VALUES

As a qualified accountant with 45 years' experience, I believe we must respect ratepayers' funds and minimise rates where possible, while delivering the services our residents deserve. **If re-elected, I will fight for transparency, governance, and sound financial management.** It's crucial we preserve our unique lifestyle, while ensuring our Council is effective. We need to listen to the local priorities and find ways to make them happen. **I'm asking for your vote so I can continue being a strong voice for our community**
