As your Councillor and Deputy Mayor my passion for our community continues to be my driving force. My family and I love living in Wattle Grove, enjoying the local parks, schools and wide range of recreation activities at Hartfield Park.

I actively engage, contribute to and volunteer with our schools, sporting clubs and community groups through Forrestfield and Wattle Grove. I listen to our community and work hard to ensure we have quality services and maintained facilities; like Lincoln Reserve upgraded; and our environment conserved and rehabilitated; like Woodlupine Brook.

I am proud of Council achievements such as; Cambridge Reserve development; relocation and future upgrades to the Forrestfield library, Hartfield Park Stage 2; and the annual Wattle Grove Community Christmas Picnic.

There is always more we can achieve, that's why I make myself accessible to you, our community. Please reach out and let me know your thoughts, hopes and dreams for Wattle Grove, Forrestfield and our City.
