LOCAL GOVERNMENT ACT 1995

CITY OF KALAMUNDA

RURAL AND URBAN ENVIRONMENT AND NUISANCE LOCAL LAW 2026

Under the powers conferred on it by the *Local Government Act 1995*, and under all other powers enabling it, the Council of the City of Kalamunda resolved on [DATE] to make the following local law.

Part 1 – Preliminary

1.1 Citation

This local law is the City of Kalamunda Rural and Urban Environment and Nuisance Local Law 2026.

1.2 Commencement

This local law comes into operation 14 days after the day on which it is published in the Government Gazette.

1.3 Repeal

This local law repeals –

- (a) The Shire of Kalamunda Bee Keeping Local Law 2008, published in Government Gazette No. 164 on 26 September 2008; and
- (b) The Shire of Kalamunda Keeping and Control of Animals and Nuisance Local Law 2011, published in Government Gazette No. 169 on 5 September 2011, as amended.

1.4 Local law amended

The Shire of Kalamunda Health Local Law 2011, published in Government Gazette No. 188 on 7 October 2011, is amended by deleting -

- (a) Part 4;
- (b) Part 5, Divisions 1 - 4 inclusive; and
- (c) clauses 5.23 - 5.25 inclusive.

1.5 Purpose and effect

- (1) The purpose of this local law is to manage nuisances arising from the rural, urban and built environment in the district.
- (2) The effect of this local law is that every person and property owner conducting activity governed by this local law is subject to the local law.

1.6 Application

- (1) This local law applies throughout the district.
- (2) Where in this local law there is an inconsistency between the local government's local planning scheme and this local law, the local planning scheme prevails to the extent of the inconsistency.

1.7 Interpretation

- (1) Subject to the operation of the *Interpretation Act 1984*, in this local law unless the context otherwise requires –

Act means the *Local Government Act 1995*;

Part 2 – Matters relating to animals

Division 1 – Keeping of animals

2.1 Cleanliness

- (1) An owner or occupier of land on which an animal is kept must keep such land –
- (a) free from excrement, filth, food waste and all other matter which causes, or is likely to cause a nuisance, become offensive or injurious to health or to attract vermin; and
 - (b) so far as possible, free from flies or other vermin, by spraying with a residual insecticide or other effective means.
- (2) When directed by an authorised person, an owner or occupier of land upon which an animal is kept shall clean and disinfect any portion of such land.

2.2 Disposal of dead animals

- (1) An owner or occupier of land, other than a veterinary practice, on which there is a dead animal, must dispose of the dead animal –
 - (a) as soon as practicable; and
 - (b) in a manner that does not create a nuisance, become offensive, or attract vermin.
- (2) A person must not dispose of a dead animal within 100 metres of any water resources.

Division 2 – Farm animals

2.3 Keeping of farm animals

An owner or occupier of land in a residential zone must not keep, or permit to be kept, any farm animals on such land.

2.4 Conditions for keeping farm animals

The owner or occupier of land upon which farm animals are kept shall ensure –

- (a) all farm animals are prevented from approaching within 18 metres of any dwelling, public building, or building used for commercial purposes or food business;
- (b) that the land on which the farm animals are kept is fenced or walled in a manner capable of confining such animals and, having regard to the species, age, size and condition of the animals, capable of preventing the animals from escaping;
- (c) rotten fruit or vegetable matter used as animal feed is disposed of;
- (d) water troughs and other water sources provided for farm animals are kept free from slime and filth; and
- (c) such animals are kept in accordance with the provisions of any local planning scheme applicable to that zone.

2.5 Requirements for farm animal shelters

The owner or occupier of land on which farm animals are kept shall ensure that any stable, enclosure or shelter provided for the keeping of farm animals is not situated within –

- (a) 18 metres of any dwelling, building used for commercial purposes or food business on an adjacent lot;
- (b) 9 metres of any dwelling, building used for commercial purposes or food business within the same lot;
- (c) a 30 metre radius of any private bore, well or dam; or
- (d) 9 metres of any street in the case of a corner site.

2.6 Slaughter of farm animals

A person must not slaughter any farm animal on any land in the district unless –

- (a) the slaughter of an animal is at premises approved under a written law for that purpose; or
- (b) it is euthanasia of an animal by a veterinarian or at a veterinary practice; or
- (c) by the owner or occupier of rural zoned land preparing meat for their own consumption.

2.7 Waste and manure management

The owner or occupier of land where any farm animal is kept must ensure that –

- (a) no manure receptacle is situated closer than 10 metres from any dwelling on an adjacent property;
- (b) waste and manure are not permitted to create a nuisance, become offensive or injurious to health or attract vermin; and
- (c) manure is disposed of in accordance with any applicable written law.

Division 3 – Keeping of poultry, pigeons and aviary birds

2.8 Keeping of poultry and pigeons

- (1) Subject to subclause (2) and (3), an owner or occupier of land must not keep or permit to be kept –
 - (a) any poultry or pigeons in a residential zone, if the area of the land is less than 600 square metres;
 - (b) more than 6 poultry or pigeons in a residential zone, if the area of the land is more than 600 square metres but less than 2000 square metres; or
 - (c) more than 25 poultry or pigeons in a residential zone where the area of the land is more than 2000 square metres.
- (2) Subclause (1) does not apply to –
 - (a) premises approved by the local government for veterinary purposes or intensive agriculture; or
 - (b) poultry that is less than 3 months of age.
- (3) A person may apply to the local government for approval to keep poultry or pigeons otherwise than in accordance with subclause (1)(b) or (c).
- (4) An application to the local government for approval pursuant to subclause (3) is to include –
 - (a) a statement outlining the reasons why approval is sought;

- (b) the number of poultry or pigeons proposed to be kept;
 - (c) a site plan showing land size, location of enclosure, the distance of the enclosure from any boundaries and buildings on adjoining land and any nearby water resources;
 - (d) where applicable, proof of affiliation to a poultry or pigeon keeping association;
 - (e) proof of registration as a livestock owner where required by the *Biosecurity and Agriculture Management (Identification and Movement of Stock and Apiaries) Regulations 2013*; and
 - (f) any fee determined by the local government.
- (5) Prior to determining an application for approval, the local government may seek and consider the views and concerns of any owner or occupier of an adjoining property.
 - (6) The local government may grant approval of an application pursuant to subclause (3) with or without conditions, or refuse to grant approval.
 - (7) Where an approval pursuant to subclause (3) is granted subject to conditions, the holder of the approval must comply with those conditions.
 - (8) A grant of approval is personal to the applicant and applies only to the land described in the approval.
 - (9) The applicant must notify the local government of any change in the circumstances on which the grant of an approval was based as soon as any change occurs.
 - (10) An approval can be cancelled by the local government in the event that –
 - (a) the holder does not comply with any conditions set by the local government;
 - (b) there is a change in the circumstances upon which the approval was granted; or
 - (c) the granting of the approval causes a nuisance in the opinion of the local government.

2.9 General requirements for keeping of poultry

An owner or occupier of land upon which poultry are kept, other than for veterinary purposes or intensive agriculture, must ensure that –

- (a) all poultry are kept in a properly constructed and securely fastened enclosure;
- (b) the enclosure is not located within the front setback area of the lot;
- (c) poultry are prevented from approaching within 9 metres of any dwelling on any other lot, or land used for a public building, commercial purposes or food business;
- (d) poultry are able to freely access clean drinking water within the enclosure;
- (e) the enclosure is kept in clean condition and in good repair at all times; and
- (f) effective measures are taken to control vermin and eradicate offensive odours.

2.10 Requirement for keeping of pigeons

- (1) An owner or occupier of land upon which pigeons are kept must ensure that –
 - (a) all pigeons are kept in a properly constructed enclosure and confined in that enclosure except where registered homing pigeons are freed for exercise;
 - (b) no opening to an enclosure, including openings for ventilation, is within 9 metres of any street, dwelling, public building, building used for commercial purposes or food business; and
 - (c) the enclosure is kept in a clean condition and in good repair at all times, with effective measures taken to control vermin and eradicate offensive odours.
- (2) An owner or occupier of land referred to in subclause (1) who is an affiliated person must ensure that all pigeons are kept in accordance with the Code of Practice for Pigeon Keeping and Racing in Australia and subject to the provisions of this local law.

2.11 Roosters, geese, turkeys and peafowl

Other than on land within a rural zone, an owner or occupier of land must not keep or permit to be kept any roosters, geese, turkeys, or peafowl.

2.12 Requirements for keeping of aviary birds

An owner or occupier of land shall ensure that any enclosure used for the keeping of aviary birds –

- (a) is of sound, weatherproof construction;
- (b) permits the effective and hygienic removal of waste matter, husks, seeds, feathers, dead birds and faecal matter;
- (c) is kept in clean condition and good repair at all times; and
- (d) is kept at least 5 metres from any building on any other land.

2.13 Nuisance caused by birds or poultry

An owner or occupier of land must not keep any bird or poultry which –

- (a) causes a nuisance; or
- (b) emits an unreasonable noise.

2.14 Restrictions on feeding of uncaged birds

- (1) A person must not feed or permit the feeding of any uncaged bird in a way that causes a nuisance.
- (2) If, in the opinion of an authorised person, a person has not complied with subclause (1), the authorised person may direct the person to stop feeding the uncaged bird and to clean up and properly dispose of any feed or waste products used or produced in connection with the feeding of the uncaged bird.

2.15 Pigeons nesting or perching

An authorised person may direct the owner or occupier of land on which pigeons nest or perch, to take adequate measures to prevent them from continuing to do so.

Part 3 – Keeping of bees

Division 1 – General provisions relating to bees

3.1 Native bees excluded

The provisions of this local law do not apply to a bee hive, bee nest or bees that are fauna as defined by the *Biodiversity Conservation Act 2016*.

3.2 Keeping of bees on residential zoned land

- (1) Subject to the provisions of this clause, a person must not keep bees or allow bees to be kept on land in a residential zone except in accordance with a valid permit issued in relation to the land.
- (2) Subclause (1) does not apply where an occupier of land keeps bees on the land –
 - (a) for a continuous period not exceeding 8 weeks; and
 - (b) for the purpose of pollinating a crop on the land.
- (3) Subclause (1) does not apply where a person keeps bees on Crown land.

3.3 Requirements for keeping of bees

- (1) An owner or occupier of land must not keep, or permit to be kept, bees in any bee hive or bees nest unless –
 - (a) a good and sufficient water supply is located on the land which is readily accessible by the bees situated at a distance of less than 5 metres from the hive;
 - (b) the hive or nest is located near a screen or other barrier that prevents the bees flying low over a street, public place or adjoining land;
 - (c) each bee hive is kept as follows –
 - (i) at least 9 metres from any building on any other land;
 - (ii) at least 9 metres from any footpath, street, private street or public place;
 - (iii) at least 5 metres from the boundary of the land; and
 - (d) the owner or occupier is registered under the *Biosecurity and Agriculture Management (Identification and Movement of Stock and Apiaries) Regulations 2013*.
- (2) Unless clause 3.2 applies –
 - (a) no more than 2 bee hives are permitted to be kept on land less than 2,000 square metres in area; and

- (b) no more than 15 bee hives are permitted to be kept on land greater than 2,000 square metres in area.

3.4 Nuisance caused by bees

A person must not keep, or allow bees or bee hives to be kept, on land so as to create a nuisance.

Division 2 – Permits

3.5 Application for a bee keeping permit

- (1) An owner or occupier of land may apply in writing to the local government for a permit to keep bees that would otherwise contravene clause 3.2 or clause 3.3(2).
- (2) An application for a permit must include –
 - (a) a statement outlining the reasons why an approval is sought;
 - (b) the number of bee hives proposed to be kept;
 - (c) a site plan showing land size, the location of bee hives, and the distance of the enclosure from any boundaries and buildings on adjoining land;
 - (d) proof of registration as a beekeeper under the *Biosecurity and Agriculture Management (Identification and Movement of Stock and Apiaries) Regulations 2013*; and
 - (e) payment of any fee determined by the local government.
- (3) Prior to determining an application, the local government may seek and consider the views and concerns of the owners and occupiers of adjoining land.
- (4) The local government may grant a permit, with or without conditions, or refuse to grant a permit.
- (5) Where a permit is granted subject to conditions, the holder of the permit must comply with those conditions.
- (6) A permit is personal to the applicant and applies only to the land described in the permit.
- (7) The applicant must notify the local government of any change in the circumstances on which the permit was based as soon as any change occurs.
- (8) A permit may be cancelled by the local government in the event that –
 - (a) the holder does not comply with the conditions of the permit;
 - (b) there is a change in the circumstances upon which the permit was granted; or
 - (c) the granting of the permit causes a nuisance.

3.6 Notice to remove bees

- (1) The local government may issue written notice to a person where –
 - (a) the person is the owner or occupier of land and has contravened this local law or the *Biosecurity and Agriculture Management (Identification and Movement of Stock and Apiaries) Regulations 2013* in respect of keeping of bees, bee nests or bee hives; or
 - (b) the person has contravened a permit, or conditions thereof, for the keeping of bees, bee nests or bee hives on land to which the permit relates; or
 - (c) the person is the owner or occupier of land and bees, bee nests or bee hives on the land are causing a nuisance.
- (2) A notice issued under subclause (1) may require within the time specified in the notice to –
 - (a) remove the bees, bee nests or bee hives on the land; or
 - (b) comply with conditions of a permit issued by the local government for the keeping of bees, bee nests or bee hives on the land.
- (3) Where a person fails to comply with a notice given under subclause (1), the person commits an offence.

Part 4 – Vermin control

Division 1 – Mosquitoes

4.1 Mosquito control

- (1) An owner or occupier of land must keep the land free of water or refuse that is or is liable to become, a breeding place for mosquitoes.
- (2) An authorised person may direct an owner or occupier of land to take adequate and reasonable measures to prevent the pooling of water or undertake control measures to prevent mosquito breeding, including but not limited to ensuring –
 - (a) any water tank, well, cistern, vat or barrel is protected with a mosquito-proof cover and that all openings, except for the delivery outlet, are covered with wire mesh having openings no larger than 1.2 millimetres;
 - (b) all drains and channels in or on the land are kept in good order and free from obstructions;
 - (c) septic tanks installed on the land are kept in functional condition with any inlet vent being protected by wire mesh having openings no larger than 1.2 millimetres; or
 - (d) use of an approved larvicide in accordance with the directions on the container.

Division 2 – Rodents

4.2 Measures to be taken to eradicate rodents

- (1) Where there are indications of the presence of rodents, the owner or occupier of land must take adequate and reasonable measures to keep such land free from rodents and prevent rodent breeding, including but not limited to –
 - (a) protecting or covering the food stuffs of domestic or farm animals;
 - (b) the use of a rodenticide or a baited trap, having due regard for the prospect of impacts of either of those methods on native fauna;
 - (c) preventing rodents from having access to water on the premises;
 - (d) limiting or removing places where rodents may nest; and
 - (e) remove, alter, protect, cover or otherwise deal with any material, sewer, septic tank, pipe or other thing to prevent it from being used as access or harbourage for rodents.
- (2) An authorised person may direct an owner or occupier of land to take adequate and reasonable measures to eradicate rodents or undertake control measures to prevent rodent breeding, or the harbourage of rodents.
- (3) Where a dead rodent is on land, the owner or occupier of the land must ensure the carcass of a dead rodent is disposed of immediately in a manner that does not cause a nuisance.

Division 3 - Cockroaches

4.3 Measures to be taken to eradicate cockroaches

- (1) Where there are indications of the presence of cockroaches in, on or about land or a building on land, the owner or occupier of such land must take adequate and reasonable measures to keep the land or building free from cockroaches and prevent cockroach breeding.
- (2) An authorised person may direct an owner or occupier of land to take adequate and reasonable measures to eradicate cockroaches or undertake control measures to prevent breeding of cockroaches.

Part 5 – Nuisances

Division 1 – General nuisances

5.1 Operation of amusements

A person must not provide or conduct any amusements on land so as to create or cause a nuisance to any owner or occupier of land in the district, without the approval of the local government.

5.2 Premises etc. to be cleaned after use

An owner or occupier of a theatre or other place of entertainment or amusement to which the public is invited whether indoor or outdoor, is to ensure the premises is cleaned immediately after the last occasion on which the premises have been used on that day, or if the use extends after midnight, then immediately after that use.

5.3 Emission or reflection of light

An owner or occupier of land must not –

- (a) permit artificial light to be emitted or reflected from anything on the land so as to illuminate premises outside that land at a level that causes a nuisance to any owner or occupier of adjoining land or person using a street as a thoroughfare; or
- (b) permit natural light to be reflected from anything on the land so as to create or be a nuisance to any owner or occupier of adjoining land or person using a street as a thoroughfare.

5.4 Use of exterior lighting

An owner and or occupier of land on which floodlights, lighting installations or other exterior lights are erected or used must not allow the floodlights or other exterior lights to shine directly onto adjoining land.

5.5 Notice to abate nuisance caused by lights

Where in the opinion of the local government an owner or occupier of land has contravened clause 5.3 or clause 5.4, the local government may give a notice to the owner or occupier of land to abate the nuisance within the time specified in the notice by –

- (a) preventing artificial light from being emitted or reflected from the land;
- (b) treating any reflective surfaces;
- (c) restricting the hours of use of the floodlights, lighting installations or other exterior lights; or
- (d) requiring alterations to the direction in which any lights are shining.

Division 2 – Smoke, fumes, odours and other emissions

5.6 Burning rubbish, refuse or other material

- (1) An owner or occupier of land must not set fire to, or cause to be set on fire, any rubbish, refuse, chemically treated wood or any material on that land, unless –
