Dear Nicole,

I write in support of the request for a park to be named after the late Noel Morich.

Noel and I worked together in the Department of Education, and I was always very impressed with his knowledge of Indigenous heritage and cultural sites across Australia.

Noel was a wonderful man and a great Aboriginal Elder, having his memory honoured like this would be a great gift to his family and all that knew him.

Please don't hesitate to reach out if you require any more information.

Yours sincerely,

A handwritten signature in blue ink, appearing to read 'Ken Wyatt', written over a faint, larger version of the signature.
