

## MEETING NOTES

### Disability and Carers Advisory Group Monday 12 May 2025 Committee Rm 1, Administration Building

#### 1.0 Official Opening:

We wish to acknowledge the traditional custodians of the land we are meeting on, the Whadjuk Noongar people. We wish to acknowledge their Elders past, present and future and respect their continuing culture and the contribution they make to the life of this City and this region.

- 1.1 The Presiding Person opened the meeting at 3:36pm.

#### 2.0 Attendance, Apologies and Leave of Absence Previously Approved:

##### Voting Members

Cr Lisa Cooper	Councillor Delegate (LC) Presiding Person
Peta Crane	Community Representative (PC) Deputy Presiding Person
Yvonne Huntley	Community Representative (YH)
Bonnie Bellenzier	Representative Organisation Providing Services (BB)

##### City of Kalamunda Staff

Darren Jones	Manager Community Development (MCD)
Amberley Bradley	Coordinator Community Services (CCS)
Ruth Chodorowski	Community Development Officer – Inclusive Communities (CDO-IC)

##### Apologies

Peter Thorpe	Community Representative (PT)
--------------	-------------------------------

##### Observers

*Nil*

**3.0 Meeting Notes from Previous Meeting:**

That the committee acknowledges the meeting notes of the Disabilities and Carers Advisory Group held on 10 February 2025 as published and circulated, are confirmed as a true and accurate record of the proceedings.

Moved: Yvonne Huntley  
Seconded: Peta Crane  
Vote: **Carried (4/0)**

**Statement by Presiding Person:**

*"On the basis of the above Motion, I now sign the Meeting Notes as a true and accurate record of the meeting of 10 February 2025."*

**4.0 Disclosure of Interests:**

*Nil.*

**5.0 Correspondence:**

Communications received and sent regarding Access and/or Inclusion enquiries.

Advisory Group referred to the attached correspondence register.

CDO-IC shared that Hawaiians Forrestfield have organised 'Neighbourhood Chats'. At the last Neighbour Chat forum organised by Hawaiians Forrestfield, access to the shopping precinct was raised and Hawaiians were open to exploring some options for improving access on their private land.

**Action Summary:**

- CDO-IC Ruth to continue to work with Hawaiian Forrestfield to explore access improvements to discuss requirements for the area.

**Advisory Group Action:**

The Advisory Group notes the correspondence register.

## **6.0 Members Interest Areas:**

This section was created when the current group of members was formed, with each person sharing their passion and reason for joining. This allows the City to provide more targeted updates on progress related to each member's specific areas of interest.

### **6.1 Access Improvements:**

- a) PC advised she visited the Magnolia Reserve All Abilities Playground and was very impressed with the diverse range of accessible equipment available. The communication board, the braille signs, the sensory and textural equipment, the wide footpaths and three level of long ramps were fantastic.

YH agreed advising that her daughter took her 3 children there and they rate it very highly.

PC also advised she went to Juniper Reserve playground, which has a lovely lake with a footpath around it, but there was no parking available. Discussion took place regarding Juniper Way Reserve may be considered a local level park that service the recreation needs of the immediate residential population. The aim is to encourage residents to walk to the park and is located within a 5-minute walk from surrounding residences.

YH requested that all feedback regarding parking at parks be recorded and that car parking spaces be provided at all local parks.

- b) Tactile symbols for your bins

CDO-IC advised that the City has purchased wooden symbols (tactiles) that can be installed on all three bins to help residents who are vision impaired/legally blind identify the different types of bins. Promotional flyers and online community engagement has been released.

- c) Hidden Disabilities Sunflower Program

CDO-IC advised that the City has recently purchased a membership and merchandise is on the way. The Hidden Disabilities Sunflower is a tool to voluntarily share that you have a disability or condition that may not be immediately apparent – and that you may need a helping hand, understanding, or more time in shops, at work, on transport, or in public spaces. Training for staff will begin in the new financial year to recognise and support people who demonstrate a need for further assistance.

d) Carer Friendly Workplace

CDO-IC advised that work has begun internally for the City to progress towards becoming accredited and beginning to develop carer friendly policies and practices. The accreditation recognises staff who are carers.

**Action Summary:**

- CDO-IC Ruth to discuss parking at neighbourhood parks with Assets team
  - Requirement/policy of local parks and parking,
  - Potential to remove some bollards that are access barriers,
 And will bring information to next meeting.

## 6.2 Linking people with a disability into community

The Intergenerational Storytelling Project is underway with 19 volunteers and 22 students at Lesmurdie High School. Kalability Catering is involved again this year, providing the catering for the first meeting and will also cater for the last meeting at the end of June. It provides the opportunity for the Kalability students to interact with community members along with the Lesmurdie High School students and teachers.

## 6.3 Early Childhood and Youth Access and Inclusion:

The first Youth Action Kalamunda (YAK) meeting at Kalamunda Secondary Education Support Centre (KSESC) was held in March. The community services team will be working with the students to produce another art exhibition to be displayed at Kalamunda Central during Carers week. Kalability Catering will provide the morning tea at the art exhibition opening.

## 6.4 Safety Improvements:

- PC and YH met with Anthony Vuleta (AV), CEO City of Kalamunda, on 10 April 2025. PC & YH highlighted to AV that Jorgensen Park is not accessible. AV and YH went for a walk and discussed the accessible walk trail that has been in progress for several years. PC and YH also looked at Kalamunda Community Centre, mentioning that the automatic doors opening outwards is not ideal.

PC outlined that most of the accessible car parking bays are on a slope. AV selected 2 bays which are more accessible that could easily be installed.

CDO-IC advised that AV put the request in and confirmed that Asset Delivery has seen the request for the additional accessible parking bays. Staff were already working on improving the pavement marking at KCC before the request so staff will include this scope in the new design.

CDO-IC also confirmed that Asset Delivery have made sure that the Accessible Walk Trail is in next years budget for detailed design status. MCD advised that budget adoption will occur in June and any submissions listed will be considered by council.

YH stated that \$10,000 was in the budget this financial year and asked if this had been spent? If not, will this amount be rolled over to 2025/2026 financial year?

YH also reiterated that the group wants to be consulted with throughout the design process. Detailed design of accessible pathway loop through Jorgenson Park in budget for next year which will then have further development. Budget adoption to be decided in June 2025. Submission listed for consideration by council. 10k already in the budget, if not spent it will get rolled over.

#### **Advisory Group Action:**

The Advisory Group notes the information.

#### **Action Summary:**

- CDO-IC to follow up with Assets to ensure the \$10,000 is rolled over to next FY if not already spent.
- CDO-IC to email Assets to reiterate that DACAG want to be consulted with throughout the accessible walk trail design.
- CDO-IC will bring information to next meeting.

### **7.0 Items for Advisory Group Consideration:**

7.1 YH emailed through the following items for discussion:

- a) Mead St footpath from Canning Rd to Railway Rd in need of repair.

YH stated that Mead St footpath from Taco Marias to Canning Rd and the opposite Mead St footpath from the bus station to Canning Rd need repairing. The footpaths are lumpy, different colours and there are no tactiles at the crossings. There are also no tactiles at the Barber St and Mead St crossing or across the carpark. YH asked if this could please be reported.

There is a footpath at the side of Jack Healey Centre, coming off Mead St and up Sister Tate Lane, the footpath then ends at the Jack Healey centre carpark entry. If people are walking this way to Dome, they must then walk onto the road or across the gravel to access Dome. YH requested a pathway up to Dome be installed.

b) YH believes it should be 40km per hour across the whole CBD area and a submission made to main roads.

c) YH reported to CDO-IC that there was an overgrown Bougainvillea bush across the footpath on Central Rd that needed trimming. CDO-IC put the request in and YH was very thankful to the City for acting and trimming the branches.

7.2 Cr Cooper asked on any progress with the signalised crossing on Canning Rd, outside of Kalamunda IGA. CDO-IC advised she would follow up with Assets.

#### **Advisory Group Action:**

The Advisory Group notes the information.

#### **Action Summary:**

- CDO-IC to email Assets with the below:
  - Request a footpath be installed along Sister Tait Lane to Dome.
  - Request the footpaths on Mead St be repaired
  - Advise that the DACAG members believe that a 40km/ph zone be considered throughout the CBD precinct
  - Provide an update on any progress of the signalised crossings.

CDO-IC will bring information to next meeting.

**8.0 Business Unit Update:** CDO-IC provided a brief update on business unit.

#### **8.1 Legacy Lantern Ceremony**

Was held Saturday 10 May 2025, from 4:30pm at Stirk Park lake. This was the second time the event has been held and was created by CDO-IC with the support of Kalamunda Compassionate Communities. MCD and CCS highlighted the success of the event, bringing a sense of real connection within the community.

The video from the event was shared with the members.

#### **8.2 Social Inclusion Plan**

The Access and Inclusion Survey is being drafted to go out for public comment in June 2025. The survey results will help in developing the next strategy.

The survey was shown to the group along with how it would look like on the City's engagement page.

The group were asked to provide feedback and identified the following:

- Add what disability means in the survey glossary to include seen and unseen disabilities
- Identify any parking problems occurred and at which event
- Include was the event friendly and adjustments made so they could participate in the event.
- Include examples of what each City service is like:
  - Library Services (eg storytime, workshops, seminars, technology support)
- In the question what access and inclusion features of building/facilities are important to you include accessible park facilities (eg. low bbq's spaces for wheelchairs and at benches, wide footpaths)

BB mentioned that the survey wasn't very disability friendly. CDO-IC advised that the City is looking to have an easy read version and a phone number to call, available for people who require assistance to complete the form.

### 8.3 **Citizen Connector Training**

Friday 23 May or Saturday 24 May 2025, 10am to 2pm at Lesmurdie Baptist Church

### 8.4 **Retirement & its tax implications**

Wednesday 18 June, 5:30pm at Kalamunda Library

### 8.5 **COTA WA Seniors Education Series**

Two sessions: Wednesday 11 and 18 June, 9:30am to 1:30pm at Forrestfield Library  
Participants must attend both sessions.

### 8.6 **Cyber Security Information Session**

Tuesday 12 August, two sessions, one at 10am, the other at 11am at High Wycombe Library.

#### **Advisory Group Action:**

The Advisory Group notes the business unit update information.

#### **Action Summary:**

- CDO-IC to email the group the above flyers when sending out the minutes.
- Access and Inclusion Survey to be updated, reflecting the groups feedback.

**9.0 General Business with the Approval of the Presiding Person**

- 9.1 YH mentioned that there is no bench in the playground at Kostera for people to sit.
- 9.2 The group asked for further information on Hartfield Park Masterplan.

**Advisory Group Action:****Action Summary:**

- CDO-IC to provide an update on the Hartfield Park Project Design. What is happening?
- CDO-IC to email Coordinator Parks suggesting a bench be installed within the Kostera playground to support parents/guardians when supervising children.

The Advisory Group notes the information.

**10.0 Urgent Business with the Approval of the Presiding Person**

*Nil*

**Advisory Group Action:**

The Advisory Group notes the information.

**11.0 Date of Next Meeting**

The next meeting of Disability and Carers Advisory Group will be held on 11 August 2025 between 3.30pm and 5.00pm at the City's Administration Building, 2 Railway Road Kalamunda.

Note: there may be a special meeting called to discuss the High Wycombe Community Hub project.

## **12.0 Closure**

There being no further business, the Presiding Person declared the Meeting closed at 4:58pm.

I confirm these Meeting Notes to be a true and accurate record of the proceedings of this Meeting.

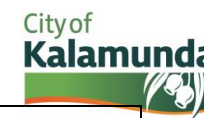

Signed: \_\_\_\_\_  
Presiding Person

Dated this \_\_\_\_\_ day of \_\_\_\_\_ 2025.
