Our Vision

Connected Communities, Valuing Nature and Creating our Future Together

Core Values

Service: We demonstrate a 'can do' attitude, we listen, we understand, and we go above and beyond when we serve others.

Professionalism: We look, speak, act & do what it takes to show others we are reliable, respectful and competent.

Quality: We think clearly, plan mindfully, act decisively, measure carefully and review regularly everything we do.

Aspirational Values

Courage: We make brave decisions and take calculated risks to lead us to a bold and bright future. We show courage in our pursuit for the protection of the environment, for the well being of our people and to support the economy.

Diversity: We challenge ourselves by keeping our minds open and looking for all possibilities and opportunities.

Innovation: We believe in a workplace where you're safe to try new things—where we can push the boundaries of the norm and learn from things that don't always go according to plan. We strive for a just and blameless culture that respects people as individuals and paves the way to genuine learning and improvement.

Our simple guiding principle will be to ensure everything we do will make the City of Kalamunda socially, environmentally and economically sustainable.
