against the revised budget adopted on 28 November 2016. This Statement compares the actual results for the period with the revised budget.
3. The Shire's draft financial statements as at 28 February 2017 demonstrate the Shire has managed its budget and financial resources effectively.

BACKGROUND

4. The Statement of Financial Activity (Attachment 1), incorporating various sub-statements, has been prepared in accordance with the requirement of the *Local Government Act 1995*, Regulation 34 of the *Local Government (Financial Management) Regulations 1996*.
5. The opening funding position in the Statement of Financial Activity reflects the audited surplus carried forward from 2015/16.
6. The budget column reflects the budget approved subsequent to the first-term budget review by Council at its meeting on 28 November 2016 and council budget resolutions subsequent to that date.

DETAILS

7. The *Local Government Act 1995* requires Council to adopt a percentage or value to be used in reporting variances against Budget. Council has adopted the reportable variances of 10% or \$50,000 whichever is greater.

Financial Commentary

Draft Statement of Financial Activity by Nature and Type for the eight months ended 28 February 2017

8. This Statement reveals a net result surplus of \$28,004,468 compared to budget for the same period of \$25,856,393. The majority of the variance of \$2,148,075 is in the areas of operating expenditure, land and building & infrastructure projects and reserve transfers.

Operating Revenue

9. Total Revenue excluding rates is over budget by \$422,030. This is made up as follows:
- Operating Grants, Subsidies and Contributions are over budget by \$387,866. The variance is made up of the following:
 - \$140,883 HACC grant payments, the variance is attributable to timing issues.
 - Cash in lieu contribution received from Lovett Estate Pty Ltd \$105,961 related to 296, Sultana Road.
 - Fees and Charges is under budget by \$367,800. The variance is mainly attributable to:
 - Legal charges from general procedures claims from rates debtors is under budget by \$104,290. Debt recovery for the 2016/2017 rates is scheduled to commence in early March.
 - Rates miscellaneous income is under budget by \$89,939 deemed to be a budget allocation issue and will be reallocated during mid-year budget review.
 - Interest Income is over budget by \$188,156. This is primarily due to the majority of term deposits maturing during February 2017.
 - Other Revenue is over budget by \$11,841. This variance is within the reporting threshold.
 - Ex-Gratia rates revenue is above the budget by \$189,092 as the amount from Co-operative Bulk Handling (CBH) and Dampier Bunbury Gas pipeline has been received. The rates received from CBH were double the amount budgeted. The Shire is currently in negotiations with CBH to draft a new agreement affective from 1 July 2017.

Operating Expenditure

10. Total expenses is under budget with a variance of \$2,008,217. The significant variances within the individual categories are as follows:
- Employment Costs are under budget by \$461,813 which is primarily due to vacant positions not filled, phasing of casual and project based salaries and timing of training programmes scheduled for the year.
 - Materials and Contracts is under budget by \$360,596. This is mainly attributed to consultancy costs being under budget by \$539,829 related to non-recurrent projects including Forrestfield North project. It is envisaged that most of the consulting budget will be utilised in remaining months.
 - Utilities are under budget by \$137,516 which is mainly related to street lighting costs been under budget by \$69,417. The variance is mainly due to budget phasing as in the summer months the operating time is less than in the coming winter cycle.
 - Depreciation, although a non-cash cost, is tracking significantly under budget, reporting a variance of \$990,314. Subsequent to the revaluation correction done to the infrastructure assets category during 2015/2016 financial audit the valuation of the roads assets category were significantly reduced. Therefore, the depreciation charge of the infrastructure category is also lower respectively. The budget figures will be amended to reflect the above change during the mid-year budget review.
 - Interest expense is under budget by \$16,394. This is a result of a timing difference between amounts accrued and the budget which is based on the debenture payments schedules.
 - Insurance expense is under budget by \$41,105. The variance is within the reporting threshold.
 - Other expenditure is over budget by \$26,319. This relates mainly to non-recurrent expenditure and is also attributable to timing issues.
 - Loss on disposal of Assets is under budget by \$26,798. The variance is within the reporting threshold.

Investing Activities

Non-operating Grants and Contributions

11. The non-operating grants and contributions are under budget by \$1,030,068. This is mainly attributable to:
- Capital roads grants received is \$951,140 against a budget of \$1,980,776. The variance is a timing difference only as funding worth \$1.2 million is expected from Roads to Recovery during the third quarter.

Capital Expenditures

12. The total Capital Expenditure on Property, Plant and Equipment and Infrastructure Assets is under budget by \$5,757,202. Capital Expenditure is trending upward on a month by month basis. At this stage it is expected that the underspent amount will be reduced over the remaining part of the financial year.
13. Capital work-in-progress represents the costs expended on Forrestfield Industrial Area Scheme stage 1 and CELL 9 Wattle grove development. The relevant expenditure is funded by the Forrestfield Industrial Area Scheme 1 reserve account and the CELL 9 trust account. These assets once constructed will be passed over to the Shire for management.

Financing Activities

14. The amounts attributable to financing activities shows a deficit of \$3,043,843 which is due to reserve movements. The movements are explained in detail in point 23 below.

Rates revenues

15. Rates generation is over budget with a variance of \$24,588. The variance is within the reporting threshold.

Draft Statement of Financial Activity by Program for the period ended 28 February 2017

16. The overall result comments are as above and generally each Program is within the accepted budget except for Other property services, Community Amenities and Recreation and Culture. Major variances have been reported by Nature and Type under points 8 to 15 above.

Draft Statement of Net Current Funding Position as at 28 February 2017

17. The commentary on the net current funding position is based on comparison of the draft February 2017 to the February 2016 actuals.
18. Net Current Assets (Current Assets less Current Liabilities) show a result of \$37.7 million. The restricted cash position has a balance of \$12.4 million which is higher than the previous year's balance of \$9.6 million. This can mainly be attributed to the transfers to the reserves in anticipation of infrastructure works projects for the Forrestfield Industrial Area Scheme Stage 1.
19. Trade and other receivables outstanding comprise rates and sundry debtors totalling \$3 million.

The rates balance increased by \$0.9 million from last year which reflects increases in rates generation related to various factors including interim rates, back rates and the differential rate increases. The balance was anticipated to reduce significantly with the first instalment date on 16 August 2016 however, it has been observed that the collection rate is tracking lower than 2015/16.

This is attributed to more ratepayers choosing to pay by either instalment options or direct debit payment arrangements. The impact of this is cash inflow will be drawn out rather than the bulk being received in the first two months of the financial year. This impacts negatively on interest income.

20. Sundry debtors have decreased from \$859,337 to \$481,439, of which \$224,095 consists of current debt due within 30 days. A total of \$240,151 remains outstanding over 90 days. The majority of this debt consists of a developer contribution amount which is overdue from the one of developers of the Forrestfield Industrial Area scheme stage 1. These overdue amounts are currently subject to recovery action.
21. Receivables Other represents \$1.3 million comprising:
 - Emergency Service Levy receivables \$0.41 million
 - Receivables sanitation \$0.48 million
 - ESL rebates \$0.18 million
22. Provisions for annual and long service leave are generally higher having increased by \$183,522 to \$2.8 million when compared to the previous year. The reasons for the increase is due to more officers being above the seven year threshold at which point long service leave entitlements begin to fully accrue. The Shire aggressively pursues a leave management plan that will not adversely affect service delivery. The long term goal is to bring this liability down to a more manageable level and also ensure there are adequate cash backed reserves in place to support it.
23. Restricted Reserves have increased significantly from \$9.6 million to \$12.4 million when compared to February 2016. The increase is due to the following:
 - Long Service Leave and Nominated Employee Leave Reserves increased by \$1.1 million to address the exposure mentioned in point 22 above.
 - Minor changes are also noted with the following reserves:
 - Asset Enhancement Reserve has increased by \$0.8 million.
 - EDP IT Equipment Reserve has increased by \$0.4 million.
 - Waste Reserve has increased by \$0.6 million to recognise surplus in operating income in 2015/2016.
 - Land and Property Enhancement and Maintenance Reserve has increased by \$0.2 million.
 - Forrestfield Industrial Area Scheme Stage 1 has increased by \$0.2 million through the receipt of developer contributions.

10.0 MOTIONS OF WHICH PREVIOUS NOTICE HAS BEEN GIVEN

11.0 QUESTIONS BY MEMBERS WITHOUT NOTICE

12.0 QUESTIONS BY MEMBERS OF WHICH DUE NOTICE HAS BEEN GIVEN

12.1 Signage (Cr Andrew Waddell)

Q1. When someone is in breach of the signage policy how long are they given to rectify the problem?

A1. Election and political signage on private property is exempt from requiring planning approval under Clause 61(1)(g) of the Planning and development (Local Planning Schemes Regulations) 2015. The Act requires however that election signage cannot be erected until the election is called and is to be removed no later than 48 hours after the election is conducted. Notwithstanding the aforementioned provision of the Regulations, and noting the local planning policy for signage on private property is silent on a time period to have an offending sign removed, if a sign was located such that it compromised vehicle safety, then the Shire would be requesting the landowner to have the sign removed within 48 hours of receiving the notification. In respect to election /political signage on public land, for the purpose of consistency the above mentioned approach will also apply.

12.2 Adelaide Street (Cr Sara Lohmeyer)

Q. The rocks outside Lot 13 Adelaide Street have been removed will they be replaced?

A. The Shire's Asset Services undertook the removal work recently at the request of residents in the street, to allow pedestrian access to the reserve. As this is a public road it is not proposed to reinstate the removed material.

12.3 Youth Facilities (Cr Tracy Destree)

Q. Has consideration been given to providing a facility for youth to attend for various activities?

A. This will be considered when establishing community hubs. The Youth Plan consultation revealed Youth desire adaptive spaces rather than a dedicated facility.

12.4 Kalamunda History Village Locomotive (Cr Noreen Townsend)

Q. Could Council have an update on the Locomotive?

A. The report will be presented to the April Corporate & Community Committee to allow sufficient time to gather the information.

12.5 Alan Anderson Park (Cr Michael Fernie)

Q1. Can we please have an update on the progress of Alan Anderson Park?

A1. The Shire submitted the report "Limited Detailed Site Investigation – Alan Anderson Park, Walliston, WA" prepared by ERC Engtech Risk Consultants to the Department of Environment Regulation (DER) on 16 September 2016. DER and the Department of Health (DoH) have now completed a review of the report and in a letter received at the Shire on 27 February 2017, advised that the most suitable treatment comprises a low disturbance, in-situ management of the asbestos impacts on the site.

Q2. What work is still to be completed?

A2. DER also recommended that the site remain fenced until remediation is complete and a site management plan established. On completion of the remediation and site management, DER and DoH will consider reclassification of the site.

Q3. Would it also be possible to have an estimate of when the community could expect to see a report presented to council outlining proposed options and outcomes with regard to reopening or closing the park?

A3. It is now proposed to prepare a detailed cost estimate for the recommended remediation treatment and other options, with a report to be presented to Council in June 2017.

Q4. Can I please have the total funds spent to the end of march for the temporary fencing and the monthly hire rate of this fencing?

A4. The total cost of the temporary security fencing to the end of March is \$23,421.50. The monthly cost of the fencing is \$1,148.13 and it is proposed to continue with this fencing in accordance with the recommendations of DER.

12.6 Hummerston Road (Cr Michael Fernie)

A Petition was presented at the D & I Meeting 12th December 2016
Requesting the reopening of Hummerston Road. Through to Fern Rd
A Report was to be presented to council.

A Petition was presented at the D & I Meeting 12th December 2016
Requesting the reopening of Hummerston Road. Through to Fern Rd
A Report was to be presented to council.

Q1. Can we have an update as to when this report will be ready for council consideration?

A1. It is proposed to present a report to Council in June 2017, following site survey, traffic counts and consideration of options and estimated costs.

Q2. Have there been any meetings held with Department of Park & Wildlife (Dpaw) in regards to the road reserve?

A2. A meeting was held with the District Manager of the Department of Parks and Wildlife (DPaW) on 13 January 2017 to discuss the proposal to re-open Hummerston Road East from Fern Road.

Q3. Have we Established if this road reserve still exists and which entity has vested control?

A3. It is the understanding of DPaW and the Shire that the road reserve still exists and is vested with the Shire. Confirmation has been sought from the Department of Lands.

6.0 ITEMS FOR COMMITTEE CONSIDERATION

6.1 Running Action Register

Updated from previous meeting.

- Skylight Replacement – Complete January 2017
- Court One Toilet refurbishment – Stakeholders advised of proposed start dates. Awaiting response from KDBA regarding most suitable time frame for the association. KDNA have advised March/April
- Netball external court lights upgrade to LED – final quote received from contractor. Awaiting advice on order confirmation and start date.

Action

RSO to contact Building Maintenance to enquire as to whether the change rooms and showers at the Court One end of building will still be able to be used when toilets are being refurbished.

RSO to contact Kalamunda Electrics regarding ordering of lights and start date for installation.

6.2 Ray Owen Master Plan – Water and Power Studies and Car Park Design Update

CRFS provided the Committee with an update on the Water and Power Studies along with an update on the Car Parking Design.

- **Car Parking**

Drainage design will be required to be undertaken first to accommodate current and future stormwater from the site. A clearing permit has been submitted to the Department of Environmental Regulation covering the area required to upgrade the car park within the reserve, the outcome of this permit will determine how the car park upgrade can be progressed.

- **Power**

Electrical Services – concept developed for an increase (in addition to existing power supply) of 360 Amp/Phase to cater for a maximum supply (580Amps 3 Phase) delivered to new substation off Gladys Rd. W/Power design quote to be available Feb. 2017, final cost and design, inclusive of Lot boundary changes, to be included in 17/18 budget

- **Water**

Consultancy commissioned with surface hydrology studies to commence in December and finish March 2017. Local sources investigated first, if unsuccessful then remote sites to be investigated. Current water for the reserves is drawn from two bores. Extra water would be required for any extension of the current oval.

Action

CRFS to seek any further updates on Car Park Design from Coordinator Design Services.

6.3 **Committee Terms of Reference**

CRFS advised the Committee that all Terms of Reference for Advisory and Management Committees are to be reviewed and standardised this year. The draft document for the Ray Owen Terms of Reference will be included as part of the process.

Officer Comment

That the committee notes the information provided.

6.4 **Cleaning Contract at Ray Owen**

Manager Asset Maintenance provided the following information for the Committee as requested.

- The monthly cleaning charge for the stadium is \$4,401.68. Plus Consumables. Consumables will be charged for from January 2017 as all products remaining from previous contract have been utilised.
- Perth Waste Contract for Ray Owen expires in May 2018.

Football and Cricket club have not yet responded to email asking if the clubs would like extra bin service at the site. Cricket club still noted to be utilising the large skip bins that service Ray Owen Sports Centre.

KDNA noted that they have not received an invoice for Perth Waste and were concerned that a back dated invoice may be sent.

RSO advised that when developing the monthly invoices for Ray Owen in regards to Operational costs, no invoices for waste management appear in the system. RSO further noted that the matter had been raised previously with Waste Management and believed that an outcome had been reached. RSO will follow up with Waste Management to determine what is happening with the accounts.

Action

RSO to follow up with Waste Management to determine when invoices will be issued and whether any back dating of invoices will occur.

6.5 Clubs 4 Life

Club 4 Life e-newsletters are sent out with information on events, courses and funding throughout the year. Associations have passed the information onto their affiliated clubs.

Committee were advised of the next two Clubs 4 Life Workshops that are taking place on the 22 February 2017.

Social Media and Sporting club canteens are the two topics being covered by initiatives linking the Community Development team with Health and the Shires PR and Media officers. The workshops are to be held in the Shires Administrative building commencing at 6.30pm.

Community Funding Program Round Two - Opens 01 February 2017 and closes 31 March 2017

The Shire's **Sport and Recreation Development Funding Program** is available for local sporting clubs to apply for funding for an amount up to \$1000.

Applications will be assessed after the round closes and Clubs will be notified if successful in April/May.

Clubs may apply for safety equipment, including first aid, sporting equipment, training/coaching/first aid courses, minor capital works etc.

The Shires **Club Fundraising Program** is also available for local sporting clubs to apply for funding for an amount up to \$500.

The next funding round opens 01 February 2017 and closes 31 March 2017.

Applications will be assessed after the round closes and Clubs will be notified if successful in April/May.

Clubs may apply for assistance with costs associated with a fundraising event such as, but not limited to,

- Food/soft drink purchase costs
- Hire costs for venues, equipment
- Guest speaker costs
- Entertainment costs – e.g. – bouncy castles

Clubs are advised to make themselves familiar with the Conditions of Funding when applying for any of the grants available.

If you have any enquiries regarding the funding program, please contact the Shires Recreations Services Officer, Fiona Stuart at Fiona.stuart@kalamunda.wa.gov.au or applications forms are available via the Shire's website at www.kalamunda.wa.gov.au

7.0 URGENT BUSINESS WITH THE APPROVAL OF THE PRESIDING MEMBER

7.1 KDBA – Installation of CCTV within Centre

KDBA advised the Committee that they have recently completed the installation of CCTV cameras throughout the inside of the centre. 18 cameras are now situated throughout the building, they are not monitored but record on movement. KDBA are currently drafting a policy for access guidelines.

Shire Of Kalamunda Project Manager is aware of the installation.

Action

KDBA to provide map of location of cameras to retain for reference of building maintenance.
KDBA to provide draft policy for Access Guidelines.

7.2 CCTV Box Inside Netball Office

KDNA requested the removal of the CCTV box that is located within the netball office at the centre. The box is bulky and takes up room, it would be preferable to put up a budget request again for the installation of CCTV around the car park.

Action

RSO to request that IT officer collects the CCTV box from the netball office.

7.3 KDNA – Removal of damaged Shelter roof from External Courts.

On Monday 30 January 2017, strong winds blew the roof and frame off of one of the external netball court shelters. The shelters were installed and paid for by KDNA in 2012.

Shire Officers from the Maintenance department removed the damaged roof and frame to the tip, where it was compacted that morning.

KDNA needed to retain the frame until recovery of some of the components was complete. The fabricator of the frame have advised that the design is now obsolete. Without the frame it is now costing KDNA more money to have a replacement made.

Officer Comment

That the committee notes the information provided.

7.4 Bookings and Management of Entry Into Ray Owen Sports Centre

KDNA noted that the opening and closing of the sports centre during the day for bookings made by the Shire of Kalamunda may need to be reviewed.
The centre is not manned at all times by KDNA or KDBA staff, and although Shire officers do liaise with the associations regarding bookings, the associations cannot be relied upon to open and close during the day.

Action

RSO to follow up with Booking Officer to determine current procedure for the opening and closing of the centre during Shire booking times.

Attachment One

6.0 ITEMS FOR COMMITTEE CONSIDERATION

6.1 Storm Water Drainage Project

CPD and CDS attended the meeting to present storm water drainage design.

The design shows how the run off from the Agricultural Hall and Kalamunda Performing Arts Centre buildings will now be plumbed directly below ground into a series of soak wells. The overall project will see the building drainage delivered as

stage one, connection to the oval drainage as stage two and the Car Park areas the final part of the project.

Presiding member suggested that an extra manhole over the existing pipe by the Lapidary club, on the boundary side, could be considered as part of the design. This comment was noted by CPD and CDS.

Committee Recommendation

"That the Committee endorse Storm Water Drainage Plan **4175-01 REV1-01/1 A1** as per Attachment Two of the minutes"

Moved: **Mike Perry**

Seconded: **Wayne Garwood**

Vote: **5/0**

6.2 Limestone Retaining Wall and Terrace along School Oval Side

CPD advised the Committee that the project had commenced 4 weeks later than expected and had been further delayed by the recent poor weather.

KSHS were disappointed in the lack of progress and are hoping that the wall and terrace would be completed in time for the schools ANZAC day service.

Action

Item to remain on Agenda for future updates.

6.3 Kalamunda Sporting Precinct -Signage Updates

Delivery of the larger sign for the Kalamunda Sporting Precinct was expected to be delivered and installed by mid – end of January 2017. Currently still awaiting the contractor to install.

Smaller signs are still in the design phase.

Action

RSO to follow up with Public Relations Coordinator in regards to current expectation of delivery and installation of all signs for the site.

6.4 Dog Sign Replacement

Senior Ranger had advised that the new "No Dog" signs were to be installed early to mid-February 2017.

Action

RSO to follow up with engineering regarding the estimated date for installation.

6.5 Shared Use Licence Agreement Shire of Kalamunda and Minister for Education

Committee members were emailed a copy of the Shared Use Licence Agreement on 30/11/2016.

Kalamunda Lapidary Club noted that as they were not a member at the time they had not received a copy and would like to be sent one.

Action

RSO to send a copy of the Shared Use Licence Agreement to KLC

6.6 Turf Wicket MOU

The committee were advised that the Turf Wicket MOU for the ongoing maintenance of the turf wicket for the 2016/17 season had been finalised and signed by all parties.

Committee Comment

That the committee notes the information provided.

6.7 Meeting Day – Possible Changes

An email was sent to all Committee members on the 02/12/16 advising that the meeting day for the Kosteria Oval Advisory Committee would remain as Tuesdays. Dates for the 2017 meetings were confirmed in the email as;

14 February 2017

09 May 2017

08 August 2017

Committee Comment

That the committee notes the information provided.

6.8 Clubs 4 Life

Club 4 Life e-newsletters are sent out with information on events, courses and funding throughout the year. Next E-newsletter is due out end of February 2017.

Committee were advised of the next two Clubs 4 Life Workshops that are taking place on the 22 February 2017.

Social Media and Sporting club canteens are the two topics being covered by initiatives linking the Community Development team with Health and the Shires PR and Media officers. The workshops are to be held in the Shires Administrative building commencing at 6.30pm.

Community Funding Program Round Two - Opens 01 February 2017 and closes 31 March 2017

The Shire's **Sport and Recreation Development Funding Program** is available for local sporting clubs to apply for funding for an amount up to \$1000.

Applications will be assessed after the round closes and Clubs will be notified if successful in April/May.

Clubs may apply for safety equipment, including first aid, sporting equipment, training/coaching/first aid courses, minor capital works etc.

The Shires **Club Fundraising Program** is also available for local sporting clubs to apply for funding for an amount up to \$500.

The next funding round opens 01 February 2017 and closes 31 March 2017.

Applications will be assessed after the round closes and Clubs will be notified if successful in April/May.

Clubs may apply for assistance with costs associated with a fundraising event such as, but not limited to,

- Food/soft drink purchase costs

Committee Comment

That the committee notes the information provided.

6.9 Customer Services Items

Updates to all outstanding items has been provided to the Committee via email on the 05/12/16.

- A map was sent to the Committee showing the proposed location of No Dog signs.
- Rangers have enquired with engineering as to when the signs will go up. The signs are still not in place.
- Rangers have advised RSO that they do patrol the grassed area of Kostera and that the entire grassed area is a "Dog Prohibited" area.
- The tree on the eastern boundary of the oval was earmarked to be trimmed by contractors in Jan 2017. Contractors were to be in the Kalamunda area at that time doing other scheduled work. This has not yet been completed.
- Soft fall for swing is now complete 19/01/17

Action

RSO to follow up with Parks in regards to the tree on the Eastern boundary.

6.10 Northern Car Park Design

No further update on this item at this time.

Action

Item to remain on the Agenda for future updates.

6.11 New Synthetic Wicket on Headley Jorgensen Oval

Supervisor of Open Space and CPD met with KDJFC representatives to determine the best lower oval configuration for football in order to allow the synthetic wicket to remain uncovered for the winter season.

KSHS, KCC and KDJFC were sent a detailed map of where the football oval would sit on the western side of the lower oval in order to allow all parties to agree with the positioning of the oval.

Committee Comment

That the committee notes the information provided.

7.0 URGENT BUSINESS WITH THE APPROVAL OF THE PRESIDING MEMBER

7.1 Large Tree Branch Overhanging Kalamunda Lapidary Club

KLC noted that there is a large tree branch overhanging the building and would like it removed as it will cause significant damage if it breaks off.

Action

RSO to raise an ICS for the removal of the branch.

7.2 **Kalamunda Show**

KSR noted that the tabled correspondence confirmed all the details for the bump in and bump out of show stakeholders for the Kalamunda Show on the 7th and 8th April 2017. Showman will bump in from Wednesday 5th April.

KSR is working with Shire officers to ensure that the surface of the oval and the wicket areas are fully protected.

KDJFC confirmed that training will proceed as per last year, with the club gaining access to the lower oval areas through the temporary fencing. KSR will leave panels out for access as per last year. Football goal posts will not be installed until after the show.

KSHS advised that the school has been planning to hold their Anzac Day service in the new terraced area on the lower oval on the morning of the 7th April, providing it is complete. If KSR consider that there may be too much noise due to vehicle movement during the show set up, KSHS may consider moving the service to another day or to an indoor venue.

KSR and KSHS will liaise over arrangements for the day to work towards a final outcome.

Committee Comment

That the committee notes the information provided.

7.3 **Draft Minutes**

The Presiding Member asked whether the draft minutes could be sent to him prior to sending out to Committee to allow him to make corrections. CRFS advised that he had been informed by the Manager of Governance that the process is for the committee to confirm the minutes subject to any corrections agreed by the Committee.

Committee Comment

That the committee notes the information provided.

7.4 **Football Season Start**

KDJFC advised the committee that the football season would be starting on 21 April 2017.

KCC noted that their season would be finishing on the weekend of the 25/26 March 2017 so handover of the pavilion clubrooms could occur sometime after the 01 April 2017. KDJFC and KCC will liaise with each other to confirm a suitable date for handover of the club rooms.

Committee Comment

That the committee notes the information provided.

7.5 Pat Moran Pavilion Handover – Summer to Winter user group

KDJFC requested KCC to make sure that the club rooms are suitably clean for hand over and that the carpets throughout are professionally cleaned.

Committee Comment

That the committee notes the information provided.

7.6 Change room Refurbishment

KDJFC advised the committee that the club were going to contact Property Services to request that the change rooms be painted and in some areas plaster work will be required.

The concrete floor is also in need of a coat of a non-slip paint.

KDJFC noted that it has been a number of years since these areas have been attended to.

Committee Comment

That the committee notes the information provided.

7.7 Reinstatement of Gates across Turf practice wickets

KCC have requested the reinstatement of gates across the turf practice wickets to protect them from any damage. RSO has spoken with the Acting Coordinator Parks and Environment who advised that the gates will be reinstated.

KCC further requested that the turf wicket be temporarily fenced off during the football season to protect ongoing maintenance and management of the wicket area.

Last year a temporary fence was put up, however this was due to the wicket being very new. This also proved problematic for KDJFC when trying to retrieve balls from the area.

Either cones or a plastic star picket fence with bunting is recommended for the area.

Action

RSO to confirm with Parks as to when the gates will be reinstated.

9.0 DATE OF NEXT MEETING

Date of next meeting will be 09 May 2017 at Pat Moran Pavilion at 5.30pm

10.0 CLOSURE

The Presiding Member closed the meeting at 6.20pm

6.0 ITEMS FOR COMMITTEE CONSIDERATION

6.1 Hartfield Park Redevelopment

Committee were provided with a copy of the Councillors Update on the Hartfield Park Redevelopment - February 2017 Edition. (Attachment One).

CRFS further advised the Committee that KDHC have now reached agreement with the Shire over the preferred option in regards to a club room at the new site. The current building will be demolished with a new building constructed in its place. A clearing permit for the fields has been obtained on the proviso that the Shire can meet all nine conditions of the permit.

Work at the site is anticipated to commence in August 2017, with the proposed completion date of the fields being April 2018 and the club rooms later that year.

KDHC noted that the club were very happy with the way the project was progressing and were happy with the final option chosen for the club room facility.

Action

Item to remain on Agenda in order to provide further updates.

6.2 Shire of Kalamunda Community Funding Program

RSO reminded the committee that round two of the Community Funding Program is now open and invited clubs to apply.

Community Funding Program Round Two - Opened 01 February 2017 and closes 31 March 2017.

The Shire's **Sport and Recreation Development Funding Program** is available for local sporting clubs to apply for funding for an amount up to \$1000.

Applications will be assessed after the round closes and Clubs will be notified if successful in April/May.

Clubs may apply for safety equipment, including first aid, sporting equipment, training/coaching/first aid courses, minor capital works etc.

The Shires **Club Fundraising Program** is also available for local sporting clubs to apply for funding for an amount up to \$500.

The next funding round opened 01 February 2017 and closes 31 March 2017.

Applications will be assessed after the round closes and Clubs will be notified if successful in April/May.

Clubs may apply for assistance with costs associated with a fundraising event such as, but not limited to,

- Food/soft drink purchase costs
- Hire costs for venues, equipment
- Guest speaker costs
- Entertainment costs – e.g. – bouncy castles

Clubs are advised to make themselves familiar with the Conditions of Funding when applying for any of the grants available.

If you have any enquiries regarding the funding program, please contact the Shires Recreations Services Officer, Fiona Stuart at Fiona.stuart@kalamunda.wa.gov.au or applications forms are available via the Shire's website at www.kalamunda.wa.gov.au

Committee were advised of the next two Clubs 4 Life Workshops that are taking place on the 22 February 2017.

Social Media and Sporting club canteens are the two topics being covered by initiatives linking the Community Development team with Health and the Shires PR and Media officers. The workshops are to be held in the Shires Administrative building commencing at 6.30pm.

Committee Comment

That the committee notes the information provided.

6.3 Corymbia Festival 2017

RSO reminded all user groups of the upcoming event and thanked the user groups for their cooperation to ensure that the Events team had access to all areas required.

Committee Comment

That the committee notes the information provided.

6.4 Drainage Issues on Hartfield Hockey Fields

RSO informed the committee that the Hockey Grounds are to be vertimowed in an effort to improve the surface and the drainage.

Further to this the rugby union playing fields will also be monitored by the Parks team. RSO requested that the club also keep in touch with the Shire if they notice any further issues with the drainage.

Committee Comment

That the committee notes the information provided.

6.5 Forrestfield Tennis Club Tree

RSO advised the committee that following a request from the FTC in regards to a large tree on tennis club grounds which appears to be causing issues with the court surface, the tree was marked to have its roots trimmed. To date this work has not taken place and the club are concerned about the cracks appearing on the court. The tree is not thought to be native and may have been planted by a club member some 30 years ago. The tree also branches out over the FDBC machinery shed and the club are concerned that the branch will one day fall and cause considerable damage to the shed and machinery within.

FTC noted there is also a sucker tree that has popped up alongside the fence line.

FTC are currently seeking quotes to have the courts resurfaced and would like something to be done with the tree prior to that occurring.

RSO suggested that the club send in pictures of the cracks and the sucker tree and this could be forwarded onto the Parks and Environment team to respond to.

Action

FTC to provide photos of the trees and cracks in court.

RSO to raise further ICS for removal of the tree.

6.6 Development Plans for when Kalamunda District Hockey Club Relocates

CRFS noted that this will remain on Agenda for future discussions. It was proposed in the Hartfield Park Master Plan that the reserve space could be utilised by soccer.

Forrestfield Little Athletics also noted that they would like to continue to use the reserve space for trainings and the club room for storage and display.

Action

Item to remain on the Agenda for further update and discussion.

6.7 Location of Kalamunda Canning Rugby League Club (KCRLC) for 2017 Season

The committee were advised that further meetings have been held with affected clubs to determine training and match day areas of use to accommodate the rugby league club and the growth of soccer.

Forrestfield Cricket Club have committed to allowing shared use of the Change room and toilets for match and training days to the Kalamunda Canning Rugby League Club for the 2017 season.

Kalamunda and Districts Rugby Union Club have agreed to support junior rugby league players to use rugby union field two for training and match day requirements. This would see the younger age groups use field two for trainings on Monday and Wednesday nights, and the modified junior home games, played across the field on any allocated Sundays throughout the 2017 season. Senior players will remain on Morrison for the season and match days.

Morrison Oval will be used by KCRLC on Monday, Wednesdays and Fridays by their seniors to train and match days will be Saturdays. In order to avoid clashes with the rugby union in regards to use of the FCC facilities on match day, the KDRU 2017 season fixture has been sent to NRL WA to ensure that fixtures can be amended.

KDRU noted that all junior rugby union matches may no longer be held at Britannia Park from 2018. This may result in more home games for juniors, with the day of competition yet to be confirmed.

RSO thanked all user groups that have worked with the Shire to finalise training and game day venues and use of facilities for KCRLC.

Committee Comment

That the committee notes the information provided.

6.8 Dogs On Reserve and After Hours Contact Number

Committee have been advised that the best number to contact for any After Hours maintenance or Ranger related issues is 9257 9999. The After Hours service will then direct calls to the relevant officer.

Clubs commented that there are still issues with dogs on all reserve areas at Hartfield Park and that signs are faded or obscured by trees.

RSO advised committee members to take photos of the signs and send to the Shire for the matter to be raised further with Rangers.

RSO noted that a media campaign is about to occur informing the community of the designated dog parks and those that cannot have dogs.

KDHC advised that sometimes the problem can be that dog laws seem to differ throughout Local Governments and some people think they can bring dogs onto areas when they actually cannot.

FDBC commented that the club had contacted the afterhour's service twice at the weekend in regards to a large infestation of the bees with no response from any officer.

Action

Clubs to send through photos of dog signs that are either faded or obscured along with location.

RSO to raise ICS for possible sign replacement once photos received.

6.9 Meeting Dates

Shire of Kalamunda Council resolved to leave Council meeting days as Mondays. As such, Hartfield Park Advisory Committee will continue to meet on Tuesdays.

Future meeting dates are;

16 May 2017

15 August 2017

Committee Comment

That the committee notes the information provided

7.0 URGENT BUSINESS WITH THE APPROVAL OF THE PRESIDING MEMBER

7.1 Scrum Machine – Rugby union

KDRU raised concerns over someone having moved the clubs scrum machine into a bush area and it is now damaged.

Action

RSO to follow up with Parks to enquire if any of their officers relocated the scrum machine.

7.2 FUSC Possible leak in pipe at main gate entry to soccer fields

FUSC brought to the Committee's attention that with all the new development work occurring the club had noticed that the area at the main gate onto the soccer fields was very wet. Sand has been placed across this area to facilitate the entry of the large trucks onto the ground, however, they are concerned that a pipe may be leaking around this area.

Action

RSO to follow up with the Project team and reticulation officer to investigate any possible leaks.

7.3 Forrestfield Football Club

FFC noted that the driveway into the club has a bitumen ramp just past the club rooms to allow access to the grassed area. The ground on the other side of the ramp has washed away with the recent rain and there is now a large dip. RSO will raise an ICS for the fill of this.

FFC also noted that there are quite a number of holes in the boundary fence of Reid Oval and children were using these to access the ground rather than the access points.

RSO will raise an ICS to have the fence repaired.

FFC commented that the club would also like a new club room as their building is probably the oldest on the site and the facilities were poor.

Action

RSO will raise an ICS for the fill of the access ramp.
RSO will raise an ICS to have the fence repaired.

7.4 **Forrestfield Districts Bowls Club**

FDBC advised the committee that the bush area around the club and along the verge of Morrison Road are in need of a clean-up as they have a lot of dead shrubs and rubbish in them and could present as a fire hazard.

RSO advised that the Shire has a fire mitigation officer and they would be able to assess the risk of the area.

FDBC asked whether the skip bins for resident scheme extended to clubs.

RSO advised that a similar request had been received previously and Waste Management had advised that the scheme was only for residents as part of their rates.

FDBC noted that the club had noticed that the lights on the soccer oval seemed to be on quite late at times.

Soccer advised that they automatically turn off by 10.30pm if the club has forgotten to turn them off. FUSC also noted that they had had problems with some people accessing their lights without their knowledge. This is a club matter to resolve.

Action

RSO will email the Fire Mitigation officer re the build-up of leaf and other matter along the verge and the surrounding bush.

7.5 **Kalamunda and Districts Rugby Union Club**

KDRU advised the committee that there are still sizeable indentations in the ground near the floodlights on the Hartfield Road side of Pitch 2.

Action

RSO to raise and ICS to have the indentations filled.

7.6 **Resignation of Members**

RSO advised the committee of the resignation of two Committee members.

Faye Lund – Forrestfield Scout Group Representative has resigned as she has moved out of the area.

Kevin Adams – Presiding Member (KDRU) Kevin is now the President of KDRU and has resigned his position so he can fully commit to that role.

Aaron Minett from KDRU attended the meeting as an observer and has been nominated to replace Kevin Adams as the KDRU representative.

RSO thanked both members on behalf of the Shire for their commitment to the committee, in particular Kevin Adams who has been a member of the committee for many years.

Action

RSO to progress the nomination of Aaron Minett to Council for approval.

7.7 Forrestfield Little Athletics Club

Forrestfield Little Athletics noted that they had some problems with power in the hockey building of late and wondered if any other clubs had the same issue.

RSO noted that the electrical contractor had been onsite that the matter had been addressed.

Committee Comment

That the committee notes the information provided.

Raising Awareness: Seniors Helping Seniors.

I last reported at the meeting on the 23rd November & my report appears in the minutes, which were available with to-day's agenda. On November 29th 2016 Councillor Bilich had scheduled a meeting, but this was postponed because she had lost her voice. I attended the Council meeting on November 28th, during which Councillor Bilich came over & said that she would phone me that weekend (December 3rd/4th) to reschedule our meeting. This never happened, nor has she contacted me to date. I have twice made contact by email, but have had no response.

I was not happy with the flyer, as it stated one could fill in the survey online, but if the link was tried, there was no information at the end of it. I contacted Nicole O Neil about the web page, but received no response. I sent a further email and Nicole suggested a meeting, which took place on the 19th of December. Nicole listened to my suggestions re-the leaflet & web page, but said that nothing could be done until after the Council meeting in February 2017.

On December 14th 2016 I was interviewed by Monica on KCRadio about "Seniors Helping Seniors" & the fact that the Shire were looking into having a feasibility study. During December/January I wrote to various local and national bodies, & to Ken Wyatt, about Homeshare/Seniors Helping Seniors.

I was not at all clear what I could & could not do, so I contacted the Shire to get some answers and a meeting was arranged between the CEO, Gary Ticehurst, myself and Malcolm Roberts. Various points were clarified & as a result I contacted Nicole O'Neil and made changes to the leaflet and to the "Seniors Helping Seniors" website.

I have to date had 1,000 leaflets printed. I gave out over 100 on the first day of enrolment at the Learning Centre & left leaflets to be distributed on the rest of the enrolment days. I put out 100 leaflets at the recent National Seniors meeting. I have taken leaflets to the Kalamunda library, who are sending some to the libraries at Lesmurdie, High Wycombe & Forrestfield. I left leaflets at the Jack Healey Centre and the Woodlupine Centre in Forrestfield. Nita Sadler is to pick up leaflets from the Woodlupine Centre to distribute to Retirees WA. I offered to give a talk to them, but the offer was declined. I also distributed leaflets to the recent Probus meeting.

I shall continue to distribute leaflets & encourage people to watch the videos to which there is a link on the Shire webpage

www.kalamunda.wa.gov.au/seniorshelpingseniors

The new leaflet can be read & downloaded on the Shire website.
