- Accurately complete standard forms and paperwork, such as timesheets and WHS related documents (e.g. JSAs, SWMS, etc.), Traffic Management related documents, etc.
- Creation and review of standard operating and working procedures.
- Preparation of store requisition forms.
- Preparation of daily timecards.
- Preparation of routine reports as appropriate.
- Management of contractors on site.
- Provide support to the Supervisor, Coordinator or Manager as required
- Undertake meetings with the team in the mornings to ensure team are aware of the duties for the day and works required.

CUSTOMER SERVICE

- Provide a high level of customer service when dealing with general enquires and complaints from both internal and external customers.
- Ensuring consistently high standards of customer service is delivered by the teams and all contractors engaged to provide services on for and behalf of the City of Kalamunda.
- Assist in the resolution of customer complaints and queries including follow up phone requests and inspections.
- Present a positive image of Council to the public.

STAFF MANAGEMENT

- Provide leadership to staff within the service delivery area to meet the core and aspirational values.
- Ensure compliance with all legislative requirements relating to staff, including IR, WHS, EEO.
- Allocate tasks and manage resources to ensure organisational goals and objectives are effectively delivered.
Ensure all staff operate items of plant and equipment in a safe manner that is consistent with safe work practices and in accordance with manufacturer's instructions and guidelines.

ASSET MANAGEMENT

- Provide Asset Management information, e.g. as built information.

INFRASTRUCTURE MAINTENANCE

- Undertake construction, maintenance and inspection of Council owned infrastructure and provide reports and recommendations (as required) on Council owned infrastructure.
- Assist with prioritising and managing maintenance requests and complaints using Council's customer ICS.

- Supervise minor projects including the identification of the materials required and ensuring the availability of appropriate tools and equipment to complete works on time and within budget.
- Maintain and ensure that all administrative tasks are conducted and reported in accordance with the Cities policies.
- Operate items of plant and equipment in a safe manner that is consistent with safe work practices and in accordance with manufacturer's instructions and guidelines.
- Actively participate in the plant and equipment competency assessment process.
- Hold appropriate licences and tickets prior to the operation of plant and machinery operation.

WORKPLACE HEALTH AND SAFETY

- As an officer of a PCBU (Person Conducting a Business or Undertaking), you must exercise due diligence to ensure the City complies with its health and safety duties.
- Due diligence includes keeping up to date knowledge on WHS matters, understanding the nature and operations of the work and any associated hazards.
- Ensure the City has and uses appropriate resources and processes to eliminate or minimise risks including both physical and psychological.
- Ensure the City has appropriate processes for work-related incidents, hazards and risks and to respond in a timely manner.
- Complies with the duties and obligations in reporting notifiable incidents, consulting with workers and complying with lawful instructions.

WORKPLACE COMPETENCY

Uphold the City's values of Service, Professionalism and Quality and demonstrate behaviours that reflect the organisations values, supports cross functional teams and meets customer and organisational needs.

TRAINING/QUALIFICATION(S)

- Qualification relevant to the position.
- Construction Induction (White Card).
