

Candidate Details

Ballot paper name	COOPER, Lisa
Candidate name	Lisa Anne COOPER
District	City of Kalamunda
Nominating for	Councillor for North West Ward
Election type	Ordinary
Enrolment status	COOPER, Lisa is eligible to stand for election as a resident of the City of Kalamunda.

High Wycombe has been my home for almost 50 years. It has been the place where my husband and I have raised our family.

It has been an absolute privilege and an honour to serve on Council since 2019. In my role I have met many wonderful residents and have always listened and assisted wherever possible. I have also strongly advocated in the environmental space, especially around increasing the tree canopy in the foothills area, ensuring a more sustainable future for our children.

I want to continue to make the North-West Ward a great place to live and ensure that we provide safe roads and footpaths, services for our seniors, parks that are accessible and inclusive for children of all abilities, great facilities for our sporting clubs and explore ways to reduce the City's reliance on rates .

I pride myself on being hardworking and honest and have always conducted my time on Council with utmost integrity and commitment. If elected, I will continue to represent my community with these values.

Additional Information

It has been an absolute honour and privilege to serve as a North-West Ward Councillor since 2019.

Prior to being elected as a Councillor, I have been involved and continue to be involved with the Lot 20 Adelaide St Community Awareness Group, where we have been actively campaigning to ensure that the health and amenity of Jacaranda Springs residents will not be impacted by the remediation of a nearby contaminated landfill site.

In my time as a Councillor, I have seen some fantastic outcomes being achieved for our community. These include:

- * continued planning for the High Wycombe Aquatic & Recreation Centre;
- * opening of the Karingal Green Nursing Home providing accommodation to our older residents;
- * sport pavilion redevelopments at Scott Reserve in High Wycombe and Norm Sadler in Maida Vale and the benefits this will bring to local sporting clubs;
- * upgrades to playgrounds at Fleming Reserve and Gladys Newton Park;
- * fenced dog exercise area at Elmore Way which is loved by our four-legged friends and their owners alike;
- * much needed tree planting in local parks and the implementation of FOGO, ensuring a more sustainable and healthier future for our children;
- * a soon to be constructed roundabout at Hawkevale and Kalamunda Roads;
- * roundabout at Roe Highway off-ramp on Maida Vale Road.

In my role as Councillor I have met many wonderful people and have always endeavoured to assist residents wherever possible. I pride myself on being hardworking and honest and have conducted my time on Council with absolute integrity and commitment with our local community's interest first and foremost. There is still much more to do, and if elected, I will continue to represent my community with these values. It would be a privilege to once again represent residents living in the High Wycombe, Maida Vale and Forrestfield areas.
