The City of Kalamunda is committed to providing the community and its visitors with opportunities to experience and participate in a range of stimulating events and cultural activities. The City's Strategic Community Plan is the catalyst to increasing participation and visitation through events.

One of City's main objectives in its Strategic Community Plan is to provide our people with social and cultural enjoyment. We encourage and promote active participation in social and cultural events in the City of Kalamunda.

We aim to do this by:

- » Supporting local event organisers by developing a proactive local events community and strengthening local event management capability;
- » Developing and promoting events positioning Kalamunda as a destination of choice for events and tourism through effective branding and promotions; and
- » Growing the City as a premier event destination attracting and retaining major events and support services in order to generate economic and social benefits.

Please read these Guidelines before applying for Event Sponsorships or Donations.

Partnerships

Event organisers seeking ongoing support should approach the City directly to discuss opportunities. Partnerships are more specific agreements made under a Memorandum of Understanding (MOU) with a longer term commitment, and a broader range of significant outcomes to achieve.

Event Donations

The City's Event Donations program aims to support local organisations and community groups in the running of an event that has a direct benefit to the local community or visitors to the City. The Event Donations program aims to support a wide range of organisations and initiatives and as such, organisations are assessed on a case by case basis.

Eligible groups must be:

- » Not-for-profit organisations
- » Charitable organisations
- » Community organisations

Please note: Businesses are not eligible to apply.

The key areas in which the City may enter into an event donation agreement include, but are not limited to, the following:

- » Community Welfare
- » Community Arts and Cultural Development
- » Emergency Relief Services
- » Youth and Children's Services

Whilst the City does not seek a direct return in the form of promotional benefits, applicants are encouraged to acknowledge the contribution made by the City where possible.

Categories

There are three categories and applicants are only eligible to apply for one category each financial year.

- » \$250 The event/program will provide a benefit to either a specific group or the wider community. The event/program must be located in the City of Kalamunda and provide some benefit to the local community.
- » **\$500** The event/program will provide a direct benefit to a specific group, the local community or visitors to the City. The event/program must be located within the City of Kalamunda.
- » **\$1000** The event/program will provide a direct benefit to a specific local group, the local community or visitors to the City. The event/program must be located within the City of Kalamunda. Additionally your application must demonstrate how you plan to promote the event/program to increase awareness and participation, and work toward the long-term sustainability of the event/program.

Each application will be assessed on its own individual merit.

Reimbursement for utility charges or recurrent annual or seasonal fees e.g. sporting club / reserve facilities hire will not be considered.

Event applicants requesting a donation via this channel will not be able to also request a CEO donation, sponsorship or waiving of fees.

Please note: If you are applying for a donation, you will not be entitled to a subsequent fee waiver.

Event Sponsorship

The City of Kalamunda Event Sponsorship Program aims to support organisations and community groups in the running of larger events that have a direct benefit to the local community or visitors to the City AND offer positive promotion of the City's brand to its target markets. The event must:

- » Be accessible, free or low-cost.
- » Demonstrate benefit to the wider community or a specific community group.
- » Align with the City's values and objectives as set out in the Strategic Community Plan.
- » Provide promotional opportunities for the City relative to the level of sponsorship package applied for.

Please note: We will not support the payment of wages or salaries through the Event Sponsorship Program. Examples of events that may be supported include but are not limited to:

- » Cultural or community events.
- » Carnivals, festivals or fairs held within the City.
- » Community development and welfare events or programs for specific target groups e.g. Seniors, Youth, Disability Groups.

Each sponsorship request will be assessed on its own individual merit. The Event Sponsorship program is a competitive process with a capped amount available to be awarded each year. Applicants are therefore encouraged to provide as much information as possible on the Event and the expected benefits to the City to enable proper assessment.

Following successful awarding of your sponsorship, you will receive a copy of the City of Kalamunda Branding Guidelines, which sets out the correct use and positioning of the City logo on your materials. You will also receive copies of the City logo in various formats.

It is a requirement of funding that successful applicants must submit a **Community Event Application Form**.
