O'CONNOR, Dylan

I've been a strong voice for residents of High Wycombe and the foothills as your local Councillor and Deputy Mayor. I love the job and I'm seeking your vote again.

I've lived in High Wycombe most of my life and have a genuine passion and connection with this community.

As a local Mechanic and now local Primary School Teacher, I know this area and I'm committed to preserving and enhancing the best parts of what we have. I've worked with the local clubs to coordinate the plans for vital upgrades to better serve their players and families.

I've worked hard to improve communication with residents in the HW South development area. There's more to do and I'll keep working to ensure the planning process is fair and timely.

My commitment is fairness, integrity and strong representation, always.
