Resident/Occupier Application Kit

Application to Keep More than 2 Dogs - Resident/Occupier Application Kit Section 26 - Dog Act 1976

Thank you for your application to keep more than two dogs.

Please read this application carefully, ensuring all areas are completed. Incomplete applications <u>CANNOT</u> be processed.

By completing this application you will be applying for an exemption to be granted by the City of Kalamunda, as provided in section 26 of the **Dog Act 1976** (as amended), in order to permit you to keep the dogs referred to in this application. Once permission is granted it will only be for the dogs listed in this application. Permission is not transferable if an approved dog is no longer living at the property and if you acquire a new dog, a new application will be required.

All dogs over three-months of age listed in this application must be registered with the City of Kalamunda.

Once the City has received your application and prescribed fee payment, surrounding properties will be surveyed. The information collected, along with details contained in your application, will form the basis of the report.

Once a decision has been made by the Manager of Community Health and Safety, you will receive written confirmation of the report.

Please complete and sign the attached forms, and return them to the City along with your \$161.00 lodgment fee payment.

Forms can be returned to the City of Kalamunda:

- » **In Person:** Monday to Friday during office hours
- » Via Post: PO Box 42, Kalamunda WA 6926
- » Emailed: enquiries@kalamunda.wa.gov.au

Applications may take up to two (2) months to process, allowing for survey and reports to be compiled.

Please note the \$161.00 lodgment fee is non-refundable.
