It is anticipated that there will be a Christmas themed mini musical performance complete with a nativity play, which will actively involve the entire school student population (Kindy to Year 6). The benefit to the community is two-fold - it provides performance related experience to participating students (whether performing or involvement in behind the scenes) as well as providing an opportunity for the school & wider community to come together & connect, whether it be a picnic with friends while being entertained or simply joining the community as part of the audience. The event is significant to students in the first instance as it allows them to develop their skills in the field of music & performance education by being involved with the performance in some way. It also acts as a conduit to bring the community together & allows the children to gain an understanding of 'giving back', which in turn fosters greater community spirit. The event compliments other existing events in the Hills & is inclusive & accessible to all.
