

## Kalamunda History Village

Occupying the site of the Upper Darling Range Railway station yard, the Kalamunda History Village illustrates life in the early days and the domestic history of the area since the first settlers. The Village demonstrates the Society and Environment of our rural pioneers. There are many varied interactive and hands-on learning experiences offered that can be tailored to your needs.

We are bordered by Railway Road, Williams Street and Spring Road in Kalamunda, and behind the Perth Hills Visitor Centre.

## Making a Booking

## Guided Tours

Students move around the Village with a guide giving an insight into early hill's life; the services, school procedure, transportation, industries, migrants and how the settler's used their environment and their way of life from 1860's to 1920's. Comparison will be made from the early years to today's world and discussion is initiated about the social, cultural and technological changes from the past norms to present day society. In addition there are a range of hands-on activities that are to be chosen and facilitated by the visiting school's teaching staff.

---

***"Fantastic historical experience for the students which helped to enhance their learning."***

---

***"Very engaged, vibrant tour guides."***

## Self-Guided Tour

This tour lets you move around the various sections of the museum with students at your own pace. The tour has many educational activities to do throughout the tour and a variety of old-fashioned toys and games to play with along the way. Guide notes are provided, and helpful instructions and flash cards are at each section to help explain facts and prompt discussion among the students.

## History Village Shop

Our shop will be opened to students only upon teacher's request at the time of booking. Children can visit the old general store at the end of the tour to purchase vintage inspired goodies using cash money, coins or notes.

## Tour Highlights

Students will sit at old fashioned timber desks in the original Kalamunda State School exploring olden day class activities, including the use of slate boards. The students will visit the old cottage to see how the settlers lived, and how life was before scheme water and electricity. The Blacksmith, Lightning fruit grader, Post Office and washing day are among the favorites.
