## **Permit to Burn Request**Garden Refuse or Running Fire

A Fire Control Officer will be in contact to organise a time and date to attend your property and assess the burn pile prior to issuing a permit to burn.

If the request is for a Running Fire Permit the Chief Bushfire Control Officer will review the request and be in contact for any further details required.

| PART A - COMPLETE IN FULL  |                          |             |                 |       |

## Permit to Burn Request

Garden Refuse or Running Fire

## **PART C - RUNNING FIRE PERMIT**

| A planned burn of the surface fuels on your property in areas of bush and shru |
|--|
|--|

Approximate size of burn area:

Type of vegetation being burnt: Bush/Forest Grass/stubble Other

Are there mineral earth fire breaks around the burn site and/or on the property?

Yes

No

Please attach where possible an aerial image of the property with a visual of the proposed burn site.

(Please be aware that the Chief Bushfire Control Officer may request additional works or requirements be undertaken prior to issuing a permit due to any prevailing risks/hazards identified).

What resources will you have available on site at the time of the fire (e.g., people, machinery, water source etc)?

Please note, the following conditions must be followed once a permit to burn has been issued. A Running Fire Permit or Garden Refuse Permit may have further restructions added.

- » Notify neighbours no less than 4 days in writing and/or no less than 24 hours verbally.
- » Notify and register your burn with the Department of Fire and Emergency Services (DFES).
- » Notify Department of Biodiversity Conservation and Attractions (DBCA) if burning withing 3km of forest land.
- » Have at least 3 abled bodied persons on site while burning at all times until fully extinguished.
- » Do not commence any burning on days where the Fire Danger Rating is High or above.
- » Do not commence any burning on days where a Total Fire Ban has been declared for the area.
- » Any other conditions set out in the permit issued.
