Ballot paper name	MODOLO, David
Candidate name	David Adam MODOLO
District	City of Kalamunda
Nominating for	Councillor for South East Ward
Election type	Ordinary
Enrolment status	MODOLO, David is eligible to stand for election as a resident of the City of Kalamunda.

I was born and raised here, a third-generation local, after my nonna and nonno started an orchard in Forrestfield before settling in Lesmurdie. I am now raising my own young family, together with my wife, here in the City.

I also work in the City, as a lawyer who owns and runs a small law firm assisting our community. My legal expertise will help drive Council to be more professional, and run properly.

For the past two years, I have served as a Councillor, with a mission to build community's engagement on Council issues. I believe that when our community is engaged, we achieve a more accountable and transparent Council.

But the work is not done. I will continue working to improve how the City consults with residents and ensures their voices are heard.

I am equally committed to reducing the pressure of rate rises, by driving sensible savings and making careful, responsible spending decisions that safeguard the future, for the next generation of our Hills families.
