

## Candidate Details

Ballot paper name	<b>BILICH, Sue</b>
Candidate name	<b>Susan Joy BILICH</b>
District	<b>City of Kalamunda</b>
Nominating for	<b>Mayor for City of Kalamunda</b>
Election type	<b>Ordinary</b>
Enrolment status	<b>BILICH, Sue is eligible to stand for election as a resident of the City of Kalamunda.</b>

Living in our wonderful community for almost 40 years with my family I have consistently coached, fundraised and volunteered for multiple organisations. I was also a Grief Counsellor, Foster mum and a Wildlife carer.

After losing a child to Cot Death, I became the President of SIDS and was the WA Founder of 'RED NOSE DAY' which has raised millions of dollars.

I have worked hard as a Councillor; making progress providing land for Aged Care Accommodation, to the major upgrading of our Sporting Venues and Community Assets, including the \$60m Community Hub and Aquatic Facility.

Supporting; The Pickering Brook and High Wycombe South Developments, the Woodlupine Hub, Kalamunda Pool, Tourism and protecting our environment.

As a dedicated full time Mayor, I will listen to you, and ALWAYS work with you to achieve the best outcome.

Integrity, accountability and transparency will be the foundation of my strong leadership, always acting in YOUR best interest, not my own.

Please support me for Mayor

My involvement with the SIDS Foundation (Sudden Infant Death Syndrome) was working with the Coroner, Police and funeral homes, initiating major changes whilst being on call 24/7 supporting bereaved parents.

I was the driving force behind the 'RED NOSE DAY' fundraising campaign as well as a Founding Member of the National SIDS Foundation, and Honorary Life Member of SIDS and KIDS.

My daughter Nicole was the first female volunteer fire fighter for the Kalamunda Town Brigade.

My passion is working for our community and the welfare of families within our City. I understand the Mental Health and financial pressure that is affecting many.

We need to cater effectively for families and young people in our community; our volunteers and community groups are valued and greatly appreciated.

As a strong advocate for more Aged Care Accommodation we finally have some progress.

I was honoured to receive two awards from WALGA (West Australian Local Government Association)

- Merit Award for distinguished service to the community through the Local Government of the Shire of Kalamunda and,
- An Outstanding Service Award for my service to our community.

I am very experienced in the area of Local Government having also worked as a Councillor at State level. I have the commitment, knowledge and skills to move our City forward.

I welcome your comments and suggestions, and will always work with you to achieve the best outcome.

To keep me working for you, please support me for Mayor

Thank you
