	District	City of Kalamunda
	Nominating for	Councillor for North Ward
	Election type	Ordinary
	Enrolment status	TOWNSEND, Noreen is eligible to stand for election as a resident of the City of Kalamunda.

My family have been associated with Kalamunda since the late 1800's. I have lived in the area since 1969. Our daughters were born, raised, schooled and played sport in the area.

Kalamunda is very special to those who live or work in the area - we need responsible growth that will incorporate the development of infrastructure, recreation & community facilities to meet the needs of citizens & businesses whilst protecting our environment and greenspace whilst maintaining an effective, efficient open government, without program cuts, unnecessary tax increases, or hidden fees.

With 20 years experience working in local government - now retired. Since retirement I worked with the Board of Bendigo Bank as Board Secretary. In 2009 I stood for the Kalamunda as Councillor South West Ward and was elected, then renominated in 2013 and was again re-elected. Due to my partners health issues I did not nominate again. Unfortunately he has no passed and I seek to resume my role working for the community.
