Let's not be afraid, be bold and vote to protect our environment and water!

- We must protect and retain our trees and forests
- Strive for quality Aged Care in the City Kalamunda
- Youth Services for our children
- Support small business to succeed

I have long been an advocate for our community. My husband and I decided to make our home in the hills with our young family 24 years ago. With a short time working interstate, we returned to Western Aust.

I have a personal interest in the area, and my children were schooled locally, participated in sport at Ray Owen, and were raised in the Kalamunda community. They also reside in the hills.

Director - Consultant for a global company, worked in both federal and state government and ran my own business. This experience gives me the skills to be an effective councillor.

My promise to you is I will LISTEN, CONSULT AND ACT with integrity.
