

Kalamunda, Lesmurdie & Gooseberry Hill

Concerns

- Inappropriate development, environmental damage and loss of local identity.
- Planning red tape and lack of vision
- Poor public transport
- Limited parking at reserves
- High irrigation costs for ovals

Values

- Village atmosphere, native bushland and tree canopy
- Value small businesses and sustainable local tourism
- Low density living
- Biodiversity corridors and canopy expansion

Vision for 2042

- Smart growth while keeping the area's unique feel.
- Sustainability initiatives, eco-tourism, improved transport links
- Desire for Kalamunda to be a Green Leader

Access and Inclusion Priorities

Connect:

Inclusive events, volunteering, civic connection, transport

Access:

Upgrade ACROD bays, footpaths, building access; improve digital inclusion

Inform:

Multichannel communication, translations, better event promotion

Welcome:

Cultural safety, Aboriginal protocols, LGBTIQ+ visibility

Listen:

Transparent feedback systems, trauma-informed complaint handling

Involve:

Co-design panels, community-led engagement place based reference groups

Grow:

Inclusive volunteering, employment equity, intergenerational programs
