Acknowledgement of Country

Kaya. The City of Kalamunda acknowledges the Traditional Owners of the land, the Whadjuk people of the Noongar nation and pay our respects to Elders past, present and emerging.

A brand new, purpose built community centre in the heart of the Perth Hills.

The Kalamunda Community Centre is an affordable, high-quality venue available to hire for your next meeting, activity or special occasion - big or small!

Key features include: 10 amazing spaces - all different sizes - office space, a kitchen, bathrooms, outdoor play areas and a viewing deck.

Timber and stone design textures will give the building a natural feel, paying tribute to its surrounds.

Each room is named after a Noongar colour, representing the colours of the Wagyl snake underpinning the connection of the site with the Bibbulmun Track. Room signage also displays design elements by local artist Aurora Abraham.
