Dear Ms Mariani,

REQUEST FOR COMMENTS –PROPOSED WATTLE GROVE SOUTH LOCAL STRUCTURE PLAN

Thank you for your electronic correspondence of 27 November 2025 seeking comment from Aboriginal Heritage Conservation regarding the proposed Wattle Grove South Local Structure Plan (LSP). We apologise for our delay in responding to your request and understand submissions for this LSP have now closed. However, for your records and information we decided to still provide the below comments to the City.

We note Aboriginal Cultural Heritage features heavily in the Structure Plan and should be commended. This includes section '4.2.6 Aboriginal Heritage', that acknowledges the presence of Registered Site ID 4343 (Brentwood Road Swamp) falling within the Structure Plan boundary. It also correctly acknowledges the need for Ministerial Consent under Section 18 of the *Aboriginal Heritage Act 1972* and consultation with the relevant Traditional Owners should any disturbance of this site be proposed.

We have no further comments to provide on the proposed Structure Plan.

Should you have any queries regarding this advice please contact Melissa Davis at Melissa.Davis@dplh.wa.gov.au or on 6552 4080.

Yours sincerely
