INTRODUCTION

Welcome to the Drug Aware Torchlight Youth Film Festival!

This booklet contains everything you'll need to know about the program. Whether you're just starting out or consider yourself a pro, we'd love to see what you have to offer. The only restrictions on your film are that you have to fit the theme, be under 15 minutes and conform to a PG rating. Everything else is up to you! Show us your creativity and showcase your artistic flare. There will also be a few skill building workshop days to look out for, as well as the final screening night!

This event is run by the City of Kalamunda Youth Services, and is only possible through the support and funding from the Drug Aware YCulture grant, Propel Youth Arts and Healthway.
