Item 10.4.1

Healthy Together: Kalamunda

10.4.1

Healthy Together: Kalamunda Public Health Plan

Purpose

- Seek Council adoption of the draft Healthy Together Kalamunda Public Health and Wellbeing Plan 2026–2028
- The Plan provides the City's strategic framework for improving community health and wellbeing in accordance with the Public Health Act 2016
- Adoption will meet the City's legislative obligations and support a healthier, safer and more connected community within existing resources

10.4.1 Healthy Together: Kalamunda

Overall Summary

- The Plan covers 2026/27 and 2027/28 and is informed by local health data, community feedback and the State Public Health Plan 2025–2030
- It establishes 60 actions across four statutory focus areas: Prevent, Promote, Protect and Enable
- More than 25 City service areas will deliver the actions through 33 existing Service Delivery Frameworks
- Actions use existing resources and are reported annually

Background

- The Public Health Act 2016 requires each local government to prepare and adopt a Local Public Health Plan consistent with the State Public Health Plan.
- The City's previous Community Health and Wellbeing Plan was reviewed against current local health data, community feedback and the State Public Health Plan 2025–2030.
- Engagement included community workshops, 207 completed surveys and pop-up events, supported by cross-organisational review of 33 Service Level Plans.
- East Metropolitan Health Service reviewed the draft to strengthen legislative alignment and identify potential implementation partners.

Recommendation

That Council

1. ADOPT the draft Healthy Together Kalamunda Public Health and Wellbeing Plan 2026–2028 (Attachment 1), prepared under Section 45 of the Public Health Act 2016.
2. AUTHORISE the Chief Executive Officer to:
 - a) Publish the adopted Plan on the City's website under Section 46; and
 - b) Provide a copy to the Chief Health Officer, Department of Health, under Section 45(5).
