This statement is to be read in conjunction with the accompanying notes.

CITY OF KALAMUNDA FOR THE YEAR ENDED 30 JUNE 2021

BASIS OF PREPARATION

The budget has been prepared in accordance with Australian Accounting Standards (as they apply to local governments and not-for-profit entities) and interpretations of the Australian Accounting Standards Board, and the *Local Government Act 1995* and accompanying regulations. The *Local Government (Financial Management) Regulations 1996* take precedence over Australian Accounting Standards. Regulation 16 prohibits a local government from recognising as assets Crown land that is a public thoroughfare, such as land under roads, and land not owned by but under the control or management of the local government, unless it is a golf course, showground, racecourse or recreational facility of State or regional significance. Consequently, some assets, including land under roads acquired on or after 1 July 2008, have not been recognised in this budget. This is not in accordance with the requirements of *AASB 1051 Land Under Roads* paragraph 15 and *AASB 116 Property, Plant and Equipment* paragraph 7.

Accounting policies which have been adopted in the preparation of this budget have been consistently applied unless stated otherwise. Except for cash flow and rate setting information, the budget has been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

THE LOCAL GOVERNMENT REPORTING ENTITY

All funds through which the City of Kalamunda controls resources to carry on its functions have been included in the financial statements forming part of this budget.

In the process of reporting on the local government as a single unit, all transactions and balances between those Funds (for example, loans and transfers between Funds) have been eliminated.

All monies held in the Trust Fund are excluded from the financial statements. A separate statement of those monies appears at Note 15 to the budget.

2019/20 ACTUAL BALANCES

Balances shown in this budget as 2019/20 Actual are estimates as forecast at the time of budget preparation and are subject to final adjustments.

CHANGE IN ACCOUNTING POLICIES

On the 1 July 2020 the following new accounting policies are to be adopted and may impact the preparation of the budget: AASB 1059 Service Concession Arrangements: Grantors AASB 2018-7 Amendments to Australian Accounting Standards - Materiality

AASB 1059 is not expected to impact the annual budget. Specific impacts of AASB 2018-7 have not been identified.

KEY TERMS AND DEFINITIONS - NATURE OR TYPE

REVENUES

RATES

All rates levied under the *Local Government Act 1995*. Includes general, differential, specified area rates, minimum rates, interim rates, back rates, ex-gratia rates, less discounts and concessions offered. Excludes administration fees, interest on instalments, interest on arrears, service charges and sewerage rates.

SERVICE CHARGES

Service charges imposed under Division 6 of Part 6 of the *Local Government Act 1995.* Regulation 54 of the *Local Government (Financial Management) Regulations 1996* identifies these as television and radio broadcasting, underground electricity and neighbourhood surveillance services.

Excludes rubbish removal charges. Interest and other items of a similar nature received from bank and investment accounts, interest on rate instalments, interest on rate arrears and interest on debtors.

PROFIT ON ASSET DISPOSAL

Profit on the disposal of assets including gains on the disposal of long term investments. Losses are disclosed under the expenditure classifications.

REVENUES (CONTINUED)

OPERATING GRANTS, SUBSIDIES AND CONTRIBUTIONS

Refer to all amounts received as grants, subsidies and contributions that are not non-operating grants.

NON-OPERATING GRANTS, SUBSIDIES AND CONTRIBUTIONS

Amounts received specifically for the acquisition, construction of new or the upgrading of non-current assets paid to a local government, irrespective of whether these amounts are received as capital grants, subsidies, contributions or donations.

FEES AND CHARGES

Revenue (other than service charges) from the use of facilities and charges made for local government services, sewerage rates, rentals, hire charges, fee for service, photocopying charges, licences, sale of goods or information, fines, penalties and administration fees. Local governments may wish to disclose more detail such as rubbish collection fees, rental of property, fines and penalties, other fees and charges.

INTEREST EARNINGS

Interest and other items of a similar nature received from bank and investment accounts, interest on rate instalments, interest on rate arrears and interest on debtors.

OTHER REVENUE / INCOME

Other revenue, which can not be classified under the above headings, includes dividends, discounts, and rebates. Reimbursements and recoveries should be separated by note to ensure the correct calculation of ratios.

EXPENSES

EMPLOYEE COSTS

All costs associated with the employment of person such as salaries, wages, allowances, benefits such as vehicle and housing, superannuation, employment expenses, removal expenses, relocation expenses, worker's compensation insurance, training costs, conferences safety expenses, medical examinations, fringe benefit tax, etc.

MATERIALS AND CONTRACTS

All expenditures on materials, supplies and contracts not classified under other headings. These include supply of goods and materials, legal expenses, consultancy, maintenance agreements, communication expenses, advertising expenses, membership, periodicals, publications, hire expenses, rental, leases, postage and freight etc. Local governments may wish to disclose more detail such as contract services, consultancy, information technology, rental or lease expenditures.

UTILITIES (GAS, ELECTRICITY, WATER, ETC.)

Expenditures made to the respective agencies for the provision of power, gas or water. Exclude expenditures incurred for the reinstatement of roadwork on behalf of these agencies.

INSURANCE

All insurance other than worker's compensation and health benefit insurance included as a cost of employment.

LOSS ON ASSET DISPOSAL

Loss on the disposal of fixed assets includes loss on disposal of long term investments.

DEPRECIATION ON NON-CURRENT ASSETS

Depreciation and amortisation expense raised on all classes of assets.

INTEREST EXPENSES

Interest and other costs of finance paid, including costs of finance for loan debentures, overdraft accommodation and refinancing expenses.

OTHER EXPENDITURE

Statutory fees, taxes, provision for bad debts, member's fees or State taxes. Donations and subsidies made to community groups.

KEY TERMS AND DEFINITIONS - REPORTING PROGRAMS

In order to discharge its responsibilities to the community, council has developed a set of operational and financial objectives. These objectives have been established both on an overall basis, reflected by the City's Community Vision, and for each of its broad activities/programs.

OBJECTIVE GOVERNANCE

ACTIVITIES

To provide a decision making process for the efficient allocation of scarce resources.

Includes the activities of members of council and the administrative support available to the council for the provision of governance of the district. Other costs relate to the task of assisting elected members and ratepayers on matters which do not concern specific council services.

GENERAL PURPOSE FUNDING

To collect revenue to allow for the provision of services.

LAW, ORDER, PUBLIC SAFETY

To provide services to help ensure a safer and environmentally conscious community.

HEALTH

To provide an operational framework for environmental and community health.

EDUCATION AND WELFARE

To provide services to disadvantaged persons, the elderly, children and youth.

COMMUNITY AMENITIES

To provide services required by the community.

RECREATION AND CULTURE

To establish and effectively manage infrastructure and resources which will help the social well being of the community.

TRANSPORT

To provide safe, effective and efficient transport services to the community.

ECONOMIC SERVICES

To help promote the City and its economic wellbeing.

OTHER PROPERTY AND SERVICES

To monitor and control council's overheads operating accounts.

Rates, general purpose government grants and interest revenue.

Supervision and enforcement of various local laws relating to fire prevention, animal control and other aspects of public safety including emergency services.

Inspection of food outlets and their control, provision of meat inspection services, noise control and waste disposal compliance.

Provision and maintenance of senior citizen and disability services, youth services and other voluntary services.

Rubbish collection services, operation of rubbish disposal sites, litter control, construction and maintenance of urban storm water drains, protection of the environment and administration of town planning schemes and public conveniences.

Maintenance of public halls, civic centres, aquatic centre, recreation centres and various sporting facilities. Provision and maintenance of parks, gardens and playgrounds. Operation of library, museum and other cultural facilities.

Construction and maintenance of roads, footpaths, bridges, lighting and cleaning of streets.

Tourism and area promotion, rural services and building control.

Private works operation, plant repair and operation costs and engineering operation costs.

Ex-gratia rates							156,683	165,787	127,372
Total rates									

All land (other than exempt land) in the City of Kalamunda is rated according to its Gross Rental Value (GRV) in townsites or Unimproved Value (UV) in the remainder of the City of Kalamunda.

The general rates detailed for the 2020/21 financial year have been determined by Council on the basis of raising the revenue required to meet the deficiency between the total estimated expenditure proposed in the budget and the estimated revenue to be received from all sources other than rates and also considering the extent of any increase in rating over the level adopted in the previous year.

The minimum rates have been determined by Council on the basis that all ratepayers must make a reasonable contribution to the cost of local government services/facilities.

1. RATES AND SERVICE CHARGES (CONTINUED)

(c) Objectives and Reasons for Differential Rating

The overall objective of the Rates and Charges in the 2020/2021 budget is to provide for the shortfall in income required to enable the City of Kalamunda to provide the necessary works and services in the 2020/2021 Financial Year after taking into account all non-rate sources of income. Council at a Special Council Meeting on the 7th of April 2020 set the parameters to initiate the Budget 2020/21 process. One of the parameters was to have a zero increase in overall Rate revenue. This approach taken to create Budget 2020/21 is consistent with instructions received from the State Government Department, the Premier and the Minister for Local Government. To achieve a zero increase in Rate revenue, the rate in the dollar was amended accordingly.

A minimum rate is applied to all differential rating categories within the City of Kalamunda. The setting of the minimum rate is in recognition that every property within the City receives some minimum level of benefit from services provided. By adopting a minimum rate, Council take this benefit into consideration. Differences in minimum rates between the differential categories is due to the same factors as explained in each differential category below.

To provide equity in the rating of properties across the City the following rate categories have been determined for the implementation of differential rating.

Differential general rate

Differential rates are split into two distinct groupings based on the methods used by the Valuer Generals Office to determine the value provided to the City. These two groupings are Gross Rental Value (GRV) which is used on urban properties and Unimproved Value (UV) which is predominantly used on rural properties. More information on the different valuation methods can be found on the Valuer Generals website at www.landgate.wa.gov.au.

GRV Differential Rates:

The valuations provided to the City for GRV properties are reviewed on a Triennial basis by Landgate, with 2020 being effective from 01 July 2020. GRV values are reflective of the estimated rental yield per year of the property. Further information about the exact method of calculation and any objections to valuations will need to be directed to the Valuer Generals Office at Landgate.

UV Differential Rates:

The valuations provided to the City for UV properties are reviewed on an annual basis by Landgate. UV Values are reflective of the estimated market value of the land assuming no improvements have been made (Houses, Sheds, Fencing etc) as determined by the Valuer General. Further information about the exact method of calculation and any objections to valuations will need to be directed to the Valuer Generals Office at Landgate.

Description	Characteristics	Objects	Reasons
GRV General	The GRV General rate applies to all GRV valued properties in the City with a predominant land use that does not fall within the categories of Commercial, Industrial or Vacant Land.	The object of this rate is to apply a base differential general rate to land zoned and used for purposes other than Commercial, Industrial or Vacant Land and to act as the City's benchmark differential rate by which all other GRV rated properties are assessed.	The reason for this rate is to ensure that all ratepayers make a reasonable contribution towards the ongoing maintenance and provision of works, services and facilities throughout the City. It is also lower than vacant land as the City is endeavouring to encourage landowners to develop vacant land.
GRV Industrial/Commercial	The Industrial and Commercial GRV rate is levied on GRV valued properties where the predominant use of the land is for either Industrial or Commercial purposes.	The object of this rate category is to apply a higher differential rate to raise additional revenue to offset the increased costs associated with service provision to these properties.	The reason for this rate is that a higher differential rate is required to meet the higher level of service costs associated with Commercial and Industrial properties and the localities within which they are situated. This would typically include costs associated with increased maintenance and renewal of assets and infrastructure required.
GRV Vacant	The GRV Vacant rate is levied on all GRV valued land in the City where the property is considered vacant land.	The object of this rate is to promote the development of vacant land within the City's district.	The reason for this rate is to impose a higher differential general rate on vacant land that acts as a disincentive to persons who are land banking and not actively developing vacant land.
UV General	The UV General rate applies to all UV valued properties in the City with a predominant land use that does not fall within the categories of Commercial or Industrial.	The object of this rate category is to impose a differential rate commensurate with the use of land and is the base rate by which all other UV rated properties are assessed.	The reason for this rate is to ensure that all ratepayers on Unimproved Properties make a reasonable contribution towards the ongoing maintenance and provision of works, services and facilities throughout the City.
UV Commercial	The UV Commercial rate is levied on UV valued properties where the predominant use of the land is for either Industrial or Commercial purposes.	The object of this rate category is to raise additional revenue to offset the costs associated with increased maintenance of infrastructure and higher levels of service provided to or associated with properties in this category.	The reason for this rate is to meet a significant proportion of the additional costs involved in servicing properties within this rate category, which include but are not limited to major outlays for transport infrastructure maintenance and renewal/refurbishment and significant related costs of land use and environmental impacts.

(d) Differential Minimum Payment

Description	Characteristics	Objects	Reasons
GRV General & UV General - \$882	The Minimum applied to these categories is in recognition that every property within the City receives some minimum level of benefit from services provided. These categories affect all properties not used as Vacant Land or for Industrial or Commercial purposes.	The object of this rate is to raise a fair value minimum charge against each property in the City to ensure equity between all ratepayers.	The GRV & UV General minimum is reflective of the basic level of service that all (predominantly) residential properties receive.
GRV Vacant - \$767	The Minimum applied to this category is in recognition that every property within the City receives some minimum level of benefit from services provided. These categories affect all properties identified as Vacant Land.	The object of this rate is to raise a fair value minimum charge against each property in the City to ensure equity between all ratepayers.	The GRV Vacant Land minimum is the lowest in the City. This reflects the reduced level of service/impact that these properties have on the City's resources.
GRV Ind/Com & UV Com - \$1,102	The Minimum applied to this category is in recognition that every property within the City receives some minimum level of benefit from services provided. These categories affect all properties used for Industrial or Commercial purposes.	The object of this rate is to raise a fair value minimum charge against each property in the City to ensure equity between all ratepayers.	The GRV Industrial/Commercial & UV Commercial minimum rates are the highest in the City. This recognises that Industrial and Commercial properties have a greater impact on the infrastructure and environment within the City in comparison to properties that fall within the General or Vacant categories.

1. RATES AND SERVICE CHARGES (CONTINUED)

(e) Specified Area Rate

The City did not raise specified area rates for the year ended 30 June 2021.

(f) Service Charges

The City did not raise service charges for the year ended 30 June 2021.

(g) Rates discounts or incentives

The City does not offer any rates discounts or incentives for the year ended 30 June 2021.

(h) Waivers or concessions

The City does not anticipate any waivers or concessions for the year ended 30 June 2021.

2 (b). NET CURRENT ASSETS (CONTINUED)

SIGNIFICANT ACCOUNTING POLICIES

CURRENT AND NON-CURRENT CLASSIFICATION In the determination of whether an asset or liability is current or non-current, consideration is given to the time when each asset or liability is expected to be settled. The asset or liability is classified as current if it is expected to be settled within the next 12 months, being the City's operational cycle. In the case of liabilities where the City does not have the unconditional right to defer settlement beyond 12 months, such as vested long service leave, the liability is classified as current even if not expected to be settled within the next 12 months. Inventories held for trading are classified as current even if not expected to be realised in the next 12 months except for land held for sale where it is held as non-current based on the City's intentions to release for sale.

TRADE AND OTHER PAYABLES

Trade and other payables represent liabilities for goods and services provided to the City prior to the end of the financial year that are unpaid and arise when the City of Kalamunda becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured, are recognised as a current liability and are normally paid within 30 days of recognition.

CONTRACT ASSETS

A contract asset is the right to consideration in exchange for goods or services the entity has transferred to a customer when that right is conditioned on something other than the passage of time.

PROVISIONS

Provisions are recognised when the City has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

INVENTORIES

General

Inventories are measured at the lower of cost and net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Superannuation

The City of Kalamunda contributes to a number of superannuation funds on behalf of employees. All funds to which the City of Kalamunda contributes are defined contribution plans.

LEASE LIABILITIES

The present value of future lease payments not paid at the reporting date discounted using the incremental borrowing rate where the implicit interest rate in the lease is not readily determined.

TRADE AND OTHER RECEIVABLES

Trade and other receivables include amounts due from ratepayers for unpaid rates and service charges and other amounts due from third parties for goods sold and services performed in the ordinary course of business.

Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

Collectability of trade and other receivables is reviewed on an ongoing basis. Debts that are known to be uncollectible are written off when identified. An allowance for doubtful debts is raised when there is objective evidence that they will not be collectible.

EMPLOYEE BENEFITS

Short-term employee benefits

Provision is made for the City of Kalamunda's obligations for short-term employee benefits. Short term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The City of Kalamunda's obligations for

short-term employee benefits such as wages, salaries and sick leave are recognised as a part of current trade and other payables in the statement of financial position. The City of Kalamunda's obligations for employees' annual leave and long service leave entitlements are recognised as provisions in the statement of financial position.

LAND HELD FOR RESALE

Land held for development and sale is valued at the lower of cost and net realisable value. Cost includes the cost of acquisition, development, borrowing costs and holding costs until completion of development. Finance costs and holding charges incurred after development is completed are expensed.

Gains and losses are recognised in profit or loss at the time of signing an unconditional contract of sale if significant risks and rewards, and effective control over the land, are passed on to the buyer at this point.

Land held for sale is classified as current except where it is held as non-current based on Council's intentions to release for sale.

CONTRACT LIABILITIES

An entity's obligation to transfer goods or services to a customer for which the entity has received consideration (or the amount is due) from the customer. Grants to acquire or construct recognisable non-financial assets to be controlled by the City are recognised as a liability until such time as the City satisfies its obligations under the agreement.

3. RECONCILIATION OF CASH

For the purposes of the Statement of Cash Flows, cash includes cash and cash equivalents, net of outstanding bank overdrafts. Estimated cash at the end of the reporting period is as follows:

		2020/21	2019/20	2019/20
	Note	Budget	Estimate	Budget
		\$	\$	\$
Cash at bank and on hand		7,626,937	16,417,338	12,751,846
		7,626,937	16,417,338	12,751,846

A detailed breakdown of acquisitions on an individual asset basis can be found in the supplementary information attached to this budget document.

SIGNIFICANT ACCOUNTING POLICIES

RECOGNITION OF ASSETS

Assets for which the fair value as at the date of acquisition is under \$5,000 are not recognised as an asset in accordance with *Financial Management Regulation* 17A (5). These assets are expensed immediately.

Where multiple individual low value assets are purchased together as part of a larger asset or collectively forming a larger asset exceeding the threshold, the individual assets are recognised as one asset and capitalised.

4. FIXED ASSETS

(b) Disposals of Assets

The following assets are budgeted to be disposed of during the year.

SIGNIFICANT ACCOUNTING POLICIES

GAINS AND LOSSES ON DISPOSAL

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in profit or loss in the period which they arise.

SIGNIFICANT ACCOUNTING POLICIES

DEPRECIATION

The depreciable amount of all fixed assets including buildings but excluding freehold land, are depreciated on a straight-line basis over the individual asset's useful life from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful life of the improvements.

The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Major depreciation periods used for each class of depreciable asset are:

Buildings - specialised	30 to 50 years
Furniture and equipment	5 to 10 years
Plant and equipment	5 to 20 years
Infrastructure - roads	20 to 120 years
Infrastructure - footpaths	15 to 50 years
Infrastructure - Drainage	60 to 100 years
Infrastructure - Parks and Ovals	10 to 50 years

AMORTISATION

The depreciable amount of all intangible assets with a finite useful life, are depreciated on a straight-line basis over the individual asset's useful life from the time the asset is held for use.

The assets residual value of intangible assets is considered to be zero and useful live and amortisation method are reviewed at the end of each financial year.

Amortisation is included within Depreciation on non-current assets in the Statement of Comprehensive Income.

6. INFORMATION ON BORROWINGS

(a) Borrowing repayments

Movement in borrowings and interest between the beginning and the end of the current financial year.

SIGNIFICANT ACCOUNTING POLICIES

BORROWING COSTS

Borrowing costs are recognised as an expense when incurred except where they are directly attributable to the acquisition, construction or production of a qualifying asset. Where this is the case, they are capitalised as part of the cost of the particular asset until such time as

the asset is substantially ready for its intended use or sale.

7. LEASE LIABILITIES

LEASES

AASB 16 requires lessees to account for all leases under a single on-balance sheet model in a similar way to finance leases under AASB 117 Leases. The standard includes two recognition exemptions for leases - leases of 'low-value' assets (e.g. personal computers) and short term, leases (i.e. with a lease term of 12 months or less). At the commencement date of a lease, a lessee will recognise a liability to make lease payments (i.e. the lease liability) and an asset representing the right to use the underlying asset during the lease term (i.e. the right-of-use asset).

Lessees will separately recognise the interest expense on the lease liability and the depreciation expense on the right-of use asset. Lessees will be required to remeasure the lease lability upon the occurrence of certain events (e.g. change in lease term, a change in future lease payments resulting from a change in an index or rate used to determine those payments). The lessee will generally recognise the amounts of the remeasurement of the lease liability as an adjustment to the right-of-use asset.

Lessor accounting is substantially unchanged from todays' accounting under AASB 117. Lessors will continue to classify all leases using the same classification principle as in AASB 117 and distinguish between two types of leases: operating and finance leases.

The City has made an assessment of existing leases with no material impact identified

8. CASH BACKED RESERVES (CONTINUED)

(b) Cash Backed Reserves - Purposes

In accordance with Council resolutions in relation to each reserve account, the purpose for which the reserves are set aside are as follows:

		Anticipated	
	Reserve name	date of use	Purpose of the reserve
(a)	Long Service Leave Reserve	Ongoing	To provide cash-backing for all long service leave entitlements.
(b)	Land and Property Enhancement and Maintenance Reserve	Ongoing	To fund land and property purchases, upgrade and maintenance of existing properties.
(C)	Waste Management Reserve	Ongoing	To fund financing operations for the development of the City's sanitation service.
(d)	EDP IT Equipment Reserve	Ongoing	To fund the upgrade / replacement of the City's computer hardware and software requirements.
(e)	Local Government Elections Reserve	Ongoing	To fund the cost of future elections.
(f)	HACC Reserve	Discontinued	This Reserve funded HACC Service Programmes and Asset replacements.
(g)	Forrestfield Industrial Area Reserve	Ongoing	To fund infrastructure requirements for the Forrestfield area.
(h)	Insurance Contingency Reserve	Ongoing	To fund insurance premium variations and potential call backs.
(i)	Revaluation Reserve	Ongoing	To fund triennial rating revaluations.
(j)	Nominated Employee Leave Provisions Reserve	Ongoing	To fund future nominated staff leave entitlements.
(k)	Forrestfield Industrial Scheme Stage 1 Reserve	Ongoing	The reserve is established to meet the City's reporting obligation under clause 6.5.16 of the City of Kalamunda Local Planning Scheme No. 3. The funds that were managed under the Trust for the scheme were transferred to the newly established reserve on 23rd June 2015. The reserve will be maintained to reflect all transactions related to the scheme for the benefit of the scheme members.
(I)	Asset Enhancement Reserve	Ongoing	To fund future replacement of Citys' Infrastructure and plant and equipment needs.
(m)	Unexpended Capital Works and Specific Purpose Grants Reserve	Ongoing	To carry forward available funding for uncompleted projects and specific purpose grants, that will be completed and expended in ensuing financial years.
(n)	Waste Avoidance and Resource Recovery Reserve	Ongoing	Any surplus raised in the year for the purpose of managing the contaminated sites will be placed in the reserve for utilisation in future years.
(0)	Environmental Reserve	Ongoing	To fund environment strategies and projects.
(p)	Public Art Reserve	Ongoing	To fund future Public Art projects.
(q)	Strategic Sport and Recreation Reserve	Ongoing	To fund future Strategic Sport and Recreation capital projects.
(r)	Crisis Relief Fund	Ongoing	To pay for demonstrable COVID-19 financial hardship experienced by targeting community members/groups.
(s)	Service Reinstatement Reserve	Ongoing	To pay to bring programs or services back into the budget as and if required or as restrictions are lifted and to support recovery.

8. CASH BACKED RESERVES (CONTINUED)

(c) Cash Backed Reserves - Change in Use

The City has resolved to make the following changes in the use of part of the money in a reserve account. This money is to be used or set aside for a purpose other than the purpose for which the account was established.

Cash Backed Reserve	Proposed new purpose of the reserve	Objects of changing of the reserve	Reasons for changing the use of the reserve	2020/21 Budget amount change of purpose
				\$
Land and Property Enhancement and Maintenance Reserve	The original purpose was to fund land and property purchases, upgrade and maintenance of existing properties. As part of the recovery from the COVID-19 pandemic, the reserve is to be used to transfer funds to the Asset Enhancement Reserve	To aid recovery through the COVID-19 pandemic	Transfer to Asset Enhancement Reserve to fund Stimulus Projects	1,400,000
EDP IT Equipment Reserve	The original purpose was to fund the upgrade / replacement of the City's computer hardware and software requirements. As part of the recovery from the COVID-19 pandemic, the reserve is to be used to transfer funds to the Asset Enhancement Reserve	To aid recovery through the COVID-19 pandemic	Transfer to Asset Enhancement Reserve to fund Stimulus Projects	700,000
Insurance Contingency Reserve	The original purpose was to fund insurance premium variations and potential call backs. As part of the recovery from the COVID-19 pandemic, the reserve is to be used to transfer funds to the Asset Enhancement Reserve	To aid recovery through the COVID-19 pandemic	Transfer to Asset Enhancement Reserve to fund Stimulus Projects	100,000
Revaluation Reserve	The original purpose was to fund triannual rating revaluations. As part of the recovery from the COVID-19 pandemic, the reserve is to be used to transfer funds to the Asset Enhancement Reserve	To aid recovery through the COVID-19 pandemic	Transfer to Asset Enhancement Reserve to fund Stimulus Projects	100,000

13. MAJOR LAND TRANSACTIONS

It is not anticipated that the City will be party to any Major Land Transactions during 2020/2021

14. INTERESTS IN JOINT ARRANGEMENTS

The City of Kalamunda's estimated share of equity is 16.06% in the Eastern Metropolitan Regional Council.

	2020/21 Budget	2019/20 Estimate	2019/20 Budget
	\$	\$	\$
Non-current assets 16.06% estimated share of the total Equity in the Eastern Metropolitan Regional Council.	998,408	1,679,116	1,679,116
	998,408	1,679,116	1,679,116

INTERESTS IN JOINT ARRANGEMENTS Joint arrangements represent the contractual sharing of control between parties in a business venture where unanimous decisions about relevant activities are required.

SIGNIFICANT ACCOUNTING POLICIES

Separate joint venture entities providing joint venturers with an interest to net assets are classified as a joint venture and accounted for using the equity method.

Joint venture operations represent arrangements whereby joint operators maintain direct interests in each asset and exposure to each liability of the arrangement. The City of Kalamunda's interests in the assets liabilities revenue and expenses of joint operations are included in the respective line items of the financial statements.

15. TRUST FUNDS

Funds held at balance date over which the local government has no control and which are not included in the financial statements are as follows:

16. SIGNIFICANT ACCOUNTING POLICIES - OTHER INFORMATION

GOODS AND SERVICES TAX (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows.

CRITICAL ACCOUNTING ESTIMATES

The preparation of a budget in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

ROUNDING OFF FIGURES

All figures shown in this statement are rounded to the nearest dollar.

COMPARATIVE FIGURES

Where required, comparative figures have been adjusted to conform with changes in presentation for the current financial year.

BUDGET COMPARATIVE FIGURES

Unless otherwise stated, the budget comparative figures shown in the budget relate to the original budget estimate for the relevant item of disclosure.

Rules Applying to the Schedule of Charges for

Community Facilities

2020/2021

Price inclusive of GST where applicable

SCHEDULE OF FEES AND CHARGES

CATEGORIES

Functions

Functions consist of events such as: parties, quiz nights, fundraisers, weddings, celebrations, performances, shows, etc.

Commercial Rate

Commercial rates apply to organisations or individuals that do not qualify for Community Group or Community Group Annual Event rates.

Community Group Rate

Community Group rates apply to incorporate not for profit organisations where the fees charged are to recoup costs incurred. This charge applies to Service Clubs, Schools, Scouts, Guides, Church Groups, Charitable Organisations, etc.

Community Group Annual Events

Community Groups which hold an annual community event will be charged the Community Group Rate where possible (i.e. no alcohol involved) and a bond will apply. This applies for events such as Arts & Crafts & Woodturners Exhibitions, local Festivals (i.e. Harvest & Zig Zag Festivals), Wine Shows and Fundraising Concerts. If alcohol is being consumed then the relevant fees will apply.

Note:

Local Schools and Local Seniors Groups will receive a 50% discount. (This does not apply to Liquor Permit, Bonds, Cleaning or Security Callout Fees). For discount to apply to seniors groups, the activity must be exclusively for seniors.

Local Schools within the City of Kalamunda

- Carmel Adventist College
- Carmel Adventist Primary School
- Dawson Park Primary School

 - Forrestfield Senior Citizen Travel and Social Club Woodlupine Community Centre
 - Forrestfield Eggers and Craft Group Woodlupine Community Centre
 - Retirees WA(Inc.) Forrestfield/High Wycombe Branch Woodlupine Community Centre
- 3. Each acknowledged Elector or Resident Group, operating on a regular basis, shall be permitted the free use of a Council facility for the purpose of conducting ordinary meetings of which due notice has been given. Free use does not include usage of the Council Administration Building.

4. The Returned Services League (RSL) will have priority of usage of the Kalamunda Hall and memorial area for Anzac Day activities.

USE OF CITY FACILITIES – Priority of Use & Procedures

Conditions of Hire, City Facilities states:

"The City cannot offer exclusive use of facilities to any one group or individual and may on occasion allow usage of a facility by other community groups, individuals or the City itself. In the event of this happening, hirers will be given adequate notice and if practical, another facility made available".

Permanent Users of City facilities are defined as those who have a regular booking at a City Facility, be it on a daily, weekly, fortnightly, monthly or bi-monthly basis. These users will have priority over their regular timeslot and are not to be relocated or have a session cancelled for the purpose of a function or another casual user. The exceptions to this rule are in the case of the following:

- City run, or one-off large community events/activities
- Kalamunda Agricultural Show and Spring Flower Show (Kalamunda Agricultural Hall and Performing Arts Centre)
- ANZAC Day usage of Kalamunda Agricultural Hall
- Prior agreement from the permanent user has been obtained
- In all other instances for a permanent user to be relocated from their regular time slot, prior approval must firstly be obtained from the City.

Procedure for Bookings of Community Group Annual Events

Throughout the year local community groups run various community based events. These events are charged at a discounted rate and include such events as:

- Art & Craft & Woodturners Exhibitions
- Zig Zag Festival
- Perth Hills Wine Show
- Fundraising Concerts

These bookings are generally held once a year at the same time and where possible every effort must be made to accommodate their booking, bearing in mind that the Kalamunda Agricultural Society, Returned Services League and Kalamunda Senior High School have priority over bookings at the Kalamunda Performing Arts Centre and Kalamunda Agricultural Hall.

Retainer Fee

To prevent double bookings, users cannot have a gap in their booking. If equipment is set up in a facility but not being utilised, it is considered that the facility is still being used and no one else can use it. The user will be charged from the start of their booking until the end of their booking. If equipment is set up over night, the user will be charged until 10.00pm and again from 8.30am the following morning.

Cancellation Fees

If a booking is cancelled within 14 days of the booking, 50% of the hire fee is retained as a cancellation fee.

The above rule applies to all facilities bookings unless specified differently in the terms and conditions of the facilities booking form.

Payments

All payments are required 4 weeks prior to the commencement of the booking. The full bond/payment is required to confirm the booking.

The above rule applies to all facilities bookings unless specified differently in the terms and conditions of the facilities booking form.
